VOLUNTEER SAILING CLUB. THEIR FOURTH ANNUAL REGATTA SAILED YESTERDAY. Over the Regular Club Course—Endora Was the Challenge Cup From the Whisker—The Ta Ra and Vigilant Win the Prize Cups in Their Classes for Keen-Summary of the Contents. The fourth annual fall regatta of the Volunteer Sailing club was sailed yesterday. The race was sailed over the regular club course of four miles. This extends from an imaginary line between Canal dock and the judges' boat, anchored opposite it, to the black spar buoy, leaving it on the port hand, thence to and around the red spar buoy, leaving it on the starboard hand, then to the Pardee bar buoy, leaving it on the starboard hand, and then straight finish back to the line between the judges' boat and Canal dock. The race was booked for 10:30 a. m. and some time before that hour quite a fleet of catboats, sloops and sharpies were being got in readiness for the race at the club's anchorage off Long wharf. There were quite a large number of good sailors among the number and the whole fleet looked very pretty as they sailed out into the harbor preparatory to the start. As one man expressed it: "Fair shines the moon And soft the zephyr blows, As gliding are the azure realm In stately pride the gilded vessel goes, Youth at the prow and pleasure at the helm." A slight breeze was blowing shortly before the time set for the race, but this soon died away completely, and after a vexatious delay of some time in hopes that the wind would freshen, a mandate was issued from the judges' boat postponing the race till 2 p. m. At that hour a stiff breeze was blowing from the southwest. At about 2:15 the preparatory signal was given from the judges' boat. Five minutes later the signal was given for the boats in class C, the sharpies, to go; then three minutes later for the boats in class B, the sloops, and three minutes after the sloops the catboats in class A were started. The Endora, W. F. Duncan, Skipper A. McKean, was the last boat to start, but made the fastest time over the course. This is the boat that took the second prize in the Pequot race at Morris Cove last Friday. The Whisker, for last year, was out-sailed by both the Endora and Luella. In class B the race was very closely contested and the winning boat was not known till after the corrected time of the boats had been ascertained. The Vigilant won in class C. As a result of yesterday's races the challenge cup for class A passes from the Whisker, B. L. Rhea, to the Endora, W. T. Duncan, while in class B the Ta Ra, B. McDermott, and in class C the Vigilant, J. Danhouer, secure final possession of the cup in their respective classes, having won them in two successive races. The cups are very handsome silver ones, the largest being valued at \$40. The boats, their owners and the elapsed time made by them in the race were as follows: CLASS A. Endora, W. T. Duncan, 53 minutes, 3 seconds. Luella, C. S. Edwards, 1 hour 50 seconds. Whisker, B. L. Rhea, 1 hour 2 minutes 25 seconds. CLASS B—SLOOPS. Fannie, H. Halfinger, 1 hour 1 minute 52 seconds. Daisy Bell, S. J. Bennett, 1 hour 50 minutes. Ta-Ra, B. McDermott, 58 minutes 6 seconds. Mayflower, J. Danhouer, 58 minutes 30 seconds. Defender, H. Schlissel, 58 minutes 6 seconds. Triby, R. Rippenhauser, 1 hour 59 seconds. CLASS C—SHARPIES. Emma, L. M. Cooney, 1 hour 3 minutes 25 seconds. Vigilant, J. Danhouer, 1 hour 3 minutes 7 seconds. Corinthian, Commodore Johnson, 1 hour 7 minutes 40 seconds. The Norma, J. H. Joss, did not sail out the race. The race committee was W. A. Pfeigar and W. T. Duncan.

AURORA IN COLLISION. The Knickerbocker Steamboat Run Into by a Tug. New York, Sept. 2.—As the Knickerbocker steamboat Aurora was off Bergen Point on her way to this city at 5:30 o'clock last evening, she was run into by a big tug having in tow a schooner. There were 300 passengers on the Aurora. Women screamed and a panic prevailed. TRAIN WRECKED BY A FIRE. Narrow Escape of a Big Load of Excursionists. Seattle, Wash., Sept. 2.—Forest fires burned a huge tree, which fell across the Seattle, Lake Shore and Western railroad track yesterday afternoon at Lake Station, seventeen miles from this city, wrecking the incoming regular train. Engineer George W. Gabriel was caught between the tender and cab, sustaining internal injuries which may result fatally. No one else was injured. There were fully 300 persons on the train, two-thirds of the passengers being excursionists from their way back from Snoqualmie Falls. Stove Plants to Shut Down. Chattanooga, Tenn., Sept. 2.—On Saturday night the Chattanooga Stove company shut down its plant, telling its employes that it would have no further work for them to do until the price of stoves went higher. This action will be followed by stove manufacturers all over the south. The reason assigned is that the rapid and sudden jumps in the price of iron have not enabled them to accommodate the stove market to the increased cost of material.

Hyman Marcus of Washington street has brought suit against Mrs. Elizabeth Weller, also of Washington street, to recover \$300 damages for alleged damages caused by the plaintiff having excavation made in her yard. Because of the straightening of Washington street the defendant was compelled to move her house further back into her yard. In doing this a new foundation was necessary and when the work of building this was being done the plaintiff claims that his premises were damaged to the extent of the sum named. Deming & Tuttle have been retained to defend and the case is returnable to the court of common pleas.

MORE BOUNTY CLAIMS. Attorneys Deming and Tuttle yesterday in behalf of their clients, David H. Hines, Thomas Flood and George D. Nichols, all of this city, presented to the town authorities claims amounting to more than \$4,000. Their claims are for alleged unpaid bounties of \$200 each, voted at a town meeting. With compound interest each bounty amounts to \$1,355.44. If the claims are not paid in due time a suit will be brought and the matter of the town's liability to pay single or compound interest on those unpaid claims will be taken to the supreme court for a ruling. Other local attorneys having bounty claims to collect will immediately institute legal proceedings if the claims are not paid in the specified time. Each of these attorneys propose bringing one suit as a test case.

BAR MEETING. A meeting of the bar of New Haven county has been called for Friday afternoon, September 20, at 2 o'clock, for the purpose of taking action on the death of ex-Governor Luzon B. Morris, who for many years was one of the lights of the legal fraternity. DECISION RESERVED. The case of Carl Offinger of Stamford, who is charged with tampering with the mails of a delivery route, was heard before United States Commissioner Wright yesterday afternoon. The decision was reserved till later in the week. POSTPONED ONE WEEK. The preliminary trial of Jacob Hurvich, the second hand clothing dealer of 17 George street, charged with opening the letters of Max Rosoff of 122 Court street, was postponed yesterday until next Monday.

THE MASONIC HOME. Wednesday, September 25, will be a great day not only for Wallingford, but in the history of Freemasonry in the state of Connecticut. As is generally known on that day will take place the dedication of the Masonic home and orphanage located in that town. The principal features of the dedicatory exercises will be an address by Luke A. Lockwood of Riverside, a poem by W. Edward Penny of New Haven, the presentation of the flag by Grand Treasurer John G. Root of Hartford and its acceptance in behalf of the institution by Herbert E. Benton of New Haven. There will be the usual other features characteristic of dedication exercises.

JUSTIN MCCARTHY FOR FARRELL. Says That Murphy's Candidacy is the Result of a Conspiracy. London, Sept. 2.—Mr. Justin McCarthy has issued an appeal to the electors of the south division of County Kerry exhorting them to support Mr. Farrell, the candidate for the seat who was chosen by the regular convention. Mr. McCarthy denounces the candidature of Murphy as treason against party discipline, and declares that his nomination was due to a conspiracy, concerning which he (McCarthy) has hitherto been silent. For three years, he says, there has been an incessant campaign against the unity of the Irish party which reached its climax in the baseless falsehoods uttered by Mr. T. M. Healy at Omagh, when he asserted that the Irish parliamentary committee had sold seats for English gold. Such a state of things, Mr. McCarthy declares, means the bankruptcy and destruction of the Irish cause.

Home-ward Bound. Theo. Keller, the well known funeral director, will arrive in this city from an extended trip in Germany on Saturday.

Resulted Fatally. John Carroll died at the hospital on Sunday of injuries received last Thursday when he was impaled on a picket fence upon which he fell while painting a house. Carroll was a hostler and went to Clinton to take employment at house painting because he was out of a job here. He fell from the ladder and when he landed on the fence the iron pickets penetrated the muscles of his groin, inflicting fearful injuries. When he was picked up he was summoned from the city and Carroll was brought to the hospital. There was not much hope of his recovery, however, as the case was the worst seen by the hospital physicians in years. He suffered intensely until his death occurred. Carroll was twenty-six years old and unmarried.
