Common Sense Reasoning

Hood's Sarsaparilla Had Cured Others, and It Cured Me.

"It was sixteen years ago my right leg began to swell and pain. Four years ago it broke out in three dreadful sores. I tried all kinds of salves and liniments but the worse the sores became. I had to walk on crutches and a greater part of the time was confined to my bed. I could not sleep nights and my eyes became affected. I have worn glasses for over six years. Since I have taken Hood's Sarsaparilla and Pills two of the worst sores on my limb have healed and the third is almost closed. My sore eyes have been benefited as I can see to read and write and also thread my needle for sewing without the use of glasses. I came to use Hood's Sarsaparilla by noticing advertisements. I reasoned that what has cured others would cure me and it has proved so. It is a splendid medicine." Mrs. KEZIA WESTBROOK, Manning, Michigan.

STUPID FRAUDS ON SANFORD'S GINGER

Beware of cheap, worthless, and often dangerous "gingers," which are persistently urged, even forced, upon would-be purchasers of SANFORD'S as "our own make," or "good as Sanford's," or "cheaper than Sanford's," or "same as Sanford's," etc., by mercenary dealers, not in the interest of health, but for a few cents' extra profit. No respectable druggist or grocer is ever guilty of such practices. Avoid all others.
