THE HARQUA HALAS.

A Shorter Route to Harrisburg Suggested by a Freightier.

To the Editor of THE REPUBLICAN: PHOENIX, Ariz., August 18.—Having been engaged for the past summer in running a light freight and passenger wagon to the Harqua Hala mining district and having made several experimental trips for the purpose of finding, if possible, a nearer and more practicable route for the transportation of freight and passengers to and from this point, I ask the privilege of your columns for the purpose of laying such facts before the people of Phoenix as have presented themselves to me during my many trips across this, at present, waterless waste.

"Summer Excursions."

For the information of those who intend taking a trip east, we invite your attention to the following: The Atchison, Topeka & Santa Fe are selling round trip tickets to points east at a fare and one-third for the round trip.
