

S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system.

TEMPE MAKES RECORD IN BASE BALL GAMES

Wins Both of Sunday's Games From Phoenix Organizations.

Sunday was a great day for Tempe in the baseball line, two of its teams each winning a game from Phoenix organizations. Probably the most interesting and the one that received the largest attendance was the 13 inning game between a team from Phoenix known by that name and the local town team.

The former game resulted in a score of eight to six in favor of Tempe, although it looked at times like there was no show whatever. A three base hit by the first man up in the second inning on each team tied the score.

The game between the two town teams did not terminate until so late that the game between the two town teams did not terminate until so late

MRS. HIRAM RIGGS PASSED FROM EARTH

Death Sunday Evening of an Estimable Wife and Mother—Funeral Yesterday Afternoon.

Mrs. Effie Riggs, wife of Hiram B. Riggs, died at her home in Mesa about 5:30 Sunday evening, from Bright's disease. She had been a sufferer for a long time, and recently had become very feeble.

Mrs. Riggs was but 32 years of age and leaves six children, the eldest is 14 years and the youngest a babe of but 14 months.

It is now well known that not more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application.

After Years of Suffering. Tells How Her Health Was Regained.

Waurika, Okla.—"I had female troubles for seven years, was all run down, and so nervous I could not do anything. The doctors treated me for different things but did me no good. I got so bad that I could not sleep day or night. While in this condition I read of Lydia E. Pinkham's Vegetable Compound, and began its use and wrote to you for special advice. In a short time I had regained my health and am now strong and well."

Another Woman Recovers. Newton, N.H.—"For five years I suffered from female weakness and dragging down pains. Lydia E. Pinkham's Vegetable Compound has restored my health and the pains are gone."

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has remedied many cases of female ills, such as inflammation, ulceration, displacements, tumors, irregularities, periodic pains, backache, and it may be exactly what you need.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

NEW POSITION. Walter Pine has accepted a position with Mons Ellingson and Sons in their warehouse and will remain in Tempe this summer.

SKATING TONIGHT. Patronage has been so good at the Goodwin Skating rink during the past winter that the management has concluded to open twice a week for a short time. In accordance with those arrangements it will be open tonight and Thursday night.

FROM BUCKEYE. A. C. McDonald a one time resident of Tempe came up from Buckeye Sunday evening to spend a few days on business. He reports things in the Buckeye district to be in their usual business like swing.

RESIGNED. Rev. N. B. McGhee, of the Christian church has resigned his pastorate of that church, the resignation to take place within the near future. He will conduct services at the Airborne next Sunday evening however in order that the plans of the season may not be interfered with. Rev. McGhee has formed many friends in Tempe during the few months which he has spent here, all of which will regret very much to hear that he is to leave.

UNION SERVICES A SUCCESS. The union church services held at the Airborne Sunday evening for the first time this year proved a good success. For many years past the services have always been conducted by every protestant church in Tempe in combination and such was the case Sunday night. Most of the churches are very uncomfortable during this time of the year and at the same time it is very hard to draw a congregation out to five different ones consequently they are all working together and still deriving the same results. Rev. F. W. Gorman's sermon Sunday evening was very fitting and profitable to all who were in attendance. The congregation singing also lent a great deal to the success of the services. The same scheme will be in effect next Sunday evening with Rev. N. B. McGhee officiating.

NUMBER OF DRUNKS. A number of drunks were tried in the local court yesterday before Justice of the Peace Carr, and turned loose with nominal fines. Sunday seemed to be a bad day, especially for a dry town and a good portion of those showing up on the streets were loaded up. Constable Estrada is always on the lookout for those afflicted with a desire for too much of the strong drink, but so far, only to a small extent has he been able to locate the original source of its arrival in Tempe.

TO VISIT SISTER. Miss Lottie Mullen left Sunday evening for Douglas to spend a short time with her sister.

ON BUSINESS. E. L. Bishop of Phoenix was in Tempe yesterday filling orders which he took sometime ago for aluminum cooking utensils.

TO RAY. Mrs. M. L. Spire left yesterday morning for Ray where she will spend the next week or ten days.

CHANGE OF DATE. Cards have been issued to the members of the Mesa Commercial club, announcing that the regular meeting of the club will be held on Wednesday evening, June 12th, at 8 p. m., instead of Tuesday evening, June 11th, as previously announced.

THREE DRUNKS. Three parties who gave their names as "Twelve," Carlos Ortega and Manuel Doe were arrested Sunday night by Marshal Peterson because of their trying to carry more tangle-foot booze than their systems could sustain. Presumably the jag material found its way into their possession by one of the devious routes that all intoxicants now reach the Mesa thirsty. Two of the men obtained their hands, the third having forsaken the newly hotel and entered a plea of guilty in police court yesterday morning. The usual \$7.00 assessment was levied.

ELECTION TONIGHT. Tonight is set apart by the Red Men of Montezuma tribe for the semi-annual election of officers who will take their seats on the first Tuesday night in July. All members should be on hand.

MESA WEATHER. Maximum temperature, 96. Minimum temperature, 59. Mean temperature, 77. Character of day, clear. Wind, southwest. Forecast, fair.

MOVING TRAIN. A large number of trains are now employed in hauling grain to the warehouses and to the depot for shipment. The grain crop this season is one of the best reported for several years.

WIND ON DESERT. During the blow last week, the ranch of Wm. Irwin, southeast of town, was visited by a regular "twister." The roof of the barn was blown entirely away. Mrs. Irwin, who was at home at the time, reports that for a few moments the air was full of flying tin, shingles and other fragments of the dilapidated barn. She was quite badly frightened, thinking that a regular cyclone had struck the place.

ON SICK LIST. W. W. Mitchell reported for duty at his place of business yesterday, but said that he was on the sick list. While he filled the editorial chair at the Free Press office, he gave the assistants credit for doing the greater part of the work.

NEW RESIDENCE. C. Fred Brackett, of the A. & B. Co., is getting his new residence on East First avenue well under way. The walls are being constructed of adobe, made on the ground, and when petted the building will provide a commodious and comfortable home for the fire chief and his family.

FRACTURED THE SABBATH. Quite a number of the ranchmen who had hay and grain mowing immediate attention spent Sunday in the fields. The fear of rains acts as a spur to industry during seven days of the week, until the crops are under cover.

STRANGERS IN TOWN. Sunday is generally a dull day for transients at the Mesa hotels, and June 9 was no exception to the rule. The Alhambra hotel register contains the following: W. R. Clemons, Moscow, Idaho; D. T. Moody, Los Angeles; W. A. Moody, Thatcher; W. T. Oberbaugh, Claude, Oberburgh, Tulare, Calif.; Bert Seymour.

STOPS SCALP ITCH. Dandruff and Every Form of Scalp Disease Cured Quick by Zemo. It is simply wonderful how Zemo goes after dandruff. You rub a little of it in with tips of the fingers.
