

REFORM BILLS AT ALBANY.

Final Passage of the Police Magistrate's Bill. Albany, April 30.—The assembly today concurred in the senate amendments to the police magistrate's bill by a vote of 86 yeas to 17 nays.

Mr. O'Grady, rep., of Monroe, had given notice that he would move a call of the assembly at 1:30 o'clock in anticipation of the receipt from the senate of the bill. The bill, however, was handed over by the speaker at 10:40 a. m., and the senate amendments were read.

Mr. Foley, dem. of New York, raised the point that the motion was out of order, as the notice had been given at a time when the bill in question was not in possession of the assembly.

The motion to suspend the rules was adopted, and the senate amendments were concurred in without debate by the vote above given.

The Lexow special committee met at 10 a. m. in the senate library. Senators Lexow, Pound, O'Connor and Cantor were present.

Mr. Alsworth in speaking of the bill complimented Superintendent Byrnes for efficiency, and declared that he had not his superior as a police officer in the world.

Mr. Wolfert, rep., of Kings, is not here to-day, but will be to-morrow night. Unless the three republicans quoted above go into the caucus and abide by the decision, the bill probably cannot be passed.

Still No Decision. Dover, Del., April 30.—The ballot for senator to-day stood: Higgins 6, Adickes 6, Massey 6, Pennwell 1, Ridgely 7, Mustard 1, absent 2.

No need to Read, in order to find out about Pearline. Your friends can tell you all you want to know. You'll find most of them use it. Ask them about it. We'll leave it to any one of the millions of women who are using Pearline, if it isn't the best—the most economical thing, for washing and cleaning. But all the Pearline users don't get its full benefits. Some seem to think that it's only for washing clothes or cleaning house.

Pearline washes everything. And with almost every use you can put it to, besides the labor it saves and the ruinous rubbing, it gives you better work—better results. Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, and if your grocer sends you something in place of Pearline, be honest—send it back.

April Showers Bring Forth May Flowers. So wrote the poet, long since, and each recurring April verifies it. Already the buds are peeping out and soon "nature will put on her beautiful garments"; the traces of winter will vanish, and presently earth and shrub and tree will be "arrayed in living green" and "the desert will bloom and blossom as the rose." But during all seasons people must live. And in order to support life and properly nourish "The house we live in" it is indispensable to eat GOOD BREAD, Root, the Baker, was the first to introduce, in this city, the celebrated Quaker Bread which has become so deservedly popular. At great labor and expense he fitted up the proper apparatus to mix and bake it by the Original Process. And he succeeded so well that it is now known as the
