

# HAY MAKING TIME IS HERE

and we can supply you with the most practicable stacker made. THE SCHEISER DERRICK AND STACKER builds a perfect stack and greatly cuts down your labor costs. Two or three men with a Scheiser Stacker can do the work of a dozen men working by hand. The Scheiser is also used as a derrick for loading baled hay, lifting sacks of grain, heavy machinery, etc. It is portable and easily moved. Made in two sizes, large and medium. Call and see the Scheiser.

### For Sale—Miscellaneous

**DAIRY FOOD.**  
In compounding ZONA-FALFA Dairy Food a correctly balanced ration has been prepared. It is carefully blended in the right proportion of Alfalfa Meal and Grains.  
Any food that is high in protein is costly but protein is absolutely essential to growth and elaboration of milk. We have it in ZONA-FALFA at a low cost with the required ash to keep up the bone growth; with required fat to keep up general condition of the cow, and in such a form that it can be fed without waste.  
Try it. Te result will be

# Eliminate the Risk

Remember that there is as much danger of fire from without as within. Some folks think that because they use every available precaution to avoid fire starting inside, they can afford to economize in the matter of insurance. But they forget that a blaze in the house next door might easily reach them and that the incendiary is ever abroad. Eliminate the risk entirely. Why take any chances at all when insurance costs so little?

**E. J. BENNETT & CO.** 16-18 N. Center Street
