# TWO EVENTS.

# Nugent's

# GREAT MAY SALE

Starts To-Morrow

Seasonable, reliable, fresh, clean, perfect goods at much less than regular prices.

## The Reason.

Too few of this, too many of that—in the former case special prices are made to close out; in the latter, price inducements are made to reduce stock.

Every department is represented and the values are phenomenal.

# OUR MAY MUSLIN UNDERWEAR SALE

Starts To-Morrow.

Superb Stock. Matchless Values.

We made a tour of the country for material—Cambric, Lonsdale, Laces, Embroideries and Insertion—then we spent several weeks working with manufacturers of muslin underwear, offering suggestions regarding styles—the cut, trimmings, finish, etc.

THE goods have been made up, are everything we expected; if anything, are beyond our expectations.

The prices are lower than such fine goods were ever before offered for.

## The Announcement Of Either Of the Above Sales

Would tax the capacity of this great store; together, the result will be tremendous.

Many extra salespeople will be here to assist our already big army of clerks, extra wrappers to tie up your purchases and extra wagons to deliver them.

NOTE—For departments not represented on this page see our advertisement in "The Globe-Democrat."
