1,500 Dozen of the Celebrated Geisha Waists at About Half the Regular Prices
Waists worth \$1.50, \$2 and \$2.50 for **98c** Waists worth \$2.75, \$3.00 and \$3.50 for **\$1.50** Waists worth \$4, \$4.50 and \$5 for **\$1.98**

YOU can thank a dull market and our sharp buyer for this unusual Waist opportunity. He took all the makers (Frankenthal Bros., New York) had on hand. There was a good deal of sentiment in the transaction, as we were favored because of the vast volume of business we have done with this concern. The great concession we obtained in the price is fully shared with you.

GEISHA WAISTS require no introduction in St. Louis. We have sold them by the thousands, and they are known for their superior workmanship, style and fit. The lot we offer in this sale represents sixty-three of the very best styles; complete line of sizes in each style.

WE EXPECT to establish new selling records in the Waist Section the first day of this sale, and have made unusual preparations—more selling space and more salespeople. The character of the Waists and the extremely low prices will prove a great buying incentive.

WE SHOW in the above illustration a dozen of the sixty-three different styles. From them you can get a general idea of the appearance of these Waists, but the splendid workmanship, superior fit and the exceptionally good materials and trimmings used cannot be brought out. Those who have worn Geisha Waists will best appreciate the importance of this sale.

GEISHA WAISTS are up to the minute in style. The stock collars are unusually pretty, and they have the new full cuff sleeves; most of them are open-back styles, a few open-front and side-button effects. The materials are the very best French lawns, dotted swisses, India lincens and batiste of the very lightest and sheerest qualities. They are trimmed with exquisite laces in Valenciennes or heavy effects; also medallions, tucks, plaits and hemstitching; some are trimmed with strips of embroidery, others have all-over embroidery fronts. Most of them have long sleeves; about fifty dozen have short elbow sleeves. Every little detail in the making of these Waists has been given most careful attention, and you will find each Waist clean and fresh, nicely packed in a separate box. We open this sale with a feeling of conviction that it will eclipse all previous Waist events. On sale in 3 divisions:

Waists worth \$1.50, \$2 and \$2.50 for 98c **Waists worth \$2.75, \$3, \$3.50 for 1.50** **Waists worth \$4, \$4.50, \$5 for 1.98**
