He Fired in the Air. Paris, Dec. 6.--Just at the time of the closing of business in the chamber of deputies to-day a man in the public gallery fired two shots from a revolver. His shots were not directed toward anybody, but merely fired in the air. The offender was promptly arrested. The shots created a sensation for a moment, but matters quieted down when it was discovered that they were harmless and evidently not fired with the intention of doing harm to any one.

G. A. R. COMMANDER

Commander Dean writes: "As Chief U. S. Mail Agent of the U. & D. R.R., my good health is indispensable. I found myself, however, all run down with Dyspepsia. I doctored and doctored, but I grew worse. I suffered miserably night and day for fully two years. My case was pronounced incurable. I chanced to meet Dr. Kennedy about that time, and told him of my condition, and he said, 'Jimmy, you need not suffer so; take a bottle of

DR. DAVID KENNEDY'S FAVORITE REMEDY

Take it morning, noon and night, and it will cure you. I took the medicine as directed, but had no confidence in my cure, as my case had been tried by so many. After using it a week I began to feel better, and in a short while after that I was entirely cured. That terrible distress, everything I ate breaking up in my throat, had all gone, and I have not had a moment's discomfort since. To-day there isn't a healthier man, and my appetite is grand. I believe I could eat a keg of nails if I had to, and digest them with ease. Favorite Remedy is the foe of dyspepsia and poor health."

THE COMING ELKS BENEFIT. The rehearsals of the Elks' minstrel for the entertainment to be given at the Hyperion theater next Wednesday evening are progressing favorably, and the members of the lodge are satisfied that their immense first part scene introducing sixty of the New Haven Elks in burnt cork will be the great feature of the program, in spite of the fact that the vaudeville olio of the second part will be given by professionals. Comic talent being abundant in their ranks it has been decided to present eight and men in the minstrel department; Al M. Milander, T. F. Alern, John McGilvray, C. E. Larom, Eugene McKenna, Edie Sparks, Frank C. Murphy and Charles Barwitz. The singing promises to be unusually fine, the quartet consisting of Charles Miller, Joseph C. Criddle, William Grabb, Charles A. O'Connell and Mr. Joseph McCarthy. Mr. McCarthy has more than a local reputation as an artist, and is a high salaried member of the Church of the Divine Paternity, New York. Full forty Elks will supply a rousing chorus, thus putting to the blush the singing forces of touring professional troupes. Dr. F. J. Brothers, the exacting ruler of the Elks, will officiate in the center and direct the amusements of the evening. The interest in the success of this benefit, which is for the charity fund of the lodge, has extended to Hartford, Bridgeport, Waterbury and Meriden, from which cities delegations will be in attendance in goodly numbers. After the minstrel and the olio the entire performance will conclude with a symbolic scene characteristic of the Elks meeting and known as "The closing of the social session" in which all the visiting and local Elks will participate, introducing at least 150 persons on the stage for the capping of the climax. Seats may be secured at the box office of the Hyperion and after 9 a. m. Monday next.

DEATH OF MISS M. E. MILLS. A Large Circle of Friends Mourn Her Death. Miss Minnie Elizabeth Mills died at the home of her parents, Mr. and Mrs. Robert M. Fields, 112 Asylum street, at 8:45 o'clock last evening. The young lady had been ill about two years with consumption, which was the cause of death. She was twenty-one years and five months of age and about four years ago graduated from Hillhouse high school, previous to which she attended Webster school. She was a member of the Church of the Ascension and King's Daughters. Her step-father, Robert M. Fields, is a member of the firm of Fields & Perry, building contractors. She has two brothers, one L. J. Mills, who is bookkeeper for J. F. McNeill & Co., the other attending Hopkins grammar school.

Miss Mills had a large circle of friends, all of whom are deeply grieved at her death. Arrangements have not yet been completed for the funeral.

ICE POLO. New Britain Receives a Challenge From New Haven. New Britain, Dec. 6.--The high school boys have received a challenge from Manger Mason of the Hillhouse school of New Haven for a game of ice polo. A suggestion is also made that a state league be organized. Although there is no local team the boys have become enthusiastic over the idea and will take steps to form one at once. Fitch, McDonough, Meehan, Judd and Griswold have excellent chances of being appointed on the team. In all probability class teams will be organized to play each other and the selection of a team to represent the school made from the best players thus developed.
