

STATE BOARD GIVES OUT NO INFORMATION

Richmond Correspondent Says it Looks Like Morton up There.

LIST IS STILL INCOMPLETE

Some Superintendents Have Been Elected, But Public Will Hear Nothing Until it is All Over—May Finish Up and Announce the List of by Today at Noon.

Contrary to expectations, the State board of education, in session at Richmond, adjourned last night until today without giving out any information as the appointment of superintendents of schools. Nothing will be given to the public until the list is completed. It is believed that this will be done not later than tonight.

In response for a request for a summary of the situation as far as the local superintendency is concerned, a Daily Press representative at Richmond last night sent the following message:

Looks Like Morton. "Have it pretty straight that State board will not appoint Jenkins. You know the board demanded his resignation as district examiner. It looks like Morton up here."

A special to this paper, sent after the State board adjourned last night, said:

"The State board of education, which has been in session two days, again tonight refused to give out the appointment as state superintendents. Considerable progress has been made in the work of selecting superintendents today, those where there are no contests having been selected last night."

May Finish at Noon Today. "Superintendent Eggleston stated tonight that he believed the board would be able to complete its work by noon tomorrow."

"Delegates from all parts of the state are here in the interest of the various candidates. There is no truth in the report that the anti-saloon league is taking an active part in the for superintendents. Such a report was current today but could not be traced to any authentic source."

Candidates on the Ground. Superintendent W. C. Morton, who is a candidate for reelection, and Prof. Willis A. Jenkins, a candidate for the position with the endorsement of five members of the local board behind him, have been in Richmond for several days. Col. E. W. Huffman, a member of the local board and who is said to have filed an application for the position himself, went to the capital Thursday.

BUGG FINED AND JAILED.

Negro Who Found and Kept Money Satchel Convicted.

In the case of W. C. Bugg and Joe Jenkins, two negroes who were charged with the larceny of a satchel containing about eighty dollars, which they had found on Jefferson avenue, which was tried in the Corporation Court yesterday, the jury brought in a verdict imposing a fine of \$15 and a term of thirty days in jail upon Buggs, and acquitting Jenkins. From the testimony Buggs appeared to be the one at fault, as he had picked the wallet up and had insisted on keeping it, despite the protests of Jenkins, who is quite a young boy.

Used a Monkey-Wrench.

J. E. Williams, a negro, and Tony Vizani, both employed at the shipyard, were arrested morning on the ship were arrested yesterday morning on the charge of assaulting each other. Both appeared in the police court with bandaged heads, and it was stated they had used a monkey-wrench on each other. Their case was set for hearing tomorrow, and Vizani was released on a bond of \$200 for his appearance.

North End and Athletics. The North End and Athletics baseball teams will cross bats this afternoon on the Casino diamond in one of the regularly scheduled Peninsula League games, and a good contest is expected.

DOCTOR PORTER EDITOR OF WESTERN RECORDER

Former Pastor of Newport News Baptist Church Takes Charge of Leading Church Paper.

News was received here yesterday to the effect that Rev. J. W. Porter, D. D., who for a number of years was pastor of the First Baptist church, has resigned the pastorate of the First Baptist church of Lexington, Ky., to become president of the Baptist book publishing company and editor of the Western Recorder, the leading paper of the Southern Baptist church, published at Louisville.

Dr. Porter will take his new position on July 1. He will fill the place of the late Dr. Eaton, who was one of the foremost Baptist divines and a friend of Dr. Porter.

During his stay in this city, Dr. Porter became one of the leading citizens and probably was more generally popular than any minister of the gospel that ever made his home here. It is expected that he probably will visit the city soon and preach at the church which was built and rebuilt during his pastorate.

ANNUAL MEETING OF MEMBERS

Elaborate Program for the Occasion Will Include Burning of the Mortgage, Which Recently Was Lifted From the Association Building.

If the plans of the officials of the Young Men's Christian Association of this city do not miscarry, Rev. J. W. Porter, D. D., formerly of this city but now of Lexington, Ky., will be the speaker at a meeting of the association members to be held in the early part of July.

It was planned to hold the annual members meeting at the local association on June 15, but it was finally decided to postpone the meeting until the early part of July, when a rather elaborate program will be carried out, including the ceremony of burning the mortgage, which was lifted from the building some time ago. As Doctor Porter was for such a long time a valued friend of the association, and so thoroughly in touch with the work carried on in this city while he was here, it was thought to be a good idea to ask him to make the principal address of the occasion.

It is understood that Dr. Porter has consented to come here and speak, but no definite date has as yet been decided upon.

THEOLOGICAL STUDENTS TRAMPING THROUGH STATE

Three Young Men Started at Old Point and Walked to Jamestown.

The Richmond News Leader yesterday said:

A. C. Coburn, of South Norwalk, Conn., and J. M. Collins, of Philadelphia, Pa., classmates and college chums, from the Divinity school, Philadelphia, arrived here this morning. The gentlemen are on a trip through Virginia, and are "roughing" it in a sort of mild manner. They left New York Monday night, went to Old Point and hiked to Hampton. From there they walked to Jamestown, then to Yorktown, then to Williamsburg and then took the steamer at Jamestown for this city, arriving this morning.

They went to Seven Pines early this morning and spent a short time, and came back to the city and took in many of the sights. Old St. John's, the capitol, the Confederate museum and other points were seen in a fleeting way, and at 2 o'clock this afternoon they leave for Charlottesville, going there to spend the night and to visit Monticello. They go next to Basic, and from there they are to "hit the pike" for Luray, to Harper's Ferry, to Alexandria and to Washington, from which place they will take the train for their homes.

"Say, this is great through here," said the "tramps," "and we would like to be able to spend some time here but Mr. Coburn has to go to Maine by the first of July, and so we have to hurry along. Our entire schedule was 'doped' out before we started. Wish we could spend more time in the State."

The young men are clad in kaki outfits, carry canes and one has a camera, while the other carries a bag containing ponchos in case of rain.

PURSER FALLS OVERBOARD.

Officer of Steamer Berkley Has Narrow Escape and Suffers Injury.

Slipping on a wet plank as he attempted to step from pier A to the steamer Berkley Wednesday night, Purser Leach, of the Berkley fell overboard, severely cut his leg and had a narrow escape from drowning. One of the longshoremen on the dock threw the purser a rope and he was hauled aboard the Berkley within a few moments after he fell.

Two doctors were passengers on the steamer, and they made an examination, finding that Leach's leg had been severely injured by a spike on one of the pier's piles. Dr. W. B. Aylett was called, and he had the injured man removed to St. Francis hospital. The injury is no dangerous, and it is expected that Mr. Leach will be out of the hospital in a day or two.

A False Alarm.

Crossed wires and the burning of insulation at 2712 Washington avenue, where workmen were making alterations in a store room, caused an alarm of fire to be sent in to the Central station yesterday morning. The company turned out, but there was no fire to fight.

FIRST AUTO HONORS GO TO JOSEPH MATSON

Wins Over Fifteen Rivals in Western Vanderbilt Races at Crown Point.

(By Associated Press.) CROWN POINT, IND., June 18.—First honors in the opening "Western Vanderbilt" automobile races today went to Joseph Matson, who piloted a Chalmers-Detroit "Blue Bird" to a brilliant victory over 15 rivals. The race was for light cars only, and while of importance itself, it was preliminary to the race of the big cars for the Cobe cup over the same course tomorrow.

Perfect weather and the absence of any save the most trivial injuries to drivers were fortunate circumstances attending the winning of the Indiana trophy by Matson. The field numbered 16 cars at the start, the Ford and Renault having withdrawn.

The leading trio finished as follows: Chalmers-Detroit (Matson) 4:31:21; Locomobile (Robertson) 4:39:03; Marmon (Monson) 4:42:03. The distance was 232.74 miles.

The time of the other cars was not taken as they were flagged off the course after the first three had finished.

Tomorrow's race will, it is said, be the most severe test of the machines and drivers in the history of stock car racing in America. Twelve cars—two Locomobiles, two Appersons, three Buicks, two Stoddard-Daytons, two Knox and a Fiat—are entered. The cars are of 40 or 45 horsepower. The race is at 17 laps—395.59 miles.

GRAVE DEVELOPMENTS NOT EXPECTED BY RUSSIA

(By Associated Press.) ST. PETERSBURG, June 18.—The British embassy here has received a report concerning the firing upon the British steamer Woodburn Wednesday night by a vessel of the Russian squadron.

The belief that any grave developments would follow the affair has been excluded for it was evidently due to some one's blunder for which both sides are willing to express regrets.
