GRANDMA USED SAGE TEA TO DARKEN HAIR

She made up a mixture of Sage Tea and Sulphur to bring back color and gloss, thickness

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application of two, your hair becomes beautifully dark, glossy, soft and luxuriant.

FINANCES and MARKETS

[Republican A. P. Leased Wire] NEW YORK, Feb. 28 (Wall Street).—The foreign situation cast its shadow over today's feverish market. Liquidation was insistent and the short interest accelerated the decline by a resumption of its recent aggressive tactics.

Shares of the war groups and other specialties which are wont to follow the lead of those issues, recorded extreme losses of 3 to 6 points, while seasoned or investment shares yielded 2 to 3. There was marked improvement in the final hour.

Yet another unsettling feature was found in the renewal of heavy Anglo-French 5's, which fell to a new minimum of 93 1/2.

Almost the sole element of strength was furnished by Reading, that stock showing an extreme gain of 2 1/2 points at 82 1/2.

Total sales of stocks amounted to \$65,000 shares.

With its increase of \$1,430,000 in January operating revenues, Northern Pacific presented quite the best statement of any road in its territory for that period.

Bonds in general were disposed of, but concessions were mostly nominal. Total sales par value aggregated \$4,290,000.

United States bonds were unchanged on call.

CHICAGO GRAIN. CHICAGO, Feb. 28.—Germany's refusal to alter or delay the plan to attack without warning any armed ships of her enemies brought about a fresh collapse today in the value of wheat. Prices fell five cents a bushel, and closed excited at 4 1/2 cents net decline, with May at \$1.09 and July at \$1.06 1/2. Corn lost 3/4c to 3 1/2c, and oats 1 1/2c to 1 3/4c. In provisions, the outcome varied from unchanged figures to 25 cents down.

Throwing away holdings of wheat began almost as soon as the market opened.

Some of the strongest interests in the wheat trade attempted to stem at the outset the downward course of the market.

Corn suffered a heavy setback with wheat. Oats were partly sustained by a moderate shipping demand.

Pork and ribs gave way with cereals, but lard remained firm. Exports of lard increased 3,000,000 pounds and bacon 14,000,000 pounds, as compared with a year ago.

Close: Corn, May, 73 1/2c; July, 72 1/2c. Oats, May, 42 1/2c; July, 40 1/2c.

HOUSEWIVES TO LOOK AFTER HEALTH

[Republican A. P. Leased Wire] NEW YORK, Feb. 28.—Prominent women representing all parts of the country have been appointed members of a special committee to organize the campaign undertaken by the National Housewives' League to build up the health of the nation through proper feeding as its contribution to the preparedness movement. It was announced here tonight.

The committee is charged with the duty of arousing women to the need of studying the question of nutrition and applying the knowledge obtained to the numbers of their own family. Every woman's organization in the country will be urged to take up the propaganda.

"If we are ever to have a war we cannot fight with anemics and dyspeptics," says a statement issued by the league. "If we are to have a volunteer reserve army made up of artists and professional men we must look to the physical upbuilding of these men. Regular army men are fit on the plain diet of the commissary department whereas the volunteers suddenly springing to arms come from the dining rooms and food of the homes."

ROUT TURKISH COLUMN. [Republican A. P. Leased Wire] LONDON, Feb. 28.—A Turkish column was attacked and routed by South African troops yesterday at Agagia, Egypt, according to a British official statement issued tonight, which adds that the fleeing Turks are being pursued.

Tempe News Notes

LAST AND FIRST OF COTTON SEASONS

After a short run at the Tempe gin today the 1915 cotton season on the south side will be at an end. Unusually strung out has the picking been this season and in consequence the gin has operated for the most part but a few days at a time. After a final run extending over yesterday and today the plant will close down completely and not until the first cotton ripens next September will it resume its grind.

Planting for the new season is just getting under way. Growers are working long hours in the preparation of their ground and just as rapidly as they get it in shape the first planting is being made. This year's acreage tributary to Tempe will probably reach three thousand acres and it is estimated that there is a material increase in acreage over the entire south side.

TEMPE WOMAN'S CLUB. The general meeting for March will be held Friday at 3 o'clock in the Congregational church. Board of directors meeting at 2:30. Prof. J. O. Mullen of the high school will address the club on the subject, "Is the Parent-Teacher's Association Worth While?" This will be an open meeting, and the women of Tempe, especially the mothers and teachers, are cordially invited to attend.

THE TEMPEAN. Sam Bernard, in his first screen appearance as "Poor Schmaltz," is tonight's offering at the Tempean theater. The subject selected for Mr. Bernard's introduction to the motion picture public, "Poor Schmaltz" presents him in the hilarious role of a German wig-maker who becomes the principal agent in a series of excruciatingly comic adventures, and it is certain that this characterization will rank with the popular star's greatest comedy creations and will be recorded as one of the foremost travesty triumphs of the screen.

REVIVAL SPECIAL. Probably as many as two hundred will be passengers on tomorrow evening's special train to Phoenix, where the party will attend in a body the evangelistic meeting being conducted by Rev. T. B. Price. A party ticket has been provided, and contrary to custom, those intending to go must secure their tickets from Chas. H. Prather by noon tomorrow. No tickets will be sold at the depot. The special will leave Tempe at seven o'clock and will return shortly after the close of the service.

"MAN WITH THE IRON HEART". Henry Kolker is responsible for a three-reel drama, of which the New York Motion Picture News in reviewing says: "It is a story of a modern business man hard as nails. The man's nearness to death brings about a realization that he has been wrong in his perspective of the world and it ends with the reformation of 'The Man with the Iron Heart.'" With it will be shown a one-reel comedy, "The Merry Movie Man," and "A Box of Bandits," at the opera house tonight.

SWIFT'S LOCAL TRADE. H. G. Tuckey of Phoenix paid his customary Monday visit in the interest of Swift & Co. to the merchants of Tempe yesterday.

K. P. SESSION TONIGHT. The Knights of Pythias will hold their regular meeting this evening. Degree work in the rank of knight is a feature of the program.

SCHUBERTS COMING. The Schubert Symphony club, one of the several musical organizations that always find a large audience to greet them when they play return engagements for Tempe, are booked to entertain at the Methodist church on Friday evening, the 10th of March. The club has been in Tempe on two previous occasions and its return this third time is under the auspices of the Aid society of the M. E. church.

SPALDING MAN. Clyde Holley of the Los Angeles A. G. Spalding house is spending the first days of this week on the south side and yesterday was at the McNary house with his array of sporting goods. Mr. Holley spent last week at Ray and Hayden and he says that baseball up in those regions this season will be well on a par with the coast league.

REHEARSING FOR PLAY. "The Gypsy Queen," an opera, will be given by the high school students aided by some of the grade pupils on the evening of March 14th. The high school participants are rehearsing under Prof. Hanson. The grade pupils, who are to represent fairies, are being drilled by Mrs. G. W. Silverthorn and Miss Viola Passey.

APPENDICITIS OPERATION. Mrs. Thomas Cooper was operated on for appendicitis at the Dr. Nelson emergency hospital yesterday. She is reported as doing well.

VISITING FROM TUCSON. Local Telephone Manager Kellogg came out of the long distance booth yesterday and danced a small jig in front of the Republican man. Asked the reason for his burst of hilarity he said: "I have just had a call from Tucson and she is coming to visit me tonight." Mr. Kellogg drove to Phoenix in the afternoon to meet his mother at that place.

THE DISCIPLE. One of the strongest of the noted Triangle plays will be seen at the Majestic tonight. William S. Hart in the role of the missionary to Barren Utah. The eloquence of his shallow wife with a saloon-keeper and the wonderful showing of the missionary's fight for self-control as he is tempted to shoot the destroyer of his home, all make up a thrilling emotional drama. The comedy film, "Her Painted Hero," relieves the tension of the first play, filled as the latter is with laughable episodes.</
