BISHOP J. J. GLENNON IS NAMED COADJUTOR TO ARCHBISHOP KAIN.

Cardinal Gotti, Secretary of the Propaganda, Officially Cables the Pope's Confirmation of His Selection.

SUCCEEDS TO ST. LOUIS SEE.

He Was First Choice of the Suffragans of the Diocese and Second on the List Sent to Rome by the Priests.

ONLY THIRTY-NINE YEARS OLD.

New Metropolitan, Who Is Coadjutor Bishop of Kansas City, Will Conduct Ordination Ceremonies at Kenrick Seminary To-Day.

Bishop John J. Glennon, D. D., of Kansas City, was yesterday appointed coadjutor of St. Louis, with right of succession as Archbishop at the death of Archbishop Kain.

The appointment was officially announced in a cablegram from Cardinal Gotti, secretary of the Propaganda at Rome, to Archbishop Kain.

It was received by the Archbishop at 5:30 p. m. It read: "The Pope to-day confirmed the nomination of the Congregation of Bishop John J. Glennon as coadjutor of St. Louis."

Immediately on the receipt of the cablegram Archbishop Kain telephoned the Reverend D. S. Pheasant, editor of the Western Watchman, informing him of the contents of the cablegram.

BISHOP GLENNON TO ARRIVE THIS MORNING. Bishop Glennon will arrive in St. Louis this morning and will officiate at ordinations at Kenrick Seminary, Nineteenth street and Cass avenue, which take place to-day, to-morrow and Saturday.

BISHOP J. J. GLENNON, Of Kansas City, who has been confirmed by the Pope as coadjutor to Archbishop Kain.

When Archbishop Kain assembled the consultors and irremovable rectors of the diocese at Kenrick Seminary to select three names to be sent to Rome for coadjutor he named Bishop Glennon and Bishop E. J. Dunne of Dallas, Tex., as acceptable candidates.

Bishop Dunne's name was placed first on the list, Bishop Glennon's second and Bishop E. J. Messmer of Green Bay, Wis., was the third choice.

While Bishop Dunne's name was placed first on the list, it did not necessarily follow that he was Archbishop Kain's first choice. It was the feeling of the priests that either he or Bishop Glennon would be acceptable to him.

At a meeting of Archbishop Kain and his suffragan Bishops shortly afterwards, Bishop Glennon's name was placed first on the list and Bishop Dunne's second. Bishop John J. Hennessy of Wichita, Kas., was substituted for Bishop Messmer.

The Archbishops of the country approved the selection of the Bishops. WILL BE GUEST OF FATHER NUGENT.

Bishop Glennon will be the guest of the Very Reverend F. V. Nugent, C. M., president of Kenrick Seminary, during his first three days as coadjutor of St. Louis.

Since Archbishop Kain's health rendered him unable to officiate at ordinations and other ceremonies, he had to call upon some of the other Bishops to act for him. In this manner Bishop Glennon was requested to officiate at the Kenrick Seminary ordinations.

The ceremonies at the seminary will be delayed a couple of hours to await the Bishop. The hour set for such ceremonies is 6 a. m. To-day they will begin at 3 o'clock. To-morrow and Saturday they will commence at the regular hour.

It has been arranged for Archbishop Kain to dine with Bishop Glennon at the seminary at 12 o'clock to-day. This was, however, by a previous arrangement.

No special invitations have been issued for the dinner to-day, which will be a formal affair. Besides the two Bishops, Father Nugent and the other members of the seminary faculty, it is not expected that any other guests will be present.

Bishop Glennon was born in the County Meath, Ireland, June 14, 1862. He received his classical education in St. Mary's College in Mullingar. He studied theology at All Hallows College in Dublin, which is in charge of the Lazarist order.

MISS ROOSEVELT RECEIVES POPULACE OF PORTO RICO.

President's Daughter Honored With a Reception at San Juan, Where She Shakes Hands With Citizens—Departs for Interior, Escorted by Governor's Family.

PALACE OF GOVERNOR HUNT WHOSE GUEST MISS ROOSEVELT IS. This imposing building formerly was occupied by the Spanish Governor General of Porto Rico. After her visit through interior towns, accompanied by the Governor's family, she will again be a guest at the palace for several days before her return to Washington.

San Juan, Porto Rico, March 25.—There was a grand reception at the theater here yesterday evening under the auspices of the Citizens' Committee in honor of Miss Alice Roosevelt, following an elaborate display of fireworks on the plaza, which lasted until 10 o'clock, and was witnessed by Miss Roosevelt, who received a tremendous ovation from the people gathered on the plaza and on the roofs of the houses.

One of these pieces, representing President Roosevelt, was 25 feet high. The interior of the theater was decorated profusely, and displayed the word "welcome," formed of electric lights.

Miss Roosevelt spent two hours shaking hands. She departed for the interior to-day, accompanied by Governor and Mrs. Hunt, Miss Elizabeth Hunt, Thomas Hunt, the Governor's brother, and Mrs. Thomas Hunt, Miss Beatrice Buck, the Governor's ward, and Secretary Bliss.

The party will be away four days, and will visit Cayey, Ponce, Mayaguez and the intermediate towns, as well as the principal sugar estates. The inhabitants of Ponce have planned a big reception for Miss Roosevelt.

DIPLOMATS COMING TO FAIR DEDICATION

Twenty-Five Ambassadors and Foreign Ministers at Washington Accepted Invitations.

ONLY THREE HAVE DECLINED.

Ladies of Embassies Will Not Occupy Party to St. Louis on Account of Necessity for Very Hurried Trip.

Washington, March 25.—The attendance of the members of the diplomatic corps at the dedication ceremonies of the World's Fair at St. Louis on April 30 and May 1 and 2 will be larger than upon any similar occasion, if the responses received at the State Department to invitations extended by the Fair management are an indication.

Out of the thirty-six embassies and legations at Washington, the twenty-five have declined to the State Department that they will be represented either by the Ambassador or Minister or by a charge of equal though temporary rank. So far only three declinations have been received, while eight have not yet responded.

As it stands to-day, assuming that the head of the embassy or legation in each case will go where acceptances have been noted, the following will attend: The Russian Ambassador, the Mexican Ambassador, the Italian Ambassador, the British Ambassador, the French Ambassador, the German Minister and Special Envoy, the Minister from Guatemala, the Haytian Minister, the Brazilian Minister, the Costa Rican Minister, the Japanese Minister, the Peruvian Minister, the Bolivian Minister, the Korean Minister, the Argentine Minister, the Chilean Minister, the Colombian Minister, the Portuguese Minister, the Swiss Minister, the Salvadoran Minister, the Venezuelan Charge d'Affaires, the Uruguayan Charge d'Affaires, and the Dominican Charge d'Affaires.

The Austrian Ambassador, the Minister from Denmark and the general aid-de-camp to the Shah of Persia are the only members of the corps who have declined the invitation.

It has been decided that owing to the rapidly with which the party will move, it will not be feasible to have these diplomatic representatives accompanied by the ladies of their household, a fact which has caused keen disappointment in some quarters.

THIRTY MANUFACTURERS OF AUTOS WILL BE DICTATORS OF THE TRADE

Form an Association With Iron Clad Agreements for Direction of the Business—Control Four Hundred Patents Valued at Millions of Dollars.

REPUBLIC SPECIAL. New York, March 25.—Of vital importance to the automobile world and to the future of self-propelled vehicles is the association now forming among leading manufacturers of gasolines and other liquid-using machines in the United States.

Within the next ten days, it is thought, the necessary papers will have been signed and a business, now disrupted by almost unaccountable lawsuits and other litigation will be cleared and guided by ironclad agreements.

Thirty manufacturers are to be members of the association. Controlling or owning, as they do, 400 patents, valued at millions of dollars, they will be absolute dictators of the trade.

LEGISLATORS ARE INVITED TO RETURN

Grand Jury Investigating Legislative Corruption Endeavors to Get More Witnesses.

STONE CANNOT GET HELP.

Prominent Jefferson City Attorneys Decline to Assist in Prosecution—Inquiry Into Violation of Sunday Laws.

By a Staff Correspondent. Jefferson City, Mo., March 25.—Invitations have been sent by the Grand Jury to legislators asking them to return to Jefferson City and tell what they know about boodling in the Forty-second General Assembly.

In view of the extraordinary exodus of these important witnesses, residents of the capital are wondering how many will accept the invitation.

By the law members of the Assembly cannot be attached until fifteen days after the adjournment of the session. They can only be requested to return. Information regarding the identity of the legislators which the Grand Jury desires to interrogate is withheld, court officials announce that the trials to-morrow are expected to bring some of the absentees back.

BARTENDERS EXAMINED. Pending the appearance of these witnesses the Grand Jury to-day occupied most of the time with the examination of witnesses who have information on the subjects of violation of the Sunday-closing law and bucket shops. Seven or eight bartenders were before the Grand Jury to-day. Doctor J. H. Forth, Republican nominee for Mayor; J. H. Conrath and Anton Killian, all residents of Jefferson City, are supposed to have testified on this subject.

Representative George Stangl and Emmett Gordon, a telegraph operator, were before the Grand Jury, supposedly in reference to boodling in the Assembly.

Developments of the past few days have shown that Judge Hazell and Prosecuting Attorney Stone are far from being fact friends. It is said, the Grand Jury of the party and the friends of each do not waste words in discussing the work of the two men.

LAWYERS DECLINE TO HELP. It is said that Mr. Stone has asked nearly all of the leading attorneys in Jefferson City to assist him in his case, but that they have refused. Silver and Brown are among those who declined. Both stand high in the bar of the State. Silver was a candidate for the Supreme Court nomination.

Several reasons are assigned for the attitude of the local attorneys. One is that, if indictments were found, the expense to the county would be considerable. Some of the attorneys who have been approached are said to have been retained by the "defense" whoever that may be.

Stone asked for assistance, not because he doubted his own ability, but because of criticisms which appeared when the Grand Jury was summoned.

A COINCIDENCE. A curious coincidence has resulted from the investigations of the Inquisitorial body. This morning, it is said, the Grand Jury submitted a statement to Judge Hazell stating that I. L. Page and N. C. Hickox stood on their constitutional rights and refused to testify regarding money which was found in their possession.

Hickox is one of the leading assistants of Judge Hazell in securing his nomination and election. It is also said that Judge Hazell did not call the Grand Jury until he had advised with J. G. Slate, better known as "Jack" Slate, a former legislator and now a Jefferson City attorney. He assisted Judge Hazell in the management of his campaign in Maries County.

KANSAS DEMOCRATS IN FAVOR OF FRANCIS.

Conference in Central Part of State Decides to Send Delegation to Him—A Leader's Opinion.

REPUBLIC SPECIAL. Topeka, Kas., March 25.—Leading Kansas Democrats are looking to D. R. Francis as the logical candidate for President. Claude Duval of Hutchinson, who made the race for Congress in the Seventh District last year, came here to-day and in a statement said Central Kansas Democrats at a conference at Hutchinson decided to send a delegation to the National Convention for Francis.

"We are for organization and harmony, not for reorganization and disruption," Mr. Duval said.

"Both elements of the party can support Francis and believe that he will develop into a most formidable candidate. I have heard some objection to Mr. Francis from Bryan men, but according to my way of thinking the objection is not well founded.

"A few Bryan men are displeased with the report that Francis would be satisfactory to the Cleveland Hill wing of the party. If it was wrong for Cleveland and Hill to break with Bryan it would be wrong for those who supported Bryan to condemn Francis, who was loyal to Bryan, for having the friendship of Cleveland and Hill. The same objection has been made regarding Judge Parker, and it, too, in my judgment, is unfounded."

RELIEF FOR MRS. ALTGELD.

Bill in Illinois Senate to Give Widow \$5,000.

REPUBLIC SPECIAL. Springfield, Ill., March 25.—Senator Carl Mueller of Chicago introduced a bill in the Senate to-day appropriating \$5,000 for the relief of Mrs. Altgeld, widow of former Governor John P. Altgeld.
