 "Support the Mechanic."
 WE respectfully announce to the pub-
 lic that we have this day entered
 into copartnership, for the purpose of carry-
 ing on a cheap and economical business in
 all the departments of *Carpentering, House
 joining, cabinet-making, &c.* We have tak-
 en the old stand formerly occupied by John
 Lennex, where we are fixing for the prompt
 and efficient execution of all work that may
 be entrusted to us. Our object is to work
 for a reasonable reward.
 We will have a neat horse, and promptly
 fill all orders for coffins, sent to us. In this
 department, our prices will be much lower
 than that heretofore charged, while our jobs
 shall give entire satisfaction.
 We ask of the public a fair trial, being de-
 termined to succeed by industry and atten-
 tion to business. Orders in our line, from
 town or country, promptly attended to.

\$500 REWARD!
 FOR the apprehension and delivery to the
 Sheriff of Carroll county, Miss. of JAS.
 WESLEY CONNER, who, without any pro-
 vocation, shot down my son, J. D. Pate, on the
 17th of July, 1851. Said Conner is 23 years
 old, about 6 feet high, dark complexion, black
 hair and eyes, very heavy eyebrows, rather an
 underlook, very white teeth, and walks erect.
 It is supposed that he will make his way down
 to Wilkinson county, in this State, or New Or-
 leans. Papers favorable to the cause of Justice
 will please copy.

STOP THE SLANDER.
 BY an advertisement, published in several
 newspapers, Mr. A. Pate has charged, un-
 der the caption, "Stop the Murderer?" James
 Wesley Conner, with having "shot down my
 son James D. Pate, without any provocation
 whatever, on the 17th day of July, 1851."—
 The statement is false and slanderous. No
 murder has been committed by Jas. W. Con-
 ner. James D. Pate is living and recovering
 from the effects of his wounds—wounds pro-
 duced by a series of insults and injuries done
 to Jas. W. Conner, and a widowed sister, such
 as he must have been either more or less than
 a man not to have resented. Let a candid
 public hear and judge between the parties.
 THOS. G. CONNER.

PIANO FORTES.
 MANUFACTURED by Messrs. Hallett, Da-
 vis & Co., of every variety of style and
 finish, of 6, 6 1-2 and 7 octaves, with and
 without iron frames, and finished with the
 French or English actions. We also manu-
 facture the *New Circular Scale* instrument,
 possessing many advantages, one of the most
 prominent of which is *increase of power.* We
 likewise manufacture the *Piccoco* or *Bocora*
 PIANO, the action of which is very powerful
 and elastic, (being made after the principle of
 Erard's celebrated *Bordona* PIANO.) The
 frames being made of *Metal*, instead of wood,
 places its durability beyond question, and in
 this respect, as well as in volume and purity of
 tone, it is superior to anything of the kind
 manufactured in this country. Messrs H. D.
 & Co. have been awarded a number of medals
 and diplomas for their superior Pianos.
 These instruments are warranted to give satis-
 faction in every particular. Orders prompt-
 ly filled by

ASTONISHING CURE OF THREE CANCERS.
