

HAMPTON, PHOEBUS AND OLD POINT.

NEWPORT NEWS QUITS

Visiting High School Boys Forfeit Football Game.

DISPUTE OVER DECISION

Officials Ruled That Safety Was Scored, While Shipbuilders Insisted It Was a Touchback—Big Crowd Disappointed.

Taking exception to a ruling of the officials in the game yesterday afternoon the Newport News High school football eleven walked off New Park gridiron and the game was forfeited to the Hampton High school.

It was about twelve minutes after the first half had started when Burbank punted the ball over the Newport News goal line, but it was claimed that Burley Clark, the Newport News quarterback touched it before it crossed. Then Clark picked up the ball over the line and attempts to run out, but was down by two Hamptonians. The dispute was over the question of whether the ball going over the line was a touchback, which counts nothing, or a safety, which counts two points. Referee Hayes, of Hampton; Umpire King, of Newport News, and Field Judge Flanders, agreed that a safety had been scored and it was so decided.

The Newport News boys were not satisfied, however, claiming that Clark did not touch the ball, and the captain ordered his men off the field. This broke-up what promised to be an exciting and interesting game.

A large crowd was out to witness the exhibition and the disagreeable ending of the contest caused regret among the big crowd of rooters. As Newport News won the first game of this season from Hampton, it is likely that another contest will be arranged in order that the championship for the season may be settled.

DEATH OF MRS. GUY.

She Was the Daughter of John W. Brown, First Mayor of This City.

News was received here yesterday of the death of Mrs. Lulue Brown Guy, widow of the late E. E. Guy, which occurred at her home in Norfolk at an early hour yesterday morning.

Mrs. Guy was a daughter of the late Mr. John W. Brown, the first mayor of Hampton, and a sister of Mrs. Vera Childs, of this city. She had lived in Norfolk since her marriage. She was also a half sister of Dr. John S. Brown, of this city. The funeral services will be conducted in Norfolk this morning at 11 o'clock.

24 W. QUEEN STREET
Hampton, Va.

"The prettiest store in the city."

SOCIAL-PERSONAL

Miss Beatie Tennis, who went to Pulvanna county to attend the marriage of Miss Baker, has returned to her home near Phoebus. She was accompanied back by Miss Beatie Edmunds, of Mecklenburg county.

Mr. Louis Hefflinger left yesterday to attend the annual game between Harvard and Princeton universities tomorrow afternoon.

Mrs. Sidney Johnston Dudley and her sister, Miss Ethel Walker Atkinson, who came here to attend the Kelly-Booker marriage, returned to their home in Richmond yesterday.

NEW YORKERS WOULD ENJOIN LOCAL FIRM

Sackett Plaster Board Plaster Company Claims Plaster Product Company is Infringing on Franchise.

Declaring that the Plaster Product Company, of Hampton, has infringed upon its patents, the Sackett Plaster Board Company, of New York city, has instituted suit in the United States Circuit Court in Norfolk asking for an injunction restraining the Hampton firm from manufacturing plaster boards.

The New York concern also desires to recover damages from the Hampton firm and has asked the court to force the local concern to produce its books showing the profits made on its products since beginning operation.

The suit will be fought out before Judge Edmund Waddill, Jr., and it is said that it will bring together an able corps of lawyers.

Mr. George W. Rowe, president of the Hampton corporation, said yesterday that his company has no fear of the outcome of the suit, as the Hampton concern has been granted a patent by the United States patent office. Mr. Rowe said that the New York company will be made the defendant in an action for \$100,000 damages owing to its business methods in attempting to injure the Hampton concern.

BOOKER CHAIRMAN OF FINANCE COMMITTEE

Takes Important Place Made Vacant by Resignation of Richardson.

Mayor Thornton F. Jones yesterday announced that he has decided to appoint Mr. Hunter B. Booker as chairman of the council committee on finance as the successor of Councilman W. W. Richardson. Mr. Booker has been a member of the committee since his election to the council and he is regarded as one of the best fitted men in the council for this most important chairmanship.

Mr. George W. Rowe, also a valuable councilman, will be made the chairman of the committee on light and water as Mr. Richardson's successor, and in this Mayor Jones again displayed good foresight. Mr. Rowe is a young man and has been a most valuable member of the council.

Mr. J. S. Wyatt, Jr., elected to fill the vacancy caused by Mr. Richardson's resignation, will be named as a member of both the finance and light and water committees.

Mayor Jones said yesterday that he also made some other changes in the rearrangement of the committee brought about through Mr. Richardson's resignation.

FUNERAL OF MR. SHIELD.

Services Conducted at St. Paul's Episcopal Church.

The funeral of R. Saunders Shield, who died at Washington Grove, Md., Tuesday, took place yesterday morning at 10:30 o'clock at St. Paul's Episcopal church. The service was conducted by Rev. Reverdy Estill, D. D., rector of St. John's church, Hampton, and interment was made at Greenlawn.

The pall-bearers were: Messrs. H. Morton Dulcheart, of Baltimore; Dr. Frank Shield, of Hampton; C. B. Nelms, Lud Harrison, John James, R. W. Reynolds, E. M. Braxton and Wayne Dunn, of this city.

SENT TO GRAND JURY.

Artilleryman Spring Charged With Robbing Charles German of \$10.

W. H. Spring, an artilleryman at Fort Monroe, was held for the grand jury by Mayor L. P. Furness. In the Phoebus police court yesterday morning on the charge of robbery from the person.

He is accused of having stolen \$10 from Charles German, also an artilleryman at the fort. Spring was unable to give bond for his appearance in court and was sent to Hampton jail.

GREAT NAVAL STATION GOES TO PEARL HARBOR

President Taft Approves Recommendation of Joint Army and Navy Board.

(By Associated Press.)

WASHINGTON, D. C., Nov. 11.—The recommendation of the joint army and navy board that Pearl harbor be made the great naval station in the Pacific was approved today by President Taft.

In doing this it was decided that a temporary naval station only would be constructed at Olongapo and the proposed improvement of Manila harbor be abandoned.

This will leave the protection of the Philippine Islands to the army.

The determination to minimize the fortifications in the Philippine Islands and to make Pearl harbor a great naval station, was not, it was explained today, because of any intention to withdraw American control over the Philippines. It was done, it was said, purely for reasons of strategy.

For years a fierce controversy has been waged as to whether the fortifications in the Philippines should be located at Olongapo or Cavite. The naval officers favored Olongapo and the army Manila Bay on the ground that Olongapo could not be protected from land attacks.

The big floating drydock Dewey is now at Olongapo and under the present plan will be retained there. Such improvements as are made at this point, now estimated to cost between \$200,000 and \$300,000, will be with the idea of removing the Dewey to some other port in case of danger from attack.

LAYMEN'S CONVENTION

(Continued from First Page.)

China, he took issue with people who had asserted that the missionaries had caused the uprising and said that the cause was a suspicion among the Chinese people, whether it was true or not, that there was desire on the part of some of the civilized nations to divide up Chinese territory among themselves. The missionaries, he said, simply came in to bear the brunt of the trouble caused by this belief.

Another Form of Conservation. Gifford Pinchot, in his address preceding the arrival of the President declared that the missionary movement as now being developed in this country, was another form of the conservation of national resources, in this case bearing upon the spiritual welfare of the people.

James Bryce, the British ambassador, was present during a large portion of the meeting. He occupied a seat on the stage while the President addressed the assembly.

AUTO RECORD FOR TWENTY MILES BROKEN

ATLANTA, GA., Nov. 11.—John Aiken, at the wheel of a National "forty," lowered another American track record at the speedway today. In a furious drive of twenty miles, in every moment of which he was closely pressed from behind, he set the new mark of 16:42.76. This is 11.5 better than Oldfield's record at Indianapolis.

George Robertson at last was able to enter a race and finished it. Yesterday and Tuesday he started in several events, but never lasted more than a lap or two. He spent his time searching for some minute, elusive defect which seemed to keep him in hiding in practice only to bob up as soon as a race was on.

Big Driver Still Smiling. The big blonde driver, smiling as he had smiled all through his ill-luck, withdrew from the 20-mile handicap at the end of the first mile, but came back grinning and faced the wire in the 10-mile handicap, which he won in a hard drive over Aiken and Harding, the latter in an Apperson, in 9:45.1.

He promptly repeated this performance in the 10-mile free-for-all handicap, although his time was slower, 98:59.5.

Elshew, in his Rancier, won the 20-mile handicap in the elapsed time of 17:36.15 or 53.29 slower than Aiken's pace in the stock car race for that distance.

Stock Chassis. One hundred and twenty miles, stock chassis, 231 to 200 cubic inches: First prize, Atlanta Automobile Association, trophy and \$500 in gold; second prize, \$200 in gold; third prize, \$150 in gold.

First, Marmion (Harroun), 1:49:26.4; second, Chalmers-Detroit (Matson), 1:57:22.92; third, Renault, (Bale), 2:09:15.2; fourth, Buick (Chevrolet), 2:09:30.12.

Between races a motorcycle race was run over ten miles, Harry Klebs, winning in 49:52.58. Twenty miles, free for all handicap;

First prize, \$150; second prize, \$50—Won by Disbrow, in his Rancier, with a handicap of 92.45; Harroun, in a Marmion, was second, and Stillman, in another car of the same make, third. Stillman's time was the fastest, 12:34.41.

Ten miles, stock chassis, open to all amateur drivers only for southern championships. First prize, cup; second prize, cup.

The same three cars and the same drivers which ran a similar event yesterday entered today. Yesterday Oldknow, in a Buick, defeated Rutherford, in a Stearns, by one one-hundredth of a second.

Comfortable Margin. Today Rutherford won by a comfortable margin. Travis duplicated his performance of yesterday, his Chalmers-Detroit finishing third. Rutherford's time was 8:42.62, twenty-two seconds ahead of Oldknow.

Twenty miles, stock chassis, 301 to 450 cubic inches: First prize, cup; second prize, cup—First, National, (Aiken), 16:42.76; second, Marmion, (Stillman), 16:46.86; third, Chalmers-Detroit, (Lorimer), 16:49.63.

Ten miles stock chassis, 600 cubic inches or under: First prize, \$100; second prize, \$50—First, Fiat, (Robertson), 7:47.71; second, National, (Aiken), 7:22.8; third, Apperson, (Harding), 8:23.17.

Four mile stock chassis, 180 to 230 cubic inches. First prize, cup; second prize, cup—First, Chalmers-Detroit (Matson), 4:05.5; second, Chalmers-Detroit, (Knipper), 4:08.5; third, Buick, (Nelson), 4:10.1.

Ten mile, free for all handicap: First prize, \$150; second prize, \$50—First, Fiat, (Robertson), 8:39.8; second, National, (Aiken), 8:50.25; third, Marmion, (Stillman), 8:50.53.

COSTA RICA INVADED BY ZELAY'S FORCES

PANAMA, Nov. 11.—Passengers arrived here from Central American ports, confirm the reports that the forces of President Zelaya of Nicaragua have upon several occasions invaded Costa Rican territory, in order to attack the Nicaraguan rebels who are in control of the district bordering on the San Juan river. They also state that the government of Costa Rica had protested against these invasions, hurried troops to the frontier, and appealed to the United States to intervene.

Mail advices say also that President Zelaya declares that Salvador is assisting the rebels, who under general Prudencio Alfarez with troops will endeavor to ferment a revolution in Salvador.

The ultimate purpose of this move is to involve as much of Central America in international and external conflicts as is possible.

WASHINGTON, D. C., Nov. 11.—Strong diplomatic representation on the part of the state department have resulted in the release by the government of Honduras of the American gasoline launch Paris, which was seized. The launch, which is the property of the Fort Polk Gasoline Plantation Company, of New York, was recently pressed into service by the revolutionists at Bluefields, Nicaragua.

On the arrival of the launch at Puerto Cortez with a single passenger on her way to Puerto Barrios, the vessel ran out of fuel and was obliged to put in there. She was seized by the Honduran authorities on the ground that she carried a sympathizer of the Nicaraguan revolution and that her clearance papers were irregular.

The United States, however, insisted that the vessel should be returned to its owners, but only after repeated representations was the restoration accomplished. Recent developments in Central America seemed to indicate, officials believe, that Honduras is in full sympathy with the Zelaya government and that she has gone so far as to render substantial aid toward the support of operations by the revolutionists. This would be a violation of article 2 of the Washington convention. So far as the state department is able to decipher from dispatches it had received the revolutionists are making substantial headway.

LOOK BUSY! Look busy as you rush along. That is the proper dope. Don't amble calmly with the throng; Adopt a jerky lope. Ignore the signs of rising wrath. Consider life a fray. And elbow people from your path in energetic way. Beat Father Time into a pulp. He hasn't any friends. Consume your luncheon at a gulp. And talk of dividends. Act always like a man who has A lot of vim and go. And people will describe you as A human dynamo. —Philadelphia Star.

A babbling brook is probably so called because it can't keep its mouth shut.

When company calls strike a match and have your parlor warm in a few moments. Get a Gas Heater. 12.

ALDRICH SPEAKS FOR CENTRAL BANK POLICY

Says Reformation of System is Necessary to Prevent Prices—Appeal to West.

(By Associated Press.) DES MOINES, IOWA, Nov. 11.—Senator Aldrich talked here tonight to the local Bankers' Club. He again discussed the necessity for the reformation of the banking and currency laws providing against panics like that of 1907. He went into details concerning the operations of central banks in Europe.

This is the home of Senator Cummins, who has shown an inclination to antagonize the Aldrich policies. Mr. Aldrich's only allusion to Mr. Cummins in his speech here was made in connection with mention of the name of the late Senator Allison and was made in a way that could not have aroused any but the kindest feeling.

Mr. Aldrich was the guest of honor at a banquet given at the Avery hotel. In his address Mr. Aldrich spoke especially of the growing importance of the west, affording the best reason why the people of Iowa should desire a stable banking system and he appealed to them to join with him in devising a plan that would place the United States in advance of all other nations as a financial center. Here he gave somewhat more attention than elsewhere to the part that commercial paper plays in the banking systems of the old world. This he explained was not done for the purpose of securing the adoption of European plans in the United States, but to indicate a possible means of increasing credit in case it should be desirable to go abroad for suggestions looking to an improvement over our monetary system.

MR. MOORE IS HONORED. Popular Councilman is Made Life Member of Hampton Lodge of Elks.

In recognition of the work he has done for the lodge, Hampton Lodge, No. 366, B. P. O. Elks, has unanimously elected Mr. Frank W. Moore a life member of the lodge. Mr. Moore was unable to be present at the meeting of the lodge Wednesday night and a committee was named to inform him of the action taken.

He was the chairman of the Elks' fair committee and is a past exalted ruler of the lodge. In all things that have been for the advancement of the lodge, Mr. Moore has taken an active part and he is liked by every "horned" man in Hampton.

Mr. Moore is a member of the Hampton city council.
