St. Petersburg, Sept. 22.—Chief of Police Neldgardt was the object of an attempted assassination in Odessa this morning. A young man, whose identity has not been established, fired point blank at the chief at a distance of about six feet, but the bullet went wild. The assassin was about to fire a second shot when Prince Obolensky rushed forward and knocked the revolver from the man's hand. A desperate struggle then ensued, in the course of which the assassin drew a dagger and slashed Neldgardt in the hand, inflicting a severe wound. The assassin was arrested.

Reports Show Decrease in Face of Increased Population—To Verify by House-to-Door House Canvass.

Meager reports received at the office of the Board of Election Commissioners up to midnight last night from a dozen precincts indicated that the total registration would approximate 135,000. Secretary Ellermann placed the minimum at 120,000, but said that he believed, judging from the indications of a heavy registration in South St. Louis, that the total possibly would exceed 135,000. Recent political canvasses have shown that there are probably 200,000 qualified voters in the city.

St. Petersburg, Sept. 22.—The Japanese advance toward Mukden continues slowly, according to information received by the authorities here. Both official reports and press dispatches place Marquis Oyama's advance guard thirty miles south of Mukden, while stories printed in the foreign press that a great battle at Mukden has already begun are disproved by actual developments at the scene of operations.

DEMOCRATS MAKE SPLENDID SHOWING.

R. F. Coombs, secretary of the Jefferson Club, speaking of the registration in the city, said last night: "The reports thus far received from our ward committees are exceedingly encouraging. More than two weeks ago the Jefferson Club, through its ward men, engaged 400 canvassers to make a canvass of the 400 precincts of the city. Several days before registration began these canvassers turned in their books showing the relative proportion, Democrats, Republicans and Independents, in the several wards of the city. During the four days of registration these canvassers, together with 400 precinct men, worked to bring out the full Democratic vote.
