A few days ago a company was formed in this city who purchased from C. J. Wagner the whole and exclusive rights for the Hawaiian Islands to manufacture and use the Peerless Preserving Paint. There have been numberless attempts to produce an article which would preserve and at the same time protect the various roofs over buildings on these islands all of which have met with more or less success, but each possessing some weakness in point or quality which has rendered it practically useless in carrying out the purpose for which it was intended. It had been left with Mr. Wagner to place upon the Hawaiian Market a paint which by experiment and in actual use during the past few years has fulfilled every requirement and the Paint is guaranteed not to scale, crack, or run it being possessed of a body when applied in which there is no oil spirits or evaporative substance. The main features which the new company offers for its use upon roofs and its thorough resistance to any action of hot or salty atmosphere and its wonderful preserving qualities which fully prevent any rust or decay, besides being a preventative from the ravages of pests. The Peerless Preserving Co., are prepared to send skilled workmen for the purpose of applying the paint and every contract taken by the company is fully guaranteed. The prices for this work including labor and material are very moderate considering that the guarantee is against leaks, etc., for a period estimated upon the age and condition of the roofs when the work is performed. The Peerless Preserving Co., will on application at their office, 87 King Street, examine your roof and give estimates free of charge, also on bridges, porches, etc.

HIRES ROOT BEER

Advertisement for Hires Root Beer, featuring the product name, 'Suppose Niagara's end less stream...', and 'The most APPETIZING and WHOLESOME BEVERAGE'.

Good all the time. It removes the languor of morning, sustains the energies at noon, alls the weariness of night--HIRES ROOTBEER--delicious, sparkling, appetizing. Good as luxury, good as a tonic. It is beyond all dispute a wonderful health-giving drink, and it is very easy for any one to understand why this is so. The root, berries, bark and herbs, from which HIRES ROOT BEER is skillfully made, are the identical things from which physicians get their most helpful remedies. For instance: Do you believe that sarsaparilla is a valuable remedy? Well HIRES ROOTBEER contains more sarsaparilla than many sarsaparillas. The same is true as to other ingredients. It is doing more to advance practical temperance than many people realize. It is used and recommended by the most cautious and conservative temperance people. The most scrupulous abstainer can enjoy HIRES ROOTBEER heartily, and recommend it to others as an agreeable and healthful substitute for the strong drink which he opposes. It is a homemade and homelike beverage. It is very easily prepared, and if the plain directions are followed, it will always be good. Every member of the family, from the baby to the grandfater, can enjoy HIRES ROOTBEER, and every one of them will have better health for each swallow they take. It improves the appetite, purifies the blood, and tones the whole system. Children especially delight in HIRES ROOTBEER. Its preparation interests them, and its use does them good. In thousands of homes, "HIRES ROOTBEER that mother made," will be among the happiest recollections of childhood. BEWARE! Do not confound it with other Rootbeer preparations, as it is entirely unlike anything else of the kind. Beware of extracts advertised for making Rootbeer, as they are composed chiefly of coloring matter and oils to give them flavor, which excite the nerves and cause nausea. Hires Improved Rootbeer packages makes really the most harmless of our fashionable drinks, yet nourishing and strengthening the blood. It cleanses the system of the poisonous humors that develop in kidney and urinary diseases, and in fact, in any case that arises from an impure state of the blood. Hires Improved Rootbeer is offered to the public with full confidence of its merits. It contains no poisonous or injurious properties whatever, and its use will not be attended with per- fect safety.
