

METEOROLOGICAL.

Thermometrical observations, made from 8 o'clock a. m. to 6 o'clock p. m., by R. C. Guirado, druggist, etc., No. 27 South Carson street.

Table with columns for DAYS, A. M., M., P. M. and rows for Sunday through Friday with temperature readings.

TRIAL JURORS.—The following named jurors for the term have been summoned to appear in the Second Judicial Court at 10 a. m. on Wednesday next, 30th instant: James Adams, John Burgoon, Oliver Cromwell, D. G. Corbett, Geo. Dail, John G. Fox, L. Bright, Wm. Buits, Henry Cahall, Frank Craven, Jno. C. Dotsey, Evan David, D. G. Kitzmeyer, C. W. Friend, M. D. Hatch, Jacob Johnson, F. King, Alex. Leforte, Geo. Murray, C. P. Stevens, V. A. Muller, A. S. Bryant, Jno. S. Bryant, Geo. B. Cowing, Jos. H. Chandler, James Duffly, J. L. Eaton, Robt. Fulstome, Thomas Beer, Robt. Crabb, A. B. Driesbach, Josiah Day, Geo. Gillson, W. D. Keyser, M. C. Gardner, S. E. Jones, A. Jacobs, Jno. A. Lovejoy, C. H. Maish, M. M. Gage, E. Walker, Jacob Sheyer, and Wm. McDonald.

IN A FIX.—The Silver Star Base Ball Club of this city has gotten itself into a bad fix by its late and second successful contest for the championship of the State. The club has already been challenged by the defeated Socias of Virginia City, and the Ground-hogs of Genoa are in their glory over the prospect of demolishing the Silver Star champions by an application of their 275 pound pitcher, who can double an iron door by pitching a ball against it. With the Silver Stars it appears to be victory and death, or defeat and safety—as the only avenue of escape from a contest with the sanguinary Ground hogs is in defeat and the loss of the championship.

CARSON MINT.—Business at the Carson Branch Mint has been steadily on the increase for many months past, until they are now working every department to its full capacity. Superintendent H. F. Rice deserves great credit for the conclusion of affairs that he has been chiefly instrumental in bringing about. The great bars of bullion that are daily to be seen in the office, fresh from the moulder's hands, are only trivial evidences of its successful workings, compared with the piles of gold and silver coin turned out every few days. An air of business and enterprise pervades the air about the establishment that is creditable to its manager.

"BUSINESS."—Our County Assessor won't stand any foolishness in the discharge of his official duties. Learning that a fair but frail one on Nevada street had \$1,000 deposited in bank, he called on her to pay the tax on that amount. She intimated that the officer might go to the fountain head of thermal springs. Yesterday the officer had her before Justice Parkinson, when she promptly paid the tax and costs.

DANCE TO-NIGHT.—The Pioneer Blind Troupe of vocal and instrumental musicians, will give an entertainment at the Glenbrook Skating Hall this evening, after which the troupe will discourse sweet music for a social hop. The blind musicians will repeat the above programme at Rowland's Lake House, on Monday evening next.

Ladies young and ladies old; the chance of buying dry and fancy goods at your own price, at the San Francisco Auction Store, next door to the Penrod House, will soon be gone. Attend the clearing sale at once. Room must be had for the new Fall stock.

TAXES.—George W. Chedie, County Assessor, gives notice elsewhere that the assessment roll will close on the 9th of next month, two weeks from to-day. Trouble and expense may be saved property holders by making returns within the time specified.

EDITORIAL VISIT.—Our sanctum was yesterday illuminated by the genial countenance of Charles H. Mitchell, of the Grass Valley (Cal.) Daily Union, who has been passing vacation at Lake Bigler, and who passed on home last evening via Virginia and Reno.

JOCKEY CLUB.—The Carson City Jockey Club will hold a meeting at the Magnolia Saloon this (Saturday) evening. All members are requested to attend, as well as those wishing to join.

STATE LAND.—Charles Robinson yesterday deposited with State Treasurer Schooling \$19 65 in currency, one-fifth payment, under section nine, act of March 4, 1871, for thirty-nine twenty-ninths acres of double minimum land belonging to the State.

C. C.—The Capital Commissioners will meet again at 10 o'clock this forenoon for the purpose of closing up the business of the commission.

PRIVATE MAIL.—Republicans ARE ungrateful. Last year Cave Rock precinct gave fifty-two Republican votes, with not a Democratic vote to counteract the evil, and yet a Republican administration will not allow a mail route to cross the precinct. It wants to hold those voters by keeping them in ignorance. But lately the people of Lake Valley and along the Placerville road have subscribed to keep a weekly mail running on their own hook, the five or six hundred settlers of that region having been totally abandoned by the Government.

CAVE ROCK PRIMARY.—Our old Democratic friend, H. M. Vesey, of Gold Hill and Virginia, and the untried C. W. Harvey, of Lake Valley, went up with Saxon to the Glenbrook yesterday. Vesey says that while at the Lake he intends to hold a primary election in Cave Rock precinct, just to see if there are fifty-two straight Republicans votes there.

A bet of \$10 to \$20 was made in town yesterday on the result of the California election—\$40 against \$20 that Haight will be the next Governor. The Republicans about here are not anxious to put up their money on Booth without odds.

RETURNED.—Samuel D. King, Sr., County Recorder of Ormsby county, who has been spending some weeks on the Atlantic seaboard, returned to his post day before yesterday.

TRANSFER OF MONEY.—The State Librarian yesterday transferred to the State Treasury \$279 91, proceeds of sales of Nevada Reports for 1870.

MILITARY.—C. C. Batterman has been commissioned Brigadier General of the Second Brigade Nevada Militia vice John B. Winters, absent from the State.

Superintendent Yerington returned from the West on Wednesday, where he has been on business connected with the Virginia and Truckee Railroad Company.

The travel to the southern mines from here has been noticeably on the increase for the past ten days. Billy Wilson's stages so loaded down to the guards every trip.

The mill men on the Carson River are taking advantage of low water, and are repairing their mills to rush work when the water rises, in the course of a few weeks.

Work is being pushed ahead with vigor on the railroad out of Reno to connect with the road at this point.

Our fruit stands are well supplied with rich, delicious fruit from California.

Horace Greeley's lamentable ignorance in all saving farming knowledge is now fully accounted for. In his Galveston speech he owns to having been educated with negroes, and says he did not hunt them. We would like to have the evidence of the negroes upon that point.

The Chronicle calls the straight-out Republicans of San Francisco the "Bellringers." Are they all colored men?

Pat. Carroll, a humorous and pleasing ink-slinger, is localizing on the White Pine News.

NOTICE.—The public are hereby cautioned against buying the water of a certain spring situate on the Lake Bigler Toll Road, about two miles from Carson, from W. D. Torreyson, or any person other than myself, the said spring being on my line of survey and claimed by me. E. D. SWEENEY.

FRESH FRUIT.—James J. Mandelbaum is receiving fresh fruit from California daily. He also keeps on hand all kinds of confectionery, notions, fancy goods, cigars, tobacco, toys, etc.

HANDSOME PICTURES.—We wish to draw the attention of ladies and parties furnishing, to as fine a set of pictures as ever have been exhibited in this city, which will be raffled for at the P. O. Bookstore as soon as the list is filled. The prizes are now on view at that place and consist of: 1st prize, 1 pair engravings—Horses & Dogs, by Landseer, value \$50. 2nd prize, 1 pair engravings, Challenge & Sanctuary, by Landseer, value \$40. 3d prize, 1 Oil Chromo, after Mayerheim, German, value \$20. The whole will be raffled off at 50 chances, at \$2 50 each. The holder of each ticket will have three chances of winning any one prize. Tickets may be obtained at the Post-office, or of Mr. P. T. Turner.

WONDERFUL, BUT TRUE.—J. F. Boardman & Co.—Gents: I have used all the White Sage Hair Restorative which you so kindly sent me, and on receipt of this letter please send me six more bottles. I have used several kinds of highly recommended Hair Restoratives, but none of them have had the same beneficial effect as yours in preventing the falling off of the hair, and restoring new hair with all its original strength and brilliancy. I take great pleasure in recommending it to the public. Yours, etc., JOHN S. MAYHUGH.
