Yuma County. From the Sentinel. Sykes and McLean, with the Hilda, are still here in Yuma, waiting for Custom House papers from Washington before they circle the globe.

That dates can be raised around Yuma is no longer a question, neither does it need experimental farms nor thousands of dollars expended to prove this fact.

Prohibitory Movement in Canada. Toronto, December 21.—The different churches of Canada are preparing to send out over 2,000 petitions to be signed and presented to Parliament, asking a prohibitory law.

At Colorado Springs, Colo., Saturday Charles Reed and Charles Hendrickson were drowned while skating on Lake Cheyenne.

PROPOSALS.

FOR PUBLIC PRINTING. PHOENIX, ARIZ., December 8, 1891.

THE UNDERSIGNED WILL RECEIVE SEPARATE bids for the laws and journals of the Sixteenth Legislative Assembly of Arizona, for printing, binding, presswork and material, as follows, until January 10, 1892:

Composition in book form, in long primer or small pica solid, between the lines and paragraphs, the work to be measured in all cases as plain work, side notes to be measured separately in the laws, according to the type in which they are set, but the head notes to be considered as only a part of the page and not to be measured separately.

Bidders must accompany their proposals with a bond of \$100 for each of the two books, conditioned for the faithful performance of the work. The right to reject any or all bids is reserved.
