

For White Wing Pigeon Shooting You Need

1st. A GOOD SHOT GUN. We have Lefevers and Smiths for rent, new guns just placed in rent for the summer season, and a fine line of Lefever, Smith and other hammerless and hammer double guns in stock, as well as a complete line of Winchester and Marlin repeating shot guns, and single-barrel guns of all the leading makes.

2nd. GOOD AMMUNITION. Now, there is a difference in ammunition. Long experience has shown us what is the best for this climate in shelf ammunition, and we handle only the best standard goods. Our FRESH SMOKE-LESS SHELLS are received during the summer three times a month direct from the factory. No stale goods. The best shooters use our hand-loaded shells, loaded the same day they are to use them. They don't cost much more, and give by far the best results. Try them once and you will shoot no other.

No Finer Shooting Than White Wings.
Try It.

Pinney & Robinson

Goldman & Co. carry the Buckeye Mower and Tiger Rakes. No other makes do equal them and our prices are the lowest.

The Mutual Life Insurance Co. OF NEW YORK.
Had a Prosperous Business During the Year 1900.

The receipts for the year were \$60,582,823. The Mutual Life, after placing \$289,191,126.25 to the credit of the reserve fund and other liabilities, in accordance with the requirement of the New York Insurance Department, has a contingent guarantee fund of \$54,122,022.25, in addition to the dividends to be apportioned this year, which amount to \$2,440,000.00.

In 1900 the claims paid arising from the death of policy-holders amounted to \$15,052,652.92, and in addition to this the Company paid during the twelve months \$11,309,216.91 on account of endowments, dividends, etc. The general business of The Mutual Life in 1900, when compared with the results during the previous year, is highly satisfactory. The insurance in force December 31, 1899, amounted to \$1,052,665,211. On December 31, 1900, the business in force aggregated in amount \$1,141,497,388.02. Since its organization, in 1843, the Company has paid to its policy-holders \$546,479,809.

This vast business has been accomplished without friction; every interest has been safely guarded and every legitimate claim quickly paid. The Mutual Life never had a more successful year in its history.

The liberality of this Company's contracts on the lives of conservative men place it in the front ranks of Life Insurance Companies. For further information call upon any of the Company's representatives at their Arizona branch office at rooms 1, 2, 3, 4 and 5, Nicholson Building, North Center Street.
