MUD LARKS' DAY AT NEW ORLEANS

Spencerian, Sylvia Talbot, Rainland and Lady Ellison Rev-eled in the Going.

BOY LEFT AT THE POST.

Shows His Class by Getting Second Place—Kills a Good Thing Heavily Played—Jockey McIntyre Bitten by Horse.

REPUBLIC SPECIAL.

New Orleans, La., Nov. 30.—The first muddy track of the season prevailed today, and the ones that like soft, underfooting had a good time of it. Mudlarks like Spencerian, Sylvia Talbot, Rainland and Lady Ellison romped home in front of their fields.

Kills, who ran a good race his first out in St. Louis, connected at a long price, and Swiftwing found the soft footing much preferable to the fast going which prevailed when he started last. Of these, Lady Ellison, Swiftwing, Sylvia Talbot and Rainland were short-priced favorites.

Spencerian, second choice to orthodox, was perhaps the season winner of the day. Orthodox, with 17 pounds up, was heavily played. The best ever laid against him was 11 to 20. He opened at 3 to 5, but the play on him was very light until it reached even money. Then the Easterners began betting and Spencerian made all the running. Orthodox went to her in the back stretch, raced with her to the turn home, then quit like a cur. Bernham's good mare fairly romped away from him and even Jim Arthur's ordinary pacer, Fairbank, beat him for the place.

ELLISON'S GOOD THING FAILED. Charlie Ellison tried to take a fall out of the ring with Swedish Lad in the first race. He and his friends backed the colt from 4 to 1 to 5 to 2, making him a slight choice over Presentment as second place was never prominent. Presentment was in the hunt for a moment, but Killa had things much his own way, and won as he pleased.

Swiftwing, favorite in the second, took the lead early in the race, and had no trouble holding it. Barkmore beat Little Egin in a drive for the place.

Lady Ellison was the easiest kind of a winner in the third. She took the lead at the end of the first furlong, and nothing ever got close to her. Dusky was a cheap second over Hudson, who just noded out Benborough.

Sylvia Talbot was a very easy winner in the fifth, though she finished so lame she could hardly walk. Gay Boy left at the post, ran as well as he could, but was placed under a very poor ride. It is a good horse.

RAINLAND WAKES UP. Rainland, favorite in the last, topped his field. Ghats was never worse than second, and handily held that place from Lady Free Knight.

Frankie Trevelyan stated today that he would not go to the track as spokesman for the Panama Park track, though he said that capacity, Mr. Trevelyan quotes Mr. Corigan as having expressed a hope that the track will be opened in the near future. Jockey McIntyre, while exercising a colt on the track this morning, was attacked by the animal, his arm being painfully lacerated.
