PROSPECTUS

For publishing in the City of Washington, a Democratic Newspaper, to be called

"THE CONSTITUTION." THE CONSTITUTION.

The undersigned, having purchased the materials of The Spectator, will issue, on or before the 10th inst. the first number of a new paper to be called "The Constitution." It will be devoted to the steady advocacy of that system of measures which will preserve unimported the sacred instru-

called "The Constitution." It will be devoted to the steady advocacy of that system of measures which will preserve unimpaired the sacred instrument from which we borrow the name; and as constantly oppose whatever is not sanctioned by it. We shall unceasingly oppose a National Bank—a Protective Tariff—Internal Improvement by the General Government—a Distribution of the Proceeds of the sales of the Public Lands—Assumption of the State Debts—an abrogation of the Executive Veto, as unconstitutional and inexpedient.

We hope to make the paper worthy of the confidence and support of the Democratic party. It shall be the faithful expositor of their peinciples, and the ever ready medium to convey their sentiments and wishes to the public. The Democratic cause, is the cause of truth and justice. It courts the light. It shuns no investigation. And we are determined to be principles, rather than to the men, of our party—of further the great cause of human progress, rather than to the men, of our party—of further the great cause of human progress, rather than the mere advancement of particular individuals, will not commend itself to the confidence and favor of the people.
