

the option at any time then or thereafter, either to operate the same on its own account or by ordinance to lease the same, or any part thereof, together with the franchise or right to use the streets or other public property in connection therewith for periods not exceeding twenty-five years, under such rules and regulations as it may prescribe, or by ordinance to sell the same to the highest bidder at public auction.

Section 20. The enumeration and specification of particular matters in this Charter which must be included in every grant, shall never be construed as impairing the right of the Commission to issue in such franchise or grant, such other and further matters, conditions, covenants, terms, restrictions, limitations, burdens, taxes, assessments, rates, fares, rentals, charges, control, forfeiture, or any other provision whatever as the Commission shall deem proper to protect the interests of the people.

Section 21. The Commission shall have the right and power to issue revocable or temporary permits and licenses, to any person, association of persons, or corporation, operating under a franchise or grant from the city, for the purpose of temporarily making use of a portion of the public highways, streets or other public places, for the better carrying out of the object of the grant or franchise, and as an aid for rendering better or more convenient service to the people of the city or such of them to whom such service is, or might be rendered within the contemplation of such franchise or grant, such license or permit to be revocable and subject to discontinuance at any time in the discretion of the Commission, and shall be subject to such restrictions, limitations, burdens and regulations as the said Commission may impose in connection with such permit and license.

The Commission shall have the right to indicate and designate upon what terms it will grant such permit or license, and a compliance with such terms and conditions, shall be a prerequisite to the granting of such permit or license. Such license or permit, upon receiving notice from the Commission of the revocation of such license, shall forthwith comply with the requests to remove any property or obstruction placed on, upon, in or under any public place or building contained in such notice of revocation, or any subsequent notice from such Commission, and the failure so to do shall place the person, persons or corporation so failing to comply therewith in the same position as if he, they or it, had been using or had taken possession of such public place or street or building without any permit or license of the Commission, and shall be punishable accordingly.

CHAPTER XX

Judicial Department

Section 1. There shall be and is hereby established in the City of Phoenix a municipal court, to be known and designated, "THE CITY COURT OF THE CITY OF PHOENIX, MARICOPA COUNTY, STATE OF ARIZONA," which court shall always be open except on non-judicial days, and on such non-judicial days it may transact such business within its jurisdiction as is authorized by general law to be transacted by courts of justice of the peace relative to business within their jurisdiction.

Section 2. Said court shall, within the territorial limits of said city, have and exercise jurisdiction as follows: (a) It shall have and exercise exclusive original jurisdiction of all proceedings of a criminal nature for the violation of any ordinance of said city; and of every action of a civil nature for the enforcement of a penalty, or the recovery of a penalty, or forfeiture imposed by any ordinance of said city for violation thereof, or for neglect to perform any duty by any ordinance imposed; and of every action for the collection of any license-tax or penalty due from any person to said city and required to be paid, or which is due and collectible under the ordinance of said city; provided the amount thereof does not exceed two hundred dollars.

(b) Said court shall also, within the territorial limits aforesaid, have jurisdiction concurrent with justices of the peace in any and all civil actions triable by a justice of the peace or a justice court under the Constitution and General Laws of the State of Arizona; but said City Court shall have no criminal jurisdiction other than that reserved in clause (a) hereof.

Section 3. There shall be at least one city magistrate elected, who shall be judge of the City Court. He shall hold office for a term of two years, except the first term as herein provided for, or until his successor is elected and qualified, unless sooner removed from office in the manner provided in this Charter.

Section 4. The salary of each city magistrate shall be the sum of \$1800.00 per year, payable in monthly installments, but such salary may be changed, increased or modified by ordinance of the Commission, if they shall deem proper and necessary. Such change, modification or increase shall, however, not take effect during the term for which such magistrate, then in office, shall have been elected.

Section 5. The Commission shall provide each city magistrate with a proper court room and he shall also be provided with all the necessary stationery, furniture and paraphernalia. The Commission shall also provide proper and necessary clerical force for the keeping and maintaining of a proper record of the transactions of the magistrate's court, and of the acts, judgments and orders of the said magistrate. All fines, penalties, and fees collected by the magistrate, in the course and performance of his duties shall be paid to the city treasurer on the first day of each and every month and proper receipt taken therefor. The moneys so paid by the city magistrate may, by ordinance of the Commission, be apportioned to any particular fund and shall thereafter be used in accordance with such ordinance.

Section 6. He shall collect and receive in civil cases the same fees as are fixed by general law and required to be paid in justice courts for the like services.

Section 7. For the proper carrying out of the jurisdiction, vested in said city magistrate, he shall be entitled, and authorized, to issue and cause to

be served, any and all writs and processes, and he shall have full authority to hear and determine all matters properly coming before him and coming within his jurisdiction herein specified. The writs and processes to be used by said magistrate shall be similar to those used by justices of the peace in cases of a similar nature, and proper record shall be kept of the issuance of writs and processes, and returns, and of any and all other actions taken in reference to such writs and processes, and the actions of the court thereon. The police of the City of Phoenix, are hereby authorized to execute and serve any and all writs and processes issued out of said magistrate's court by said magistrate, and proper return shall be made by such officer to the same extent as is required of constables, and sheriffs in the service and execution of, similar papers.

Section 8. The Commission shall pass all necessary ordinances to give effect to the provisions of this chapter not otherwise herein provided.

CHAPTER XXI

Miscellaneous Provisions

Section 1. For the purpose of nominating candidates and electing a mayor, two commissioners and a city magistrate, in accordance with this Charter, this Charter shall take effect from the time of the approval of the same by the Governor of the State of Arizona.

Section 2. The mayor and common council of the City of Phoenix, who shall be in office at the time of the approval of this Charter by the governor of the state, are hereby empowered, authorized and directed to provide the necessary means for securing the nomination of candidates for the several offices to be voted for under the provisions of this Charter, at the first election to be held under this Charter, and to provide all necessary means and paraphernalia, including polling places for the holding of the primary and general elections under the provisions of this Charter relating to the first elections under this Charter, and they shall also act as the canvassing board for the canvass of the votes cast at such elections and shall declare the results thereof and secure the recording of the same, as contemplated by the provisions of this Charter; and they shall also approve the bonds of all the officers elected at such elections.

Section 3. Immediately upon the election of such officers, their qualifications and furnishing bond as herein provided for, the mayor and common council shall turn over and deliver to such officers, all of the property, records, seal and other paraphernalia belonging to the common council of the City of Phoenix, which said act shall be accomplished by the passage and recording in the proper book of a resolution to the effect that all of the property, rights, records, papers, property, paraphernalia now belonging to the common council of the City of Phoenix, are hereby transferred to and delivered to the City of Phoenix, pursuant to the requirements of the Charter adopted by the electors of the City of Phoenix and referring to the date when such adoption was made.

Section 4. The mayor and members of the Common Council of the City of Phoenix, in office at the time of the approval of this Charter by the governor, shall continue to hold office and discharge their duties until the election and qualification of the mayor and commissioners first elected under this Charter. The terms of all other officers in office at the time this Charter takes effect, and that of all employees of the city at the time this Charter shall take effect, shall cease and terminate when the Commission first elected shall by resolution so declare. The compensation of all of such officers and employees remaining in office, after the election and qualification of said Commission and until the adoption of such resolution, shall be paid out of the city treasury in the manner provided by the Commission.

Section 5. All lawful city ordinances, resolutions and regulations in force at the time this Charter takes effect, and not inconsistent with the provisions hereof, are hereby continued in force until the same shall be duly amended or repealed.

Section 6. The city attorney shall attend all meetings of the Commission, all criminal cases arising from violations of the provisions of this Charter, and the ordinances of this city, and shall attend to all suits and proceedings in which the city may be interested; provided that the Commission shall have control of all litigation of the city, and may employ other attorneys to take charge of any litigation or to assist the city attorney therein, and may provide for the payment of any proper services and work done on behalf of the city in connection with its legal matters, and said city attorney's duties.

Section 7. The violation of any provision of this Charter, or of any ordinance of the city shall be deemed a misdemeanor, and may be prosecuted by the authorities of the City of Arizona, or may be redressed by civil action, at the option of the Commission. Any person sentenced to imprisonment for the violation of a provision of this Charter, or of an ordinance, may be imprisoned in the city jail, or, if the Commission, by ordinance, shall so prescribe, in the county jail of the county in which the City of Phoenix is situated, in which case the expense of such imprisonment shall be a charge in favor of said county against the City of Phoenix.

Section 8. The City of Phoenix, by and through its Commission, may by ordinance enlarge and add to the present City of Phoenix, such adjacent land and incorporate into the City of Phoenix such additional area and territory as the said Commission shall deem proper and wise. The procedure for making such enlargement, extension and addition, shall be such as is now, or may hereafter be prescribed by statute or by ordinance passed and adopted by the said Commission, for that purpose, shall

take preference over any state statute relating to such enlargement or additions to the territorial limitations of the City of Phoenix, or to cities generally.

Section 9. The Commission shall have plenary power to enact and make used any and all necessary ordinances, resolutions and orders to carry out and give effect to the express, as well as the implied, powers granted in this Charter to the end that a complete, harmonious and effective municipal government may be initiated, installed, operated and maintained in the City of Phoenix, and thereby protect and safeguard the rights, interests, safety, morality, health and welfare of the city and its inhabitants.

CHAPTER XXII

Amendments

This Charter may be amended, or any portion or subdivision of this Charter may be amended, in the manner provided in Section 2 of Article XIII, of the Constitution of the State of Arizona, as the same exists at the time the same may be amended hereafter, or in such other manner as may hereafter be provided by law.

CERTIFICATE

WHEREAS, the City of Phoenix, in the County of Maricopa and State of Arizona, did on the 6th day of June, 1912, at a special election, under and in accordance with the provisions of Article XIII, of the Constitution of Arizona, and of Resolution No. 528 of the Resolutions of the City of Phoenix, elect C. RESOLUTION NO. 539

A resolution of the Common Council of the City of Phoenix, declaring their intention to improve a certain portion of Washington street in said city and determining that bonds shall be issued to represent the cost thereof and declaring the work or improvement to be of more than local or ordinary public benefit, and that the expense of said work shall be assessed upon a district, and providing that the proposed work or improvement shall be done under the provisions of "The Improvement Act of 1912."

Be it resolved by the Common Council of the City of Phoenix:

Section 1. That the public interest and convenience require and that it is the intention of the Common Council of the City of Phoenix to order the following work to be done, to-wit:

1. That the roadway of Washington street in said city from the easterly line of Fourth avenue, to the westerly line of Seventh avenue, including all intersections of streets (excepting such portions of the roadway of said street and intersections as have already been graded and paved with bituthilic pavement, and excepting also such portions of said street and intersections as are occupied by any railroad track or tracks and by a space two (2) feet in width outside the rails of said tracks) be graded and paved with bituthilic pavement in accordance with the plan, profile and cross section for said work on file in the office of the City Engineer of said city, said plan, profile and cross section being numbered 2018 and said cross section being numbered 2009 in the records of his office and in further accordance with specifications numbers 11 and 15 on file in the office of the City Recorder of said city, and which said plan, profile, cross section and specifications are hereby referred to for a more particular description of said work and made a part hereof.

2. That a cement concrete gutter be constructed along each line of the roadway of Washington street from the west line of Fifth avenue, to the east line of Fifth avenue, from the west line of Fifth avenue, to the east line of Sixth avenue, and from the west line of Fifth avenue to the east line of Seventh avenue (excepting along such portions of said roadway upon which a cement concrete gutter has already been constructed) in accordance with the plan, profiles and cross section for said work on file in the office of the City Engineer of said city, said plan, profile and cross section being numbered 2017 and 2020, and said cross section being numbered 2009, the details of which are shown in cross section numbered 2010 in the records of his office and in further accordance with specifications numbers 11 and 15 on file in the office of the City Recorder of said City, and which said plans, profiles, cross sections and specifications are hereby referred to for a more particular description of said work and made a part hereof.

3. That a cement concrete curb be constructed along each line of the roadway of Washington street from the east line of Fourth avenue to the west line of Seventh avenue (excepting along such portions of said roadway upon which a cement concrete curb has already been constructed) in accordance with the plan, profiles and cross sections for said work on file in the office of the City Engineer of said city, said plan, profile and cross sections being numbered 2017 and 2020, and said cross section being numbered 2009, the details of which are shown in cross section numbered 2010 in the records of his office and in further accordance with specifications numbers 11 and 15 on file in the office of the City Recorder of said City, and which said plans, profiles, cross sections and specifications are hereby referred to for a more particular description of said work and made a part hereof.

4. That a reinforced concrete culvert be built north and south across the west side of the intersection of Adams street with Fourth street with east and west wings connecting with the gutters on Adams street, and a similar culvert be built around the northeast corner of said intersection connecting the east gutter on Fourth street with the north gutter of Adams street, to provide an outlet for water (except where such culverts have already been built and are to the proper line and grade) in accordance with the plan, profile, and cross-section for said work on file in the office of the City Engineer of said City, said plan being numbered 2021 and 2024 and said cross-section being numbered 2011, the details of which are shown in cross-section numbered 2004 in the records of his office and in further accordance with specifications Numbers 11 and 14 of the City of Phoenix for placing cement concrete curbs on file in the office of the City Engineer of said City, which plans, profiles, cross-sections and specifications are hereby referred to for a more particular description of said work, and made a part hereof.

5. That at the north and south lines of the intersection of Adams street with Fourth street, and at the west line of Fifth street, the roadway adjoining the pavement be graded from the edge of the pavement on a grade not to exceed ten (10) per cent until it meets the original surface of the roadway.

Section 2. That the said contemplated work or improvement in the opinion of the Common Council is of more than local or ordinary public benefit and said work or improvement hereby make the cost and expense of said work or improvement chargeable upon a district and hereby declares that the district in said City of Phoenix benefited by said work or improvement and to be assessed to pay the costs and expenses thereof is described as follows: All that portion of said city lying within the following described exterior boundary line, to-wit: Beginning at a point on the southerly line of Washington street midway between the easterly line of Fourth avenue and the westerly line of Third avenue, thence southerly along the line midway between the easterly line of Fourth avenue and the westerly line of Third avenue to a point midway between the southerly line of Washington street and the northerly line of Jefferson street, thence easterly on a line midway between the northerly line of Washington street and the southerly line of Adams street to a point midway between the easterly line of Fourth avenue and the westerly line of Third avenue, thence southerly on the line midway between the easterly line of Third avenue and the westerly line of Jefferson street, excepting therefrom any portion of any public street or alley which may be included in the above described district.

Section 3. The City Engineer is hereby directed to make a diagram of this district described hereinabove in Section 2 of this Resolution to pay the costs and expenses thereof. Such diagram shall show each separate lot, piece or parcel of land in said district, and the relative location of the same to the work proposed to be done.

Section 4. The said Common Council finds that the public convenience requires that serial bonds be issued to represent the cost and expense of such work or improvement and said Common Council determines that serial bonds shall be issued to represent each assessment of twenty-five dollars (\$25.00) or more for the cost of said work or improvement; said serial bonds shall extend over a period and term of nine (9) years from and after the 2nd day of January next succeeding the date of the passage of this Resolution, and an even annual proportion of the principal sum thereof shall be payable by coupon on the 2nd day of January and July respectively of each year at the rate of six per cent (6 per cent) per annum on all sums unpaid until the whole of said principal sum and interest are paid.

Section 5. The serial bonds herein mentioned shall be issued in accordance with the provision of an Act of the Legislature of the State of Arizona known and designated as the "Improvement Act of 1912," approved May 17, 1912, and all the proceedings of the aforesaid improvement shall also be taken under said "Improvement Act of 1912."

Section 6. The City Recorder shall certify to the passage of this Resolution of Intention and shall cause the same to be published ten times in the Arizona Republican a daily newspaper published and circulated in the City of Phoenix and hereby designated for that purpose.

Section 7. The Superintendent of Streets of the City of Phoenix shall post notice of said proposed improvement as required by law, and in said notice shall refer to this "Resolution of Intention."

I hereby certify that the above and foregoing Resolution No. 540 was duly passed by the Common Council of Phoenix at a meeting held September 10, 1912, and that a quorum was present thereat.

FRANK THOMAS, City Recorder.

same to be published ten times in the Arizona Republican, a daily newspaper published and circulated in the City of Phoenix and hereby designated for that purpose.

Section 7. The Superintendent of Streets of the City of Phoenix shall post notice of said proposed improvement as required by law, and in said notice shall refer to this "Resolution of Intention."

I hereby certify that the above and foregoing resolution No. 539 was duly passed by the Common Council of Phoenix at a meeting held September 10, 1912, and that a quorum was present thereat.

FRANK THOMAS, City Recorder.

RESOLUTION NO. 540.

A resolution of the Common Council of Phoenix, declaring their intention to improve a certain portion of Adams Street in said City, and determining that bonds shall be issued to represent the cost thereof and declaring the work or improvement to be of more than local or ordinary public benefit, and that the expense of said work shall be assessed upon a district, and providing that the proposed work or improvement shall be done under the provisions of "The Improvement Act of 1912."

Be it resolved by the Common Council of Phoenix:

Section 1.—That the public interest and convenience require and that it is the intention of the Common Council of Phoenix to order the following work to be done, to-wit:

1. That the roadway of Adams street in said City from the easterly line of Third street, to the westerly line of Fifth street, including all intersections of streets (excepting such portions of the roadway of said street and intersections as have already been graded and paved with bituthilic pavement) be graded and paved with bituthilic pavement in accordance with the plan, profile and cross-section for said work on file in the office of the City Engineer of said City, said plan being numbered 1009, said profile being numbered 2025, and said cross-section being numbered 3011 in the records of his office and in further accordance with specifications Number 11 and 12 of the City of Phoenix for the laying of bituthilic pavement, on file in the office of the City Recorder of said City, and which said plan, profile, cross-section and specifications are hereby referred to for a more particular description of said work and made a part hereof.

2. That a cement concrete gutter be constructed along each line of the roadway of Adams street from the east line of Third street to the west line of Fourth street, and from the east line of Fourth street to the west line of Fifth street (excepting along such portions of said roadway upon which a cement concrete gutter has already been constructed) in accordance with the plan, profiles and cross-section for said work on file in the office of the City Engineer of said City, said plan being numbered 1009, said profile being numbered 2025, and said cross-section being numbered 3011, the details of which are shown in cross-section numbered 2004 in the records of his office and in further accordance with specifications Numbers 11 and 12 of the City of Phoenix for the laying of bituthilic pavement, on file in the office of the City Recorder of said City, and which said plan, profile, cross-section and specifications are hereby referred to for a more particular description of said work, and made a part hereof.

3. That a cement concrete curb be constructed along each line of the roadway of Washington street from the east line of Third street to the west line of Fifth street (except along such portion of said roadway upon which a cement concrete curb has already been constructed and now is to the official line and grade) in accordance with the plan, profiles and cross-sections for said work on file in the office of the City Engineer of said City, said plan being numbered 1009, said profile being numbered 2021 and 2024 and said cross-section being numbered 2011, the details of which are shown in cross-section numbered 2004 in the records of his office and in further accordance with specifications Numbers 11 and 14 of the City of Phoenix for placing cement concrete curbs on file in the office of the City Engineer of said City, which plans, profiles, cross-sections and specifications are hereby referred to for a more particular description of said work, and made a part hereof.

4. That a reinforced concrete culvert be built north and south across the west side of the intersection of Adams street with Fourth street with east and west wings connecting with the gutters on Adams street, and a similar culvert be built around the northeast corner of said intersection connecting the east gutter on Fourth street with the north gutter of Adams street, to provide an outlet for water (except where such culverts have already been built and are to the proper line and grade) in accordance with the plan, profile, and cross-section for said work on file in the office of the City Engineer of said City, which plans, profiles, cross-sections and specifications are hereby referred to for a more particular description of said work, and made a part hereof.

5. That at the north and south lines of the intersection of Adams street with Fourth street, and at the west line of Fifth street, the roadway adjoining the pavement be graded from the edge of the pavement on a grade not to exceed ten (10%) per cent until it meets the original surface of the roadway.

Section 2.—That the said contemplated work or improvement in the opinion of the Common Council is of more than local or ordinary public benefit and said Common Council hereby make the cost and expense of said work or improvement chargeable upon a district and hereby declares that the district in said City of Phoenix benefited by said work or improvement and to be assessed to pay the costs and expenses thereof is described as follows: All that portion of said city lying within the following described exterior boundary line, to-wit: Beginning at a point on the southerly line of Washington street midway between the easterly line of Fourth avenue and the westerly line of Third avenue, thence southerly along the line midway between the easterly line of Fourth avenue and the westerly line of Third avenue to a point midway between the southerly line of Washington street and the northerly line of Jefferson street, thence easterly on a line midway between the northerly line of Washington street and the southerly line of Adams street to a point midway between the easterly line of Fourth avenue and the westerly line of Third avenue, thence southerly on the line midway between the easterly line of Third avenue and the westerly line of Jefferson street, excepting therefrom any portion of any public street or alley which may be included in the above described district.

Section 3. The City Engineer is hereby directed to make a diagram of this district described hereinabove in Section 2 of this Resolution to pay the costs and expenses thereof. Such diagram shall show each separate lot, piece or parcel of land in said district, and the relative location of the same to the work proposed to be done.

Section 4. The said Common Council finds that the public convenience requires that serial bonds be issued to represent the cost and expense of such work or improvement and said Common Council determines that serial bonds shall be issued to represent each assessment of twenty-five dollars (\$25.00) or more for the cost of said work or improvement; said serial bonds shall extend over a period and term of nine (9) years from and after the 2nd day of January next succeeding the date of the passage of this Resolution, and an even annual proportion of the principal sum thereof shall be payable by coupon on the 2nd day of January and July respectively of each year at the rate of six per cent (6 per cent) per annum on all sums unpaid until the whole of said principal sum and interest are paid.

Section 5. The serial bonds herein mentioned shall be issued in accordance with the provision of an Act of the Legislature of the State of Arizona known and designated as the "Improvement Act of 1912," approved May 17, 1912, and all the proceedings of the aforesaid improvement shall also be taken under said "Improvement Act of 1912."

Section 6. The City Recorder shall certify to the passage of this Resolution of Intention and shall cause the same to be published ten times in the Arizona Republican a daily newspaper published and circulated in the City of Phoenix and hereby designated for that purpose.

Section 7. The Superintendent of Streets of the City of Phoenix shall post notice of said proposed improvement as required by law, and in said notice shall refer to this "Resolution of Intention."

I hereby certify that the above and foregoing Resolution No. 540 was duly passed by the Common Council of Phoenix at a meeting held September 10, 1912, and that a quorum was present thereat.
