Paint Department

In installing our Paint Department, we have considered three important points. First, Quality; Second, Price; Third, Source of Supply.

As to quality, we have chosen the best that is manufactured. The Sun Proof. Our price is the lowest that high quality goods can sell for. We are peculiarly fortunate as to source of supply, since the Sun Proof people are the only Paint Manufacturers who carry a warehouse stock in Arizona, or between the Pacific Coast and the East. These goods are shipped to Arizona in car lots, affording patrons the advantage of car lot freight rates in cost, and affording quantity and assortment to choose from, so that no order is too large or too varied to meet with prompt delivery.

Sun Proof Paint, the best made Princess Floor Paint and Porchite.

Sole Proof—Beats everything for Polishing your furniture
