BOSS COX LOSES CLEVELAND.

Estimated That Herrick's Plurality in 63 Counties Out of 80 in the State is Only 820.

"BOSS" COX FORMALLY RETIRES FROM POLITICS. Cincinnati, Nov. 7.—George B. Cox, the well-known Republican leader, to-night gave to the Associated Press the following statement withdrawing from active service in the Republican party: "Now that the election is over and the people have manifested their preference for city, county and State officials—and I sincerely trust they have selected wisely—I wish to announce to the public that from this day, after twenty-five years of active service in the ranks of the Republican party, my personal activity in politics shall cease. I will continue to vote the Republican ticket, but others must bear the burden of future campaigns. To the local Republican organization and the many friends that have stood with us in the past I tender most grateful thanks for their unswerving loyalty and support. I hope for their future good will. Respectfully yours, GEORGE B. COX."

GARESCHÉ WINS; COYLE DEPARTS

Former Mayor of Madison Leaves Town Upon Clean Sweep for Citizens' Party.

BUT ONE TICKET VOTED.

Of the 418 Ballots, 417 Were Cast for Garesche, 17 Being Defective, However—Special Meeting To-Day.

Following an election, which was held with but one ticket on the field, and which resulted in a clean sweep for the Garesche faction, former Mayor Coyle of Madison departed with his son and daughter-in-law, leaving the town on the 1:17 train yesterday afternoon. While his destination was unknown, not even his closest friends having been informed that he intended to leave the town, it was freely suggested that he did not care to remain in the city until affairs after the election had been straightened out. The intense feeling shown by citizens the previous evening, it was said, might have had something to do with it. Of 418 ballots cast in the course of the day, 400 were for the Garesche faction throughout, it was defective and 17 was a ballot cast for Coyle, the name being scratched on a Garesche ticket. The election was one of the most singular ever held in Madison, inasmuch as but the one ticket could be voted. The sole disturbance recorded in the course of the day was an attack on Edward F. Callon, editor of the Madison Advocate, who became involved in an altercation with two young men, and who was severely wounded. Callon, it is said, had started to make remarks about the ticket on the field, using language to which his assailants objected. The Advocate is the organ of the Coyle faction and has been one of the campaign organs instituted recently. As soon as the election result was announced, although the outcome was a foregone conclusion from the beginning, a crowd of about 600 citizens marched to the home of Mr. Garesche, who made a speech and outlined his policy for the future. He also stated that a special meeting would be called to-day to take up immediate action. The result places the town in the hands of the Citizens party, which has been striving for its reorganization for several years and in the course of whose battle several violent struggles have occurred. The beginning of the end was when a determined fight was made on the Madison platform and when members of the Citizens party attempted to raid it. They were opposed by the gunners and some of the town militia, who fired upon them, seriously wounding two of the citizens. This affair of the authorities with the gunners led to a fight which was continued until the victory of yesterday.

REFORM VICTORIOUS IN PHILADELPHIA

Mayor Weaver and His Entire Ticket Elected by Plurality Estimated at 75,000.

DEMOCRAT STATE TREASURER.

Republican Plurality of 500,000 Last Year is Overturned—City Party Wins Roosevelt, Root and Folk.

Philadelphia redeems; "masquerade is over." Philadelphia, Nov. 7.—City Party Chairman Edmonds to-night sent the following telegram to President Roosevelt: "Philadelphia has risen to its opportunity and stands redeemed. The principle of honesty in government, so effectively espoused by you, has won an overwhelming triumph. Our majority approximates 75,000." To Secretary Root the following was telegraphed: "The masquerade is over. The criminal and corrupt combination has been driven from power by the righteous indignation of a great Republican city. We have only your gun. Our thanks to you for your splendid aid." REPUBLICAN SPENDING. Philadelphia, Nov. 7.—After a battle of ballots unprecedented in Philadelphia, the forces of good government, led by Mayor John Weaver, have won a sweeping victory all along the line. While the vote is slow in being returned enough has been learned to estimate the majority of the City party at from 50,000 to 75,000. This terrific upsurge was directed at the Republican organization, and its extent can be appreciated from the fact that the organization majority in Philadelphia two years ago for Mathews, State Treasurer, was 126,000. Incomplete returns from various parts of the State indicate the election of Berry (Dem.) for State Treasurer by a large plurality. Republican strongholds are showing unexpected gains for Berry. Lancaster County, normally Republican by 25,000 is in doubt. Dauphin County, in which Herrick, the State capital, is located, another Republican stronghold, gives Berry 1,200 plurality. Other Republican counties show the same enormous Republican losses. Berry nominated as a Democrat, was endorsed by the Independent Republicans and by the Prohibitionists. Philadelphia, Nov. 7.—United States Senator Penrose's ward the Eighth, which gave over 400 Republican majority last year, was carried by the City party by 50 majority. Herrick (Dem.) for State Treasurer has 25 plurality in the ward. Philadelphia, Pa., Nov. 7.—Complete returns from the Sixth Ward, the only one heretofore Democratic ward in the city, give Berry (Dem.) for State Treasurer 500 majority. (Continued on Page Two.)

MOB ATTACKED OFFICE OF MADISON ADVOCATE.

At midnight when Madison was supposed to have quieted after the election a crowd of about 200 persons descended upon the Advocate office, a newspaper which represented the Coyle element in the campaign, broke all the windows and wrecked the interior of the plant to a great extent. The tables and furniture were overturned and the machinery was moved as much as possible. The crowd dispersed rapidly, and it could not be learned who took part in the demonstration. Feeling created by the strife between the two political factions is supposed to have been responsible for the outbreak. No one was in the office when the attack took place.

THE ONLY BULLETINS.

The Republic's bulletin service has always been the quickest and best. Last night the bulletins began at 5:30, showing the closeness in New York and the reform victories in Philadelphia and Cincinnati. The other papers lumbered along at 7 o'clock, when there was little left to learn except the final announcement of the New York count. The Republic's news service is like its bulletins—first and best.

MAN WHO DOWNED THE BOSSES McCLELLAN AND JEROME ELECTED

WILLIAM TRAVERS JEROME

Hearst Only 3,000 Votes Behind Democratic Mayor and Says He Will Contest.

MANY PRECINCTS MISSING.

Bets May Be Held Up Pending Revision of the Count—District Attorney Triumphant by About 3,000.

SUMMARY OF YESTERDAY'S ELECTIONS.

NEW YORK. In New York City McClellan, Democratic Mayor, has beaten Hearst, Municipal Ownership candidate, by a small plurality, and Jerome, Independent, has defeated Osborne, the Tammany nominee, by about 3,000. Tammany loses control of Board of Aldermen and three out of five Borough Presidents. State cities, Syracuse and Albany are Republican. CHICAGO. Chicago Republicans elect entire ticket with exception of trustee on sanitary board. Robert R. McCormick (Rep.) was elected president of the board. PHILADELPHIA. Philadelphia elects the Weaver reform ticket by average pluralities estimated at 70,000. The election of Berry, Democrat, as State Treasurer by a large plurality seems certain. This means a slump of more than half a million votes. MARYLAND. Constitutional suffrage amendment is defeated by 15,000. Atkinson, Democrat, is elected State Comptroller. SAN FRANCISCO. San Francisco has re-elected Mayor Schmitz and the entire Union Labor ticket by majorities ranging from 10,000 to 15,000. MASSACHUSETTS. Massachusetts is carried by the Republicans, Curtis Guild Jr. being elected Governor by about 35,000. VIRGINIA. Entire Democratic State ticket is elected by about 20,000 majority. Republicans gain about nine votes in the Legislature on joint ballot. KENTUCKY. Barth, Democrat, is elected Mayor of Louisville and the entire Democratic city and county ticket succeeds by pluralities ranging from 3,500 to 7,000. The Legislature is safely Democratic. KANSAS. American party has elected Ezra Thompson, anti-Mormon candidate for Mayor. RHODE ISLAND. Governor Uter, Republican, is re-elected over former Governor Garvin by a slightly increased majority. Providence goes Republican and Newport elects a Democratic Mayor. INDIANAPOLIS. Bookwater, Republican, is probably elected Mayor over Holtzman, Democrat, by a very small margin. Heavy Democratic gains show in every precinct in city. SEQUOYAH. Returns from Sequoyah on the election held to ratify the Constitution indicate that about 70,000 votes were cast, practically all of them favoring the adoption of the instrument. NEW JERSEY. Spectacular campaigns in Essex and Hudson counties result in the defeat of two old bosses and the triumph of the limited franchise, equal taxation platform. NEBRASKA. Nebraska returns show that Letton, the Republican candidate for Supreme Judge, has carried the State by a majority of about 9,000.

At the last election McClellan polled 100,000 votes and Lowe 117,000. McClellan's plurality was 55,500. BULLETIN. New York, Nov. 8.—At 2 o'clock this morning the returns from the New York County in the district-attorneyship contest were in with the exception of eighty-two election districts. They give Jerome (Independent) 61,507, Osborne (Dem.) 100,230, Shearn (Municipal Ownership) 6,608, Flanagan (Rep.) 12,074, making Jerome's plurality 100,000. The members of the Law Committee of the Municipal Ownership League were in conference early this morning and decided that legal demands be made to-day or to-morrow (Thursday) at the latest for a recount of the entire vote cast in New York City. The Hearst men declare that the fraudulent voting throughout the city was the most flagrant that was ever attempted in the history of the city. The county of New York, with forty-six election districts missing, gives Flanagan 15,627, Osborne 104,130, Jerome 107,718. This gives Jerome a plurality of 3,585.

BY ASSOCIATED PRESS. New York, Nov. 8.—Returns up to 2 o'clock this morning indicate that George B. McClellan, Democrat, is re-elected Mayor of New York by 1,877 majority over W. R. Hearst, Municipal Ownership, and that William Travers Jerome, Independent, is re-elected District Attorney by about 3,000 over James W. Osborne, Democrat. Thirty-one districts are missing. At midnight Mr. Hearst declined to admit his defeat and declared his intention to contest the election. At that time returns from 24 election districts had not been received. This narrow margin is held by Hearst 26,320 and votes 18,228 votes. The following statement was issued at midnight by W. R. Hearst: "WE HAVE WON THIS ELECTION. ALL TAMMANY'S FRAUDS, ALL TAMMANY'S INTIMIDATIONS, ALL TAMMANY'S CORRUPTIONS, ALL TAMMANY'S LIKENESS, ALL TAMMANY'S FALSE REPRESENTATION, ILLEGAL VOTING AND DISHONEST COUNT HAVE NOT BEEN ABLE TO OVERCOME A GREAT POPULAR MAJORITY. THE RECOUNT WILL BE BY ANY EFFORT OF CRIMINAL BOSSER."

BY STAFF CORRESPONDENT. New York, Nov. 7.—It was chaotic in the foremost in a canvass in the result. On the face of returns from the missing precincts, George B. McClellan is re-elected Mayor of New York City by a plurality so small as to make his victory only a personal triumph for himself in its moral effect, a crushing defeat for Tammany Hall, rich to overflowing with party discipline. William Randolph Hearst, Municipal Ownership candidate, charges fraud, and will demand a recount of the votes by the courts. Returns up to midnight gave McClellan 238 plurality over Hearst, with 157 districts missing. This narrow margin is liable to be upset by returns from the missing districts or by an official count. The antithesis, independent sentiment of the voters of the city, represented by the Municipal Ownership ticket, completely obliterated party lines, left Mr. Ives, the Republican nominee for Mayor, a humiliating third and very nearly stamp the combined vote of Tammany Hall and the business Republicans. JEROME TRIUMPHANT. William Travers Jerome is elected District Attorney by a small plurality, after one of the most remarkable and dramatic campaigns in history, and in spite of being mixed up in a three-cornered fight, which gave him the triple handicap of machine opposition, treasury in influential circles and the extreme difficulty of having many more than 100,000 voters indolently split their tickets. The Board of Aldermen is in control of the Republican, in set of whose candidates won by virtue of being also endorsed by the Municipal Ownership party. This has been almost a foregone conclusion ever since the Republicans stole a march on Tammany by getting the endorsements of the independent organization. TIGER LOSES THREE BOROUGHS. On top of all these calamities is the Tiger, he has lost control of three of the boroughs in the city government. Color, the nominee of the Municipal Ownership party in Kings, has been elected Borough President, Bermei, the nominee of the Republican and Municipal Ownership parties in Queens, has been elected Borough President. (Continued on Page Two.)

STRUCK BY AUTO; DRIVER SPEEDS ON

Thomas A. Brady, a cook, who asserts that he is a brother of Governor Brady of Alaska, and a former partner of "Lucky" Baldwin, was run down and seriously injured by an automobile, driven by a man who fled from the scene, on the street at Jefferson and Scott avenues, to board a street car, at 6:30 o'clock last night. The driver of the automobile is said to have put on full speed and hurried away from the scene of the accident. Brady was removed to the City Hospital, where he was found to be suffering from concussion of the brain and a severe scalp wound. His condition is pronounced precarious. The automobile which struck Brady is described by Policeman Rogers of the Eighth District, who witnessed the accident, as being a large yellow machine bearing the number 253. He stated that the chauffeur appeared to be a boy of about 15 years.

SAN FRANCISCO CHRONICLE DAMAGED BY FIRE.

San Francisco, Cal., Nov. 8.—Shortly before midnight a fire started in the big clock tower on the Chronicle building as a result of the firing of bombs to announce the election results. Owing to the great height of the flames it was impossible to reach them even with the combined forces of the water towers and the familiar superstructure of the building was speedily reduced to debris, which toppled in blazing sections to the street below. The fire found its way down to the roof and a considerable portion of that part of the building was burned. In the tower was located the photographic department and below it on the top floor was the familiar superstructure of the building, which were damaged in no small degree. The fire came in the midst of the final preparations for the issue of the election edition and the courtesy of the use of the Examiner's plant was offered and accepted and the Chronicle this morning was printed on the premises of its contemporary. The blaze was extinguished at 1 a. m.
