Fire Insurance

I desire to inform my friends and clients that I have been appointed Resident Agent of the American Central Fire Insurance Company, of St. Louis, and will be pleased to have a share of their Fire Insurance business.

This is an American Company which has withstood the test of time and trial by fire for fifty-four years, during which time it passed safely through all the great conflagrations and paid "one hundred cents on the dollar." It is a staunch institution with assets of over \$5,000,000.00. The Banks and Mortgage Companies all gladly accept policies in this Company. "You are safe with the American Central."
