**HALE FIRE FIGHTERS**  
WEST END OF THE PIKE.  
The Greatest Spectacular Show Ever Presented to the Public.

The men used in this exhibition are picked firemen from the large departments throughout the country. Chief Hale, for twenty-two years Chief of the Kansas City (Mo.) Department, with the teams used now at the World's Fair, went to London in 1886 and Paris in 1889, and at the International tournaments at these places won the INTERNATIONAL CUP in every event. You can now sit in cozy seats and see the life lived by American firemen. Before you a fire breaks out in a six-story building, and you see the fire put out and people rescued from the building. It has been pronounced by all who have seen it the **Most Thrilling, Realistic and Greatest Exhibition on the Grounds,** and none who visit the Fair should fail to see it.
