MONEY WE WANT
MONEY WE MUST HAVE

For years it has been our constant aim to handle only the very best of merchandise, goods that only find their way in exclusive men's and boy's houses, never such goods as are sold in department stores or job lot houses.

Hard luck caused by the drouth and the unsettled water problem makes it compulsory to raise money quick. Hence our

worth of goods must be turned into money. Never in the history of the mercantile business of the territory will such truly great values be offered. Now is your time. Grasp this opportunity of a life-time to lay in your stock. Everything for both man or boy at a great gain to you.

LADIES

Your time is now. We are positively going out of the Ladies' Shoes. Our stock embraces everything from common House to fine Dress Shoes which we will fit to your feet as shoes should be fitted at less than the actual cost of the leather.

TODAY Special Prices will reign supreme in suits and odd pants for your big and little boys, for it is a case of
