NEGRO PREVIOUSLY TAKEN AWAY

MOBILE, ALA., Oct. 2.—Roy Hoyle, a special officer of the Mobile & Ohio railroad, was fatally shot and Alderman Sidney Lyons, chairman of the city council of Mobile, was wounded in the hand tonight during a fight at the county jail between deputy sheriffs and a mob that was determined to capture Dick Robinson, a young negro. The mob is still hunting the negro and will lynch him if possible.

Negro Attacked a Child.

The negro, who is only 17 years old, today attacked Ruth, the 12-year-old daughter of Blount Sossman, who lives about three miles from here. Robinson, who was arrested and identified by the girl, was brought to Mobile for safe keeping. He was not taken to the county jail at all, as he was at least eight miles from the jail when the mob, determined to have him, approached the building.

Sheriff Powers met the leaders of the mob and informed them that the man they were seeking was not in the jail and had never been brought there.

Negro Not There.

About forty men walked through the jail and some of them returned and assured the mob that the man was not there. A portion of the crowd, however, led by a tall, raw-boned man whose name is not known, seized a telephone pole which had been blown down in the recent storm and dashed against the closed part of a double door, one half of which was open.

The door fell with a crash and almost instantly a shot came from a revolver in the hands of a man standing at the gate. About a dozen shots were fired, when there was a stampede on the part of the crowd for shelter.

Two Men Shot.

Alderman Lyons, who was on the inside of the jail, was shot in the hand, and Roy Hoyle had a bullet go through the left lung.

The crowd later learned that Robinson had been taken to a point eight miles away on the Mobile & Ohio railroad, where he was to be placed on a train and carried still further. As soon as this was known, fully 300 men boarded a Mobile & Ohio passenger train with the expressed intention of lynching the negro if they could get hold of him.

Governor Jelks, who was in the city tonight, ordered that three companies of militia be brought to the city as quickly as possible.

NOT TO ANNEX ISLAND

President Roosevelt Makes Govern- ment's Intention Plain.

ANOTHER CHANCE FOR THE CUBANS

Situation Discussed at Meeting of the Cabinet—Congress Not to Be Called to Meet in Extraordinary Session, As It Is Not Needed.

(By Associated Press)
WASHINGTON, D. C., Oct. 2.—President Roosevelt discussed freely today with his cabinet and with individual callers, among them Senators Knox and Foraker, the present situation in Cuba and its temporary occupation by the American forces.

The President reiterated to the cabinet and the other callers with whom he talked that the action taken by the American government was destined solely for the benefit of the people of the island, with a view to the complete restoration of order and the protection of all interests.

He declared that he had no such motive in view as the possible annexation of the island by the United States. What he wanted now was that the Cubans should be given another chance at self-government.

Unless extraordinary conditions arise, no extra session of Congress will be called to deal with the Cuban situation, as the president considers he has ample authority to proceed in the matter.

It seems to be well settled that former Governor Charles E. Magoon, of the Panama canal zone, who has just returned from Panama, will be appointed governor of the provisional government of Cuba. Governor Magoon is anxious to go to Cuba, and his selection for the place is expected to be announced soon. The President expects Mr. Taft to return to Washington in a fortnight or less.

(By Associated Press)
BOSTON, MASS., Oct. 3.—Further investigation by the Boston police and action today by the grand jury in connection with an assault on a policeman on Boston common last Thursday evening, in which Theodore Roosevelt, Jr., was involved, resulted tonight in the arrest of Shaun Kelly, of Fitchburg, a companion of young Roosevelt and president of the sophomore class of Harvard.

Kelly was arrested on a warrant issued by the municipal court of this city, charging an unknown person with an assault upon a police officer. He will appear in court tomorrow for a hearing.

Summons was served on young Roosevelt and Meridith Blangden, another Harvard student, to appear as witnesses in a Suffolk county grand jury investigation of the case next Thursday.

Young Kelly, realizing that his two friends would be compelled to tell all they knew of the affair to the grand jury, approached the Boston officers and accepted the arrest on the warrant granted yesterday for an unknown person.

Bailed to Appear.

John Houston, the negro who was arrested here Monday to be held for the Richmond authorities on the charge of assaulting a street car conductor and two passengers, appeared in the police court yesterday and was bailed for his appearance in Richmond, Mr. A. T. Pulliam being accepted as his bondsman.

CONVICTED OF A FOUL CRIME

Mob Formed After His Trial, But the Sheriff Outwits the Would-be Law- breakers and Spirits His Prisoner to the State Penitentiary.

(Special to the Daily Press.)
RICHMOND, VA., Oct. 2.—Sheriff W. P. Sheppard, of Halifax county, and O. C. Majors, a special officer of the Southern railway, succeeded in averting the lynching of Harrison Waller, a negro who has been brought here to serve a term of eighteen years in the penitentiary for attempted criminal assault on Miss Jessie Waller, who lives near Cody's, Va.

The prisoner had a speedy trial in the Halifax county court, Judge W. R. Barksdale presiding. He had been in Danville for safe keeping and after his trial at Houston there were rumors that he would be lynched if the mob got a chance at him.

Meanwhile Sheriff Sheppard talked to the indignant citizens, attracting their attention while Mr. Majors took the negro from another exit of the jail and later turned him over to Sheriff Sheppard, who accompanied the prisoner to the penitentiary.

GEN. WINT ENROUTE TO THIS CITY

Washington Authorities Will Not Say How Long Soldiers Will Be Ex- pected to Remain on Duty in the Island—Magoon, Late Governor of Panama, Spoken of for Taft's Place.

(By Associated Press)
WASHINGTON, D. C., Oct. 2.—Secretary Taft cabled to the war department today requesting that Brigadier-General Frederick Funston be designated to command the American troops in Cuba and the military secretary immediately issued an order to that effect.

Formal orders were also issued to Brigadier-General T. J. Wint, commander of the department of the Missouri, who reached here late today, and who is to be in charge of the embarkment of the expedition from Newport News.

First Expeditionary Brigade.

The orders show that the first expedition to Cuba is to be known as the first expeditionary brigade. It is much larger than an ordinary brigade but the war department has decided to consider it as such. General Wint left here tonight for Newport News. It is not expected he will go to Cuba.

Troops' Stay Unlimited.

No information has been received in Washington which indicates the length of time that the United States will occupy the island of Cuba and none of the officials will venture a prediction on this subject, but the presumption is that it will be some time before a stable government can be placed in power and it is expected that meantime a civil government will be appointed to administer the affairs of the island under the secretary of war.

WASHINGTON, D. C., Oct. 2.—Two resignations from the President's cabinet are slated for the coming winter. They are those of Attorney-General Moody, whose resignation will become effective about December 1, and that of Secretary of the Treasury Shaw, who will retire in February.

For one of the vacancies to be created the President will nominate George V. L. Meyer, American ambassador to Russia, but for the other he is not ready to announce a successor.

Mr. Roosevelt has sought to prevail on Attorney-General Moody to remain in the cabinet, but the latter, because of business arrangements he has made, has found it impossible to do so.

CUBANS GIVE UP ARMS

Revolutionists and Government Troops in an Ugly Mood—Volun- teers Dissatisfied on Account of Not Receiving Their Pay.

(By Associated Press)

HAVANA, CUBA, Oct. 2.—EX-PROVINCIAL PALMA today vacated the palace here and Governor Taft will take up his residence there during the week.

The disarmament proceedings are going on without a hitch in the vicinity of Havana. Elsewhere they have not begun.

The news from Cienfuegos, province of Santa Clara, is that the 450 marines from Havana arrived there none too soon, as the situation was threatening, caused partly by the dissatisfaction of the volunteers over the prospect of being disbanded with pay only for the actual time served, and partly by the uneasiness of the revolutionists surrounding the city.

The disarmament commission sent from Havana began work today in the vicinity of Santa Clara city, and it is expected that a thousand of Pino Guerra's men will be entrained for their homes in Pinar del Rio province tomorrow from a point near Havana.

Major Ladd, of the disarmament commission, reports that he is having no trouble whatever with the insurgents in Havana province, many of them actually laying down their arms and others retaining their own rifles.

PALMA QUILTS HAVANA.

Cuba's First ex-President Retires to His Country Home.

HAVANA, CUBA, Oct. 2.—EX-PRESIDENT PALMA's departure from the palace and from the capital of Cuba today was so quiet and unostentatious that it was scarcely realized that he had gone until his special train was traveling eastward to Matanzas.

All the family was visibly affected over the circumstances surrounding their sudden departure in a little more than four months after Palma had been inaugurated under apparently happy auspices.

There was not more than a score of persons outside the palace when the ex-president left it, and there was very little cheering at the wharf where the family embarked.

On arriving at Regla, while passing from the tug to the train, the ex-president was greeted with hearty cheers and cries of "Long live Palma." "Long live the honorable man." The ex-president acknowledged this appreciation.

SLUR ON THE COURT RESENTED

Editor Said, in a Speech, That Former Judge Worked to Free Election Criminals That He Had Formerly Convicted While Sitting in Judg- ment Upon Them.

(By the Associated Press.)
NEW YORK, Oct. 2.—Judge Alton B. Parker, tonight gave out a statement in reply to an attack made upon him by William H. Hearst, in a recent campaign speech.

In his address Mr. Hearst said, that Judge Parker had appeared in an election case on the side of election criminals in the court he formerly graced and there argued against and secured a reversal of an opinion he had formerly rendered.

Judge Parker's statement follows: "I should probably pay no more attention to his insulting and maliciously false speech than I have to his other attacks, were it not that his speech constituted an attack upon a court with a membership that is not surpassed in this or any other country.

"While that court is so well grounded in the confidence and the affection of the people as to need no defense from any such attack, the opportunity is afforded to warn the people, that a man having such conceptions of the judiciary as will permit him to make such an attack, ought never to be permitted to name men for the bench, as it is said Hearst contemplates doing under the Murphy-Hearst deal."

REBELS WON'T STAY WHIPPED.

Some Shot and Property Confiscated, But They Rally Again.

CAPE HAITIEN, HAITI, Oct. 2.—Advices received here today from Monte Christi, in Santo Domingo, which was besieged for some time by Dominican revolutionists, announce that President Carceres, with 1,200 men, recently attacked the revolutionists, raised the siege and pursued the besiegers, dispersing them and capturing a number of prisoners.

Twenty-four of the latter were executed and the property of the revolutionists was destroyed.

Later the revolutionists rallied, and according to the last advices were preparing to make another attack on Monte Christi.
