I have recently treated scores of stubborn cases for some of the best citizens of St. Louis and vicinity, and not a single failure nor an unpleasant result has been reported. What I have done for others I can do for you. There is absolutely no case of Yaws, Stricture or Gonorrhoea, or any other venereal disease, that I cannot cure safely, quickly and permanently. I also cure completely and forever men who have Emissions, Drains, Small or Weak Organs, Prematureness, Lame Back, Inflammation of Bladder or Kidneys, Fading Memory, Nervousness, Loss of Ambition or similar symptoms of physical, mental and sexual weakness. My counsel is free to patients, and to physicians having obstinate cases to treat. "I am sorry you are in trouble. I killed Goebel. He knew I would do it. Ten minutes after the shooting I watched the crowd in the Statehouse yard from the Fort Hill. I went to Georgetown and took a train, landing at Cincinnati the next day. At Kansas City I got scared and went to Oklahoma before coming here. I am on a ranch out here, and those who know me in Kentucky would not know me. I am in the work of a ranch, but the style of the letter, the good penmanship, etc., make a mystery. He has turned the letter over to his counsel."
