**LUKIN'S Christmas Present**  
We take pleasure in announcing that we will give a valuable Christmas present to some one of our gentlemen customers and another one equally valuable to one of our lady customers.  
**This is not a chance, but a sure thing.**  
On the evening of Dec. 24th at 6 o'clock, the gentleman bringing us the most cash sale tickets we will give him his choice of any suit in the store. To the lady bringing in the most tickets we will give her choice of any coat or skirt in the store.  
You can see that this is not a chance proposition, but a fair and square deal to every one. In order that those who may not be so fortunate as to secure first prize, we will allow a discount in trade on anything in the store of 5 per cent on the amount represented by the tickets they bring in.  
This is our Christmas present to our customers.

**A MORNING HORSE RACE**  
It Took Two Trials to Convince the Loser That His Horse was Slow  
There was an exciting horse race on Mill Avenue yesterday morning about nine o'clock. In fact there were two of them, though only one was contemplated at the start. The races were between Ben Robbins' pinto, which by the way carried some Arabian blood, and a bay horse belonging to the Lopez family. The race was half a mile in distance and the stakes were Robbins' saddle and \$25 in Lopez money. Dr. Moser acted as starter and Fred Marsh and Tom Thatcher were the judges. There was a large attendance of interested spectators, some of whom had a little side money up on the result. The first heat resulted in an easy match for the bay horse, but the rider of the pinto lost his whip early in the race and claimed he did not get all out of the horse that the animal could do. Mr. Robbins still felt confident he had the best animal and felt so the extent of ten dollars more. The second heat resulted the same as the first, though Frank Flores

**A SHIPMENT OF MOSS**  
F. H. Simmons of the date orchard yesterday received a shipment of moss from the government, the purpose of which is for the packing of date suckers. When they are shipped next spring. The moss arrived some months before it was needed, but the consignment was last season's stock six months too late to do any good, and this year the government is being on the safe side.

**PERSONAL NOTES**  
F. W. Holsapple returned yesterday from San Diego and stopped over here on his way home.  
D. A. Millet of Enterprise was a visitor here yesterday.  
Mr. and Mrs. Joe Lobit, who have made Tempe their home for the past six months, will leave in the morning for Oklahoma. The move however, will probably not be permanent and after a few weeks cold weather, they will likely be glad to again enjoy the sunshine of the Salt River valley.  
Walter Smith and wife of Scottsdale were guests of E. Schmidt and family yesterday.  
Supt. A. H. Fulton was a visitor at the Normal yesterday.  
P. P. Dagg returned yesterday from a business trip to Yekol.

**LORENZO IN THE TOILS**  
Old Lorenzo Simchen, a man who has probably accepted more days in the county jail from Justice Nielsen, than any other patron of his honor, was in trouble again yesterday. He created a family disturbance at his home the day before and it required the aid of the law to restore peace. Lorenzo was fined \$15 or as many days. The financial stringency, however, had depleted his pocket book, and not from choice but from necessity, he was forced to accept the hospitality of the county and was taken to Phoenix last evening by the constable.

**ITCHING PIMPLES TORMENT 5 BOYS**  
Arms and Hands Affected—Could Not Sleep Because of Itching—Suffered for Two Months Until Two Cakes of Cuticura Soap and ONE BOX OF CUTICURA CURED THEM ALL  
"I have five boys, from five to eleven years of age, who were affected some time last winter by some kind of skin disease. The worst parts of the body were around the arms and hands, where small pimples formed and itched, where they suffered for two months so that they could not sleep at night. I noticed an advertisement about the Cuticura Remedies and we made a trial of one or two cakes of Cuticura Soap and a box of Cuticura Ointment which gave great satisfaction. I washed their bodies with Cuticura Soap and then applied Cuticura Ointment every other day. Since then they have all been healthy. A. E. Carlson, Norcross, Travers Co., Minn., Nov. 26 and Dec. 23, 1906."

**WORST ECZEMA**  
Baffled Medical Treatment For a Year, Cured by Cuticura.  
"About four years ago I was afflicted with black spots all over my face and a few on my body, which produced a severe itching irritation, and which caused me a great deal of suffering. I was forced to call in two of the leading physicians of ——. After a thorough examination of the disease, they announced it to be skin eczema in its worst form. They treated me for a year, but their treatment did me no good. Finally I became despondent and decided to discontinue their services. My husband purchased a complete set of Cuticura Remedies, which entirely stopped the breaking out. I continued the use of the Cuticura Remedies for six months, and after that every spot was entirely gone and the affected parts left as clear as ever. I have not felt a symptom of the eczema for three years. Mrs. Lizzie E. Sledge, 540 Jones Ave., Seima, Ala., Oct. 28, '06."
