

The Gas-Monson Co.

How Foolish

This cut represents the "LEIBETSCHÄNER" LAGER BEER.

made by the Genesee Brewing Co. of Rochester, N. Y. It is made from the best German Hops and Canada Malt, and bottled in white flint glass, at the brewery, under the supervision of those who make it. It is Absolutely Pure.

In the spring many need a light tonic, and this Lager appears to be better adapted to such cases than the heavier Ales and Porters.

We are Sole Agents for its sale in New Haven. \$1.00 per Dozen.

E. L. WASHBURN & CO., Prescription Druggist. To accommodate our customers we some years since put on our shelves the only complete line of Remedies used by Homoeopathic Physicians carried in the city. For this reason the impression exists in some quarters that we have only Homoeopathic goods.

Such is not the fact. On the contrary, we have one of the largest and most complete drug stocks in the city, which is in the care of competent Pharmacists of long experience in compounding and dispensing prescriptions of all kinds.

Having no interest in the sale of patent medicines we do no counterfeiting, but aid to a legitimate prescription and physicians' supply business, depending on the profession and the public desire for reliable drugs at reasonable prices for a continuance of the liberal patronage bestowed on us in the past.

Wholesale and Retail Drug Business, our Optical, Surgical and Sanitary Departments are Not Neglected. Oculists' Prescriptions and Eye Glasses requiring special Frames and being made to order and carefully adjusted. Our stock of Surgical Instruments and Dressings is complete, and personal attention is given to the selection and fitting of all appliances for deformities, trusses, etc. All our elastic goods, bandages, and anklets are furnished fresh from our own looms, insuring a perfect fit and the best possible wear.
