George P. Langdon and Miss Minnie Beachor will be married at the home of the bride's father Thursday evening at 6 o'clock by Rev. J. C. Breaker.

There is talk of having a big bicycle meet here. It is proposed to arrange for a state meet at the trotting park.

Timothy Sullivan, a brother-in-law of Mrs. Ellen Sullivan, died recently in Norwich and left an estate of \$1,100 to be divided equally among the seven children of Mrs. Ellen Sullivan of this town.

Two of the children are under age, and application has been made for a guardian for them, also for a conservator for Jerry Sullivan, another heir who is an imbecile and an inmate of the state institution. His proportion will be paid to the state.

The will of the late Mrs. Emily Hall was offered for probate yesterday morning. John H. Francis is announced as executor. The will bequeaths all the land, some fifteen acres, with house on Elm street, to John H. and William J. Francis of this town, and \$2,000 each to the above named.

John Commerford, aged eighteen years, died yesterday afternoon after several months' illness with consumption. The deceased was a member of the T. A. B. and L. society. Funeral on Sunday.

The Bamblers' have a club run to the Ark at Indian Neck on Sunday. Somebody has taken a tumble and the old town clock is running all right and on time once more.

Ho! for Saratoga. If you would go to the best place on this continent for your vacation, where the air is purest and most invigorating, the drives and walks most charming, the society most desirable, and the mineral spring waters decidedly healthful, why Saratoga Springs is the spot every time.

Connecticut Heirs Wanted. Governor Coffin has received the following letter: Houston, Texas, Aug. 1, 1895. Governor of Connecticut:

Dear Sir—There came to Texas in 1835 among other gallant spirits from Connecticut, a certain James M. Chase, to whose heirs this state has donated valuable property, if they can be found. If your excellency will kindly induce the papers of your state to call the attention of the heirs of the gallant men of Connecticut to the fact that there is valuable property here for the heirs of the brave men who fought for Texas independence it may be the means of aiding some deserving people who would otherwise never know of their real rights, or how to secure their claims. I will furnish information to all who may choose to confer with me on the subject.

Respectfully, R. F. MANN.

To Visit Savin Rock To-day. The Thompsonville lodge of Foresters will visit Savin Rock to-day. It promises to be a big excursion. A special train will be run for their accommodation.

BROWN WAS REINSTATED.

Fire Commissioners Met Last Evening—Promotions Made. A special meeting of the fire commissioners was held last evening, at which Commissioners Walker, McDonald, Hugo and Morgan were present.

The meeting was held for the purpose of trying George W. Brown of Steamer Company No. 7, who was charged with disobedience of orders. Brown has been under suspension since July 30.

The charge against him was that he went upstairs in the engine house and threw himself down on a rug and went to sleep without notifying Captain Perkins.

After hearing the evidence in the case the commissioners decided that Brown should be reinstated, but that he should be reprimanded and lose his pay for the time he was under suspension.

Petitions from Rev. Edwin E. Harwood for permission to raise the roof and make alterations to the house at 433 Temple street, and of New Haven Chair Company to enclose a frame shed at 16 Audubon street was referred to the committee on permits with power to act.

The following firemen were promoted from the third to the second grade, promotions to date, from August 15: William A. Miller, steamer 1; Jere F. Griffin, steamer 2; Morris S. Clapp, steamer 3; and John J. Higgins, Hook and Ladder No. 1.

SHE SEES HER HUSBAND. He Has No Doubt That Mrs. Gardner's Mind is Deranged—Is a Man of Means. Chicago, Aug. 9.—Mrs. Anna M. Gardner, the Christian Endeavor delegate who disappeared from Boston and was located in Norwich, Conn., on Tuesday, arrived here last night in charge of J. W. Landers and was taken to the Palmer house, where she met her husband, who arrived yesterday morning from his home in Arcadia, Neb. Mrs. Gardner was worse during the day than she has been since first discovered at Norwich, and has so changed that her best friends hardly recognize her.

She has lost flesh, her features are drawn and she is very pale. The first thing she asked for when she had greeted her husband, was her baby. She was told that her baby was uptown and she would be taken to her later in the evening. Mr. Gardner said last evening:

"There is no doubt that my wife's mind is deranged. She has not been well since the birth of our youngest child, three years ago. To-day I will call in the best specialist I can find in Chicago. After consultation with him I will make my plans for the future."

The report that Mr. Gardner is a poor farmer and that his wife did drudgery on the farm is incorrect. Mr. Gardner is a man of means and his father is worth over \$500,000.

W. T. BULL, late Full-back, Yale Foot Ball Team, writes: "New York, May 10, 1895. 'It was the result of a wager with a friend which caused me to put on my foot ball shoes a week ago and begin kicking 'drops' and 'punch' as though life held no other object. Experience of years had taught me that the sure outcome of so kicking without the usual working up process meant a lame thigh—in short, an induced inability to kick the ball a foot on the morrow. My friend, however, to decide a discussion as to the merits of different liniments and the like for strains, had induced me to become the trial horse. After kicking hard for a half hour, I underwent a deal of rubbing with SALVA-CRA. He contended that through its power to alleviate stiffness and soreness, my ability to kick would be unimpaired. I did not believe him—yet lo and behold, the pungent salve staved off every sign of lameness and the next day I kicked without the slightest discomfort. In consequence I feel bound to admit that SALVA-CRA is a little giant, and a necessity to every athlete as well as an indispensable article in the medicine chest of every household."

Bread Has Been Aply Termed "The Staff of Life," And it is daily consumed by the Rich as well as the Poor. It is found on the table of the occupants of a palace, as well as in the humble cottage of the "sturdy sons of toil." When it is properly made it confers strength and health to the user. But much of "the commercial article" which is used by the masses is a "delusion and a snare," and, instead of producing a pleasurable feeling and nourishing the human frame, it causes a "bad taste in the mouth" and is conducive to "that tired feeling" which we read about in medical almanacs.

ROOT'S QUAKER BREAD However does not come in this category. It is delicious to the taste and highly nutritious and strengthening. Made by the original process from pure materials, it is always agreeable with all constitutions, and as a consequence it daily increases in popularity. ROOT'S QUAKER BREAD is recommended by physicians generally, and thousands of loaves are bought and eaten each day in this city and neighboring towns. A single trial will attest its superiority. Be sure and get the genuine article. Ask your grocer for ROOT'S QUAKER BREAD and take no other. Label on each loaf.
