LORD DUNRAVEN'S LETTERS.

Cabled to England by the Owner of the Valkyrie, and Made Public There. New York, Sept. 16.—The correspondence between Lord Dunraven and the New York Yacht club, concerning the differences about the America's cup contest, was published in London yesterday.

The correspondence consists of four letters. The first, dated September 11, contains Mr. Iselin's offer to recall the race of September 15.

In the fourth letter, dated September 13, Lord Dunraven lengthily explains and defends his claim to have the races sailed where there would be no overcrowding.

Gentlemen—I have the honor to acknowledge the receipt of your letter of the 11th inst. You say my letter on Wednesday night to Mr. Canfield was not handed in the New York Yacht club until 1 a. m. on Thursday.

THE COURT RECORD.

Common Pleas Court-Criminal Side-Judge Hotchkiss.

The criminal court of common pleas convened yesterday morning with Judge Robert L. Hotchkiss presiding.

them that the committee had not come to definite conclusions upon my letter.

"I now conclude from your communication that they were officially representing the committee. In that case the proposal made to me by the committee was that I should withdraw from my determination expressed in my letter of the 10th, and should sail the third, possibly the final, race on condition that sufficient room was secured at the start, and that in any further races my suggestion that the dates of the races and the times of starting should not be made public should be carried out."

"That proposition did not commend itself to me. Nobody has denied the overcrowding, of course, but, in any case, either my complaint was, in the opinion of the committee, unjustifiable, in which case I could not have agreed with them and should have withdrawn, being fully convinced of the necessity, and prepared to take the full responsibility for doing so, or it was justifiable, in which latter case the committee was, I think, bound to give redress before the next race was sailed."

"I so far withdrew my letter of the 10th as to say I would sail the third race if the committee would undertake to declare the race void if in their judgment either vessel was interfered with by steamers, the committee putting anybody they liked on board the yachts. I was willing to leave the matter in their hands, stipulating only that they put experienced and practical yachtsmen on Valkyrie III."

"As far as I am concerned I have no wish to continue the discussion, which you accurately describe as superfluous, and will conclude by expressing regret that if any desire to recall Tuesday's race was known to exist the regatta committee did not order it recalled under regulation 10 of the New York Yacht club regulations, in which case, whatever my opinion as to the cause of the foul may be, I should have been at the disposal of the committee, and that the cup committee could not see its way to adopting what appears to us the simpler course of hoisting the letter 'G' yesterday, and postponing the race to such time as they had arrived at a definite conclusion upon my letter of the 10th inst."

"I have the honor to remain, very respectfully, DUNRAVEN."

HORNBLLOWER SAYS NO. Denies a Rumor About His Renomination to the Supreme Court.

New York, Sept. 6.—William B. Hornblower said this morning that he had nothing to add to a denial already made by him of the report from Washington that the nomination for associate justice of the supreme court had again been tendered him by President Cleveland.

"I have received no communication on the subject from the president," said Mr. Hornblower, "and I have no reason to believe that the president contemplates nominating me for the place."

Mr. Hornblower this afternoon left town to be gone until Wednesday.

Mrs. Skinner—I'm glad to hear you say you have such a good appetite. Mr. Newboarder (about to take his first meal, and much pleased at the prospect)—Landladies generally fear a good appetite. Mrs. Skinner—I don't; when a man has a good appetite he can eat almost anything.—Puck.

BAKE A BATCH OF BISCUITS. Sift one quart of flour, two rounded teaspoonsful of baking powder, and one teaspoonful of salt into a bowl; add three teaspoonfuls of COTTOLENE and rub together until thoroughly mixed. Each teaspoonful of COTTOLENE is a little larger than a half-inch square. Roll out about half an inch thick, and cut with a small biscuit cutter. Place a little apart in a greased pan, and bake in a quick oven for fifteen or twenty minutes. These biscuits should be a delicate brown top and bottom, light on the sides, and move while when broken open. The secret of success in this recipe, as in others, is to use but two-thirds as much Cottolene as you used to use of lard. Cottolene will make the biscuit light, delicious, wholesome. Better than any biscuit you ever made before. Try it. Be sure and get genuine Cottolene. Sold everywhere in tins with trade-marks. Cottolene and steer's head in cotton-plant wreath—on every tin. CAN CURE ASTHMA AND HAY FEVER.

A Noted Physician Offers to Prove This to All Sufferers in New Haven on Thursday.

The majority of sufferers from Asthma and kindred complaints, after trying Doctors and numberless Remedies advertised as positive cures without avail, have come to the conclusion that there is no cure for this most distressing disease, and these same persons will be the more in doubt and skeptical when they learn through the columns of the press, that Dr. Rudolph Schiffmann, the recognized authority who has treated more cases of these diseases than any living Doctor, has achieved success by perfecting a remedy which not only gives immediate relief in the worst cases but has positively cured thousands of sufferers who were considered incurable.

Dr. Schiffmann's remedy no doubt possesses the merit which is claimed for it or he would not authorize this paper to announce that he is not only willing to give free to each person suffering from Asthma, Hay Fever, Phthisis, or Bronchitis in this city one free liberal trial box of his Cure, but urgently requests all sufferers to call at P. B. Schurmann's Drug Store, cor. Elm and York streets, from 8 a. m. till 6 p. m. Thursday, Sept. 19th, and receive a package absolutely free of charge, knowing that in making the claim he does for his Cure, a strong doubt may arise in the minds of many, and that a personal test, as he offers to all, will be more convincing, and prove its merit, than the publishing of thousands of testimonials from persons who have been permanently cured by the use of his Asthma Cure. "Dr. Schiffmann's Asthma Cure," as it is called, has been sold by Druggists of this city ever since it was first introduced, although many persons may never have heard of it, and it is with a view to reaching these that he makes this offer. This is certainly a most generous and fair offer, and all who are suffering from any of the above complaints should remember the date and place where the distribution will be made, and avail themselves of the same.

Persons living out of this city who desire to test the efficacy of this most wonderful remedy will receive a package free by mail by writing to Dr. R. Schiffmann, 328 Rosabel street, St. Paul, Minn., providing their letter is received before Sept. 20, as no free samples can be obtained after that date.

THE BRANFORD FAIR. Will be Held at the Driving Park Next Week.

The Branford Agricultural society is busily making preparations for their annual fair, which will be held at the driving park Thursday and Friday, September 26 and 27. The entries of cattle and poultry are large, and every effort is being made to increase them far ahead of the number last year. A premium is offered for each pair of cattle in the parade, and this plan it is thought will greatly increase the numbers. The management is to take especial care of the exhibits this year, and the safety of each article is guaranteed by the exhibitor. Fruit of all kinds raised hereabouts will be on exhibition, and the displays are said to be more than usually complimentary to Branford farmers. Horse racing will be a feature of the fair, and many entries are down for the various events. Thursday there will be a 2:50 class trot or a pace for a purse of \$60, and a 2:35 trot or a pace for a purse of \$65. Friday there will be a 2:40 class, trot or pace for a purse of \$60, and a free-for-all with a purse of \$65. There will also be a special race for Branford and North Branford horses only, which is expected to be interesting. Many residents of these towns have fast horses, and they will enter them for records. Purse \$50.

Public cordially invited.
