The remains of Robert Enright who died Saturday evening at the home of his daughter, Mrs. J. E. McClain, were shipped last evening to the funeral home of the deceased, Nicotown, Ind. Private funeral services were held yesterday afternoon. The remains were accompanied by Prisco Enright and J. E. McClain. Mr. McClain will return in a few weeks, and Mr. Enright probably later in the spring. HAVE YOU TRIED PAXTINE

The Great Toilet Germicide?

You don't have to pay 50c or \$1.00 a pint for listerian antiseptic or paroxide. You can make 15 pints of a more cleansing, germicidal, healing and deodorizing antiseptic solution with one 25c box of Paxtine, a soluble antiseptic powder, obtainable at any drug store.

Paxtine destroys germs that cause disease, decay and odors—that is why it is the best mouth wash and gargle, and why it purifies the breath, cleanses and preserves the teeth better than ordinary dentifrices, and in sponge bathing it completely eradicates perspiration and other disagreeable body odors. Every dainty woman appreciates this and its many other toilet and hygienic uses.

Paxtine is splendid for sore throat, inflamed eyes and to purify mouth and breath after smoking. You can get Paxtine Toilet Antiseptic at any drug store, price 25c and 50c, or by mail postpaid from The Paxton Toilet Co., Boston, Mass., who will send you a free sample if you would like to try it before buying.

He notes a great many improvements in this section of the country since his last visit here. He will be joined by his family later in the spring.

RIVER FORDABLE.

The river is again fordable at this place though it would be a wise precaution to stay out of it for a few days yet. A Chinaman, with a high vegetable wagon crossed yesterday but the water ran into the wagon box. Another man in a light rig crossed below the Maricopa dam and found the water there uncomfortably deep. It will likely be several days before the old ford at the bridge here will be safely fordable for all kinds of rigs.

The quality is one thing, the fit and style is another thing, the price is one thing but Elvey Bros have the whole thing combined in shoes. Let us prove it to you.

Ragged wounds are painful and cause much annoyance. If not kept clean, they fester and become running sores. BALLARD'S SNOW-LINIMENT is an antiseptic, healing remedy for such cases. Apply it at night before going to bed and cover it with a cotton cloth bandage. It heals in a few days. Price 25c, 50c and \$1.00 per bottle. Sold by Elvey & Hulett.

BRANCH BOARD IS BECOMING POPULAR

J. S. Griffin Says It is Doing Good Work For the Valley

J. S. Griffin of the Greene & Griffin real estate and investment company, returned yesterday morning from a business trip to Los Angeles. He says he was very successful in what he went after and will leave for the east in a few days to finish up the business in hand.

Speaking of the branch office of the board of trade in Los Angeles, Mr. Griffin says it is accomplishing a great work and both L. J. Rice and Mrs. Cowgill seem to be the right people in the right place. Mrs. Cowgill is doing her best to interest and instruct all people who apply at the office for information and she is thoroughly informed and capable of doing so.

Mr. Rice delivers the moving picture lectures which Mr. Griffin says are very effective and the creating a great deal of interest. One day while he was there he listened to one of the thirty minute lectures. There 128 people present and when Mr. Rice announced that he would surrender the floor to the representative of the Ontario section about one-third of the people left. This was no reflection on the speaker but is mentioned merely to show that the people are interested in the Salt River valley and desirous of hearing all they can about it. If they want to know about Ontario they can easily go from Los Angeles to see it but this is a more distant point and they can learn of it in no better way than through the pictures and the lectures. Mr. Griffin thinks the institution is a fine investment and should be maintained at all hazards.

A BURDEN TO HIMSELF.

A young man, taking a walking trip through the North Carolina mountains, stopped for the night at the cabin of a native. In the morning, with the mountaineer and his family, the guest availed himself of the only lavatory privileges the place afforded, dipping the water with a gourd from a basin on the bench at one end of the little porch. A grimy towel did service for every one. It took the host about two seconds to make his morning ablutions and the operation was over for the day.

He looked on with an interest that grew as the traveler brushed his teeth and used his nail brush. But when he began to shave in front of the cloudy little mirror, the mountaineer would contain himself no longer. "Does yourself give you that much trouble every morning?" he asked in astonishment—National Monthly.

Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a sallow cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 40 years of cures. Accept no substitute—there is nothing "just as good." Ask your neighbors.
