THE GREAT DISSOLUTION SALE

The sale that gives you first class merchandise at sensational prices. There is no argument that we could present that is stronger than the fact that we must sell our stock and that the remaining brother must pay cash for the balance of stock, making it absolutely necessary to dispose of as much as possible of this complete and comprehensive stock of good merchandise at prices lower than cost. We must have cash and the goods lose their value to us. We explain this thoroughly so that all will understand that this is a genuine Dissolution Sale and not to be compared with the ordinary Special Sale.
