TEMPE A STOLEN BRIDE. A Newly Married Couple Separated For a Brief Time.

In connection with the Wingar-Archibald wedding in Mesa Monday evening there was a great deal of good natured fun in Tempe a short time after the ceremony, in which the contracting parties were active participants. They were given a royal "send off" at the depot when the Maricopa train left, but previous to that time the bride and groom became separated through the efforts of a party of Mesa friends. It seems that shortly after the ceremony had been performed a party of prominent Mesalites, who had already procured the big Holden automobile, took advantage of a moment's carelessness on the part of the bridegroom and during the one minute of the evening when he did not have his eye on her they took her by force or persuasion, probably the former, and with the big machine sped on to this place, where they took in the town. In the meantime swelling the party in the auto by adding several Tempe people to the crowd. The poor bridegroom was left to take care of himself as best he could, but Bert Wingar, a brother of the bride, took pity on him and brought him on to

MESA BRIDE KIDNAPPED. An Incident of the Archibald-Wingar Wedding.

On Tuesday evening at 6 o'clock at the home of the bride's parents, Harry Archibald of Phoenix and Miss Mary Wingar of Mesa, were made man and wife, the Rev. Kloss of Tempe officiating. The ceremony was very simple and was witnessed by the immediate relatives only. Immediately afterward, when the newly married pair were preparing to drive to Tempe to take the S. P. train for the coast, Holden's automobile loaded with kidnapers dashed up and carried off the bride in a whirl of dust and gasoline. After a wild chase the groom overtook the kidnapers, but not before the arrival at Tempe where all unloaded to advise the passengers for Maricopa that they had a bride party on board. The usual identification of shoes, rings, the usual identification of old shoes, rings, the party included Dr. J. Chandler, Mrs. C. M. Domondis, I. V. Fenner, W. Tracy Smith, Orros Holden, Don McQueen, C. Baldwin, Miss Burt, Miss Nina Metz and H. H. Heaston.

REAL ESTATE MOVE IN MESA. In the last week or ten days there has been manifest a decided move in real estate in Mesa, and the indications are that in the near future there will be a big demand for residence and business property. Several properties changed hands during the past few days and one lot on North Main street sold at the rather surprising price of \$45 per front foot which goes to show what way the wind is blowing for Mesa. If Mesa continues to grow as the present conditions would indicate and her population increases as rapidly there would be an over demand for rental property, and it seems to us that the crying need of the city is for the money men who own lots to prepare for the probable demand by building cottages for rent and to sell.

POOL EXHIBITION. A match game of pool has been arranged to take place tonight at the White House club pool rooms. There will also be an exhibition of fancy finger and cue work by J. L. Dinning.

LOCAL NOTES. Mr. Bright, an expert horsehooper and blacksmith from Los Angeles, went to work on C. M. Mullen's shop yesterday. Mr. George Tiffany has returned from his visit to his old home in Utah. J. S. Allen from Arlington came to town today to spend a few days. He says the country is very dry down there as the canal is not yet repaired but will be completed in time to furnish plenty of water for November. H. M. Lewis of Arlington is on the way to Mesa with 142 head of steers which he is driving up here to put on pasture.

THE CADET DANCE. The committee on arrangements has secured the services of the Gounod orchestra of Phoenix for its dance next Friday evening. This assures first-class music, for that orchestra has a reputation to sustain and it is sure to do it. No invitations are being sent for the reason that the members of the club have no inviting list, but it is proposed that all who attend register at the door, and in this manner a good list will be secured and one that will be alive and not have on it half the names of people who have left the country. Names can be added to it then as newcomers arrive in the country. It is planned to make this dance one of the best, and no expense will be spared.

A SHADOW SOCIAL. Next Friday evening there will be a shadow and box social at the Kyrene school house for the benefit of the Christian Endeavor society. Extensive preparations are being made for the entertainment of those who attend and a pleasant evening is assured. A cordial invitation is extended to the public.

Both mother and child are doing nicely.

See the new 22 cal. automatic rifle at Arizona Hardware & Vehicle Co. A FINGER HURT. While sewing on a machine yesterday morning, Miss Helma Andre had the misfortune to run the needle through one of her fingers, making a very painful wound. Dr. Alexander promptly dressed the injured member.

AID SOCIETY MEETING. The Ladies' Aid society of the Congregation church will meet with Mrs. Harry Walker tomorrow afternoon at the usual time.

TAXES COMING IN. The property holders of Tempe are responding to the tax assessment recently levied in a way that is very encouraging to those who hope to have the work of confining Salt river to its natural channel started in the very near future.

KEEPS CIGARS MOIST. A. M. Harmer yesterday received from Anderson, Ind., a patented arrangement known as a "hydrocote" the purpose of which is the keeping of cigars in the case in a nice moist condition at all times. It is so arranged that the dampness can be controlled thus assuring the cigars just the right amount to keep them in good condition.
