VETERAN ODD FELLOWS' DAY

SPIRITED CELEBRATION OF WASHINGTON'S BIRTHDAY.

The Association's Annual Business Meeting and Banquet—A Large Number of Veterans Present—Tributes to Deceased Members—An Interesting Occasion. The annual meeting of the Veteran Odd Fellows' association was held in the Odd Fellows' hall on Crown street yesterday afternoon. There was a large attendance of the veterans, and many congratulations were interchanged and old fraternal ties further cemented.

Among those present were: Ex-City Sheriff Hollis, City Sheriff Bunce, Phillip Pond, Frederick Botsford, J. B. Judson, Horace Bowman, Norris Mix, Charles Nettleton, H. H. Bromley, G. E. Nettleton, P. B. Tuttle, M. Zunder, Paul Weil, D. R. Ailing, T. M. Cox, H. F. Davis, James Bounds, L. D. Howland, H. W. Crawford, G. L. Babcock, Albert Minor, William Grannis, J. W. Bradley, L. H. Lounsbury, J. P. Quire, H. R. Chaffee, Adolph Coit, E. H. Beardley, C. P. Jordan, J. B. Clemmons, W. H. Lord, E. B. Dibble, W. H. Spock, Vice Veteran, Bristol, George P. Merwin, Charles H. Merwin, Jerome B. Lucke, D. R. Adams, Ellzur H. Sperry, C. B. Foster, H. H. Foote, Francis Lawrence, Benajah H. Douglass, W. W. White, Professor B. Jepson, William Jepson, Ward Nichols, and others from New Haven and five or six members from Bridgeport, while Ansonia, Derby, Waterbury, Meriden, Hartford and other places were represented.

At the annual election the old board of officers was re-elected. Impressive were the annual exercises in tribute to the dead comrades of the year, who have passed away since the last annual. The necrological roll of names recorded the deaths of Brothers Kibbe of Hartford, Elery Camp of New Haven, Avery of Stamford and D. W. Hubbard, who passed away this week at the New Haven hospital. Remarks of eulogy were made by the grand master concerning Mr. Kibbe; by Grand Secretary Botsford, George B. Hoggson and Phillip Pond concerning Mr. Avery, and by Past Grand Master A. W. Phelps concerning Mr. Hubbard. Others added words of tribute to the memory of the deceased brothers.

At the business meeting the courtesies of the order were extended Brother Howland, who has lately removed to this city from Baltimore to reside here. The presence of so many Odd Fellow veterans of half a century or over was a great pleasure to all, including the venerable vets themselves. At call for the half century or more men seven stood up, and one more, William Jepson, brother of Professor Jepson, came in later, making eight in all. The oldest veteran of all was H. H. Foote, the well known merchant tailor, who is a veteran of fifty-five years and four months and a very bright and active old gentleman. Hon. A. W. Phelps is now the oldest veteran of Harmony lodge since the deaths of John Bogart of this city and Henry Warner of Hamden, the former of whom died a week or two ago and the latter of whom was buried this week. There are fourteen veterans of fifty years or more in Quinnipiac lodge and twenty in Harmony lodge.

There are fifty I. O. O. F. members of fifty years' standing or more in this state. Great pleasure was felt by all at the presence of Chief Veteran Hollis and his continued vigor, although ninety-two years of age; and at the presence of Vice Chief Bristol of Ansonia, who is an octogenarian. One of the liveliest octogenarians present was ex-Chief Engineer of the Fire Department Charles Nettleton, who is an octogenarian and is the oldest ex-member of the fire department in New Haven. Except for a twinge now and then of rheumatism, he is very hale and active. President Maier Zunder of the National Savings bank is forty-four years a veteran. He is of Germania lodge, and is only sixty-six years of age, and his old friend, Paul Weil, is eleven months younger. Both are very vigorous young men still, and active Odd Fellows, and told very pleasant reminiscences at the social time which followed after the banquet down in the big main I. O. O. F. lodge room. Ward Nichols, now in his seventy-fifth year, was as spry as a kitten and as genial as ever. John B. Judson had his hands full in taking care of the cash, overseeing the recording of names and otherwise assisting in the financial and other work of the hour.

Mayor Hendrick arrived from the big celebration at the Hyperion in time to take a bite at the banquet, and his appearance was greeted with an ovation of applause. Professor Jepson also arrived near the close of the banquet from the Hyperion. Mr. W. W. White was greeted by many friends and congratulated on his improved health and his ability to be present at the banquet. His health has been delicate for several months. One of the old veterans present whose health has improved also was Mr. H. H. Bromley and he was also greeted by many friends. The late Mr. Hubbard, whose death is above spoken of, assisted for years in the firing of the national salutes on the old green. He was a comrade in the Blues with the city gunner, the late Mr. Aaron Bolden.

SPECIAL AND IMPORTANT! It has been our good fortune several times within a few years to bring out new and popular lines of goods and place them before the public at prices which insured a direct benefit to every purchaser. Perhaps our ability to do this at a critical period has much to do with our steadily increasing business and enables us to surge ahead while so many are falling behind. Perhaps, too, it has led you to expect more from C. E. Longley & Co. than you do from others, and in this you shall not be disappointed. The purpose of this advertisement is to call your attention to what is undoubtedly the greatest bargain in a popular line of goods ever shown in this country. It is nothing less than the FARWELL 18-OUNCE, ALL WORSTED

Clay Diagonal Suits \$10.00! The standard weight used by merchant tailors and the best clothing manufacturers for all-the-year-round-Clays is the 18-ounce. Many light weight Clays, 10, 12 and 14 ounce goods, are put on the market because they can be sold cheap, but they are undesirable. Being sleazy they quickly lose their shape and beauty. Many full weight 18-ounce Clays are made in this country that are all worsted on the face but backed up with cotton. When new they have the appearance of being all worsted, and only good judges can tell the difference, but with a few weeks' wear the worsted face disappears and the cotton stands out in bold relief. Such suits you can buy anywhere for \$10.00 and it is all they are worth. The goods which we now offer were made by the Farwell Worsteds Mills in Central Falls, R. I. They are the standard weight, 18 ounces to the yard. They are every thread and fibre worsted. We recently purchased about 10,000 yards of the goods at a great bargain. Now we propose to give our customers a benefit and incidentally boom our business through what are usually the dull-est days in the whole year. The coats are cut in four shapes, i. e. Single Breasted Sacks, Double Breasted Sacks, the popular Three-Button Cutaway and the long stylish Regent. They have deep facings, fine serge body linings, and are finished with the narrow, single stitched edges now so fashionable. The price is \$10.00 for either shape or any size from 34 to 48. We could tell you what they are worth--what the regular retail price is for such a suit--but you might think that we were exaggerating, so you shall estimate their real value. If you are not a good judge of worsted goods bring a friend who is and let him tell you. We solicit an examination and criticisms from the best judges that can be brought forward. Our price you will not soon forget.
