CITIZEN CLOSES CASE AGAINST FITZGIBBON

Defendant's Counsel Seem Certain That the Suspended Registrar Will Be Exonerated.

DEFENSE WILL BEGIN TO-DAY.

Council Holds Night Session, Which the Older Members Oppose and the Younger One Favor.

After a session of the City Council, which lasted until after 9 o'clock last night, the city rested its case against P. R. Fitzgibbon, the suspended City Registrar.

The defense will begin examining witnesses this afternoon at 4:30, at which hour the Council will again take up the trial.

The chief testimony yesterday was furnished by Adolph A. Hunkeler of the Woodward & Lothrop Printing Company and George W. Lovell and S. D. McCullum of the Buxton & Skinner Stationery Company.

On cross-examination, however, the witnesses admitted that they had not taken into consideration, in figuring their estimates, the number of changes which were required in the original work, the additional cost of emergency and the quality of material used, all of which, they said, had made a difference in their estimates.

James R. Harris, Chief Deputy Assessor and Collector of Water Rates, the last witness for the prosecution, stated that he had rejected several printing bills because, in his opinion, the prices charged were exorbitant.

In reply to a question from Attorney Campbell, the witness stated that he had not rejected several printing bills because, in his opinion, the prices charged were exorbitant.

SUMMONED TO WITNESSES. The defense announced that it would be ready to proceed with the case this afternoon.

Summing up the testimony of the various witnesses for the city, Perry Post Taylor, City Attorney, who has charge of the prosecution, stated that, in his opinion, a long case had been made against Fitzgibbon.

The Mayor's former secretary, Mr. McConkey, who framed the charges, and who occupies a seat behind the City Attorney, stated that he knew nothing about the charges.

Mr. Campbell, who represents Fitzgibbon, enters a different view of the case. The city has failed to prove that Fitzgibbon was guilty of the charges.

The defense announced that it would be ready to proceed with the case this afternoon.
