THE FRIEND MURDER CASE.-A special term of our Circuit Court having been set for the trial of the alledged murderers of Jacob Friend and family, on the 15th inst., much interest and feeling were manifested on the occasion, and quite a concourse of people were assembled to witness the proceedings. The non-attendance of witnesses, however, induced the attorneys for the State to apply for a continuance to the March term, which was granted, at which time the case is again set for trial. - St. Joseph Gazette.
