COPPER QUEEN CASE JUNE 13

Hearing to Be Held Before Judge Sawtelle On Injunction to Restrain Corporation Commission from Cancelling Charter

In the matter of the Copper Queen Consolidated Mining company against the Arizona corporation commission, in which an injunction has been granted by United States Judge Sawtelle to restrain the defendants from depriving the plaintiff of its right to

do business in the state, the hearing on the injunction before the United States court at Los Angeles was set yesterday for June 13. But on account of the crowded condition of the calendar it will probably not be heard at that time. According to a stipulation entered into yesterday both sides will consent to a rearrangement of the calendar.

The deprivation of the plaintiff of its right to transact business in this state is sought on the ground that it has violated that statute which forbids a foreign corporation to transfer a suit begun in the courts of this state to a federal court, or to begin an action in federal court against any citizen of this state.

The petition of the plaintiff recites many reasons why the law is invalid as to it, and one very particular reason why it deprives the plaintiff of the power of self protection. For instance, the plaintiff is the owner of many valuable patent rights. The federal court is given exclusive jurisdiction in all matters involving patent rights. Such cases can be heard in no other court in the land. If those rights should be infringed upon by a citizen of Arizona, under the statute the plaintiff would be without remedy in any court, since the Arizona courts have no jurisdiction.

The canvass of the city will be made by districts, each of which will be visited by four members of the club.

from the mayor of the town. The mayor charged that the Americans were committing depredations, these consisting of throwing up fortifications on the property they had occupied, he said. He charged also that Gen. Pershing's men were coming into the town in violation of the agreement between the Carranza and Washington governments.

He declared the attitude of the foreigners was distinctly hostile to the Carranzistas, inasmuch as it was unnecessary, in view of Mexican co-operation, for the Americans to fortify themselves.

Gen. Gaviira transmitted the complaint to Gen. Jacinto Trevino at Chihuahua.

The Carranza government will grant amnesty to Gen. Inez Salazar, who recently evaded surveillance in El Paso and crossed the Rio Grande to start another revolution if Salazar will agree to surrender himself in Juarez, Gen. Gaviira said today.

The Juarez commander this morning sent word to Salazar, who is hiding near Sabinas, near Guzman, that he can return north in security. The message was taken to Salazar, who recently applied for amnesty, by the conductor of a Mexico Northwestern train which left for Casas Grandes.

Salazar's attempted revolution was a fiasco. He now has only a few men.

The first attempt to resume mining operations in the Farral district of Mexico, was initiated today when A. J. McQuatters, president of the Alvarado Mining and Milling Company, left with thirty-five men to reopen the company's properties there.

A complete company of twenty-seven trucks passed through here today for Columbus to be added to the transport service to rush rations and forage south before the rainy season begins.

Corporation Commission Makes Important Ruling in Case of Financial Concerns

It was yesterday ordered by the corporation commission that all investment companies doing business within the state, should keep all books, documents and records within the borders of the state, and at all times be open to the commission.

The order is made to comply with Chapter IX, title IX of the Revised Statutes of Arizona.

This does not apply to all corporations incorporated in or doing business in the state, but to only such corporations as conduct an investment business. It applies though to foreign corporations conducting such a business, and who have a branch in this state.

UTILITY PLATFORM OF ARIZONA CLUB

Organization to Launch Membership Campaign; Explaining Merits as Business Man's Meeting Place

The Arizona club is on the eve of a membership campaign. An appeal is to be made to citizens on the ground of the usefulness of the club to the city; the necessity of such an organization to the civic and commercial life of Phoenix. The home of the club is less a place where the members may pass their time than a place where business men may gather to talk over local problems or meet business men from other parts of the country. In this respect the club is less a social feature than many who are not members of it imagine. It is not the exclusive organization that has been supposed, and men who can serve the community in any way will be sought for their application for membership.

It has splendid appointments, a dining-room billiard and reading-rooms, roof garden and whatever else a well ordered club home should have.

For the purposes of the campaign, the initiation fee has been reduced. If there has been no reduction in membership fees it is because they are largely lower than those of any similar organization in the country.

COL. ROOSEVELT IS GLOVER WITNESS

(Republican A. P. Leased Wire)

WASHINGTON, May 23.—Former President Roosevelt appeared as a witness today in the perjury trial of three officers of the Riggs National bank. He testified as a character witness for Colonel C. C. Glover of the bank, one of the indicted men.

Colonel Roosevelt said he had known Mr. Glover since 1883; that he had business and social relations with the banker, and that Mr. Glover's general character and standing in the District of Columbia were of the highest.

At the conclusion of his testimony, Colonel Roosevelt left the city immediately.

COL. PHILLIPS SUICIDES

(Republican A. P. Leased Wire)

WASHINGTON, May 23.—Colonel John L. Phillips, surgeon in the army medical corps, shot and killed himself in an army hospital here today. He had been in poor health since he fell down an elevator shaft 18 months ago. Formerly he was surgeon general of the Anson hospital, Panama.

At nearly this same time and at the same hospital Lieutenant Luther M. Ferguson on the medical corps, aged 28, died as a result of injuries received when he was thrown from his horse. Colonel Phillips was a native of North Carolina.

SAY THIS PEACE SIGN

(Republican A. P. Leased Wire)

LONDON, May 23.—The Underwriters yesterday charged fifty per cent to insure against a declaration of peace between Great Britain and Germany before January. The rate indicates that in underwriters' opinion the prospect for an early peace are better than two months ago, when the rate for the same risk was only 75 per cent.

DIVORCE IS NOT TO BE APPROVED SAY BAPTISTS

(Republican A. P. Leased Wire)

MINNEAPOLIS, Minn., May 23.—The divorce question was the subject of sharp debate at today's session of the Northern Baptist convention, but finally was disposed of by the adoption of a resolution disapproving the action of ministers who officiate at the marriage of divorced persons.

The convention, which completed its business and adjourned tonight, also adopted resolutions favoring a permanent peace program, freedom of the press and recognizing the right of labor to organize and demand fair treatment both in wages and working conditions. Congress was petitioned, in another resolution to pass a liquor prohibition amendment.

It was only after several proposed amendments had been voted down and one accepted that the divorce resolution was adopted. An effort of the press and recognizing the right of labor to organize and demand fair treatment both in wages and working conditions. Congress was petitioned, in another resolution to pass a liquor prohibition amendment.

"I don't believe this convention should dictate to the ministers," said Dr. John A. Earle, president of Des Moines college, of Des Moines, Iowa. "There are many just causes for divorce. I will tell this convention that if my daughter should marry a drunkard I would help her get a divorce and drunkenness is not recognized by the scriptures as a just cause."

Congress was petitioned to pass an amendment prohibiting the appropriation of "public moneys by the federal, state or governmental units to any church institution, school, society or undertaking wholly or in part in sectarian or ecclesiastical control."

DR. BRIDE SENT TO FORT LAPWAI

Detailed as superintendent of the combined agency, school and sanitarium at Fort Lapwai, Idaho, Dr. Jacob Bride will leave Phoenix today. Dr. Bride has been for four years the assistant superintendent of the local Indian school, and in charge of the sanitarium.

The promotion is regarded as a substantial one, and is a recognition of Dr. Bride's long service in almost every section where the government gathers its wards.

With him go his wife and daughter. They leave tonight.

ARIZONA BUTTE HAS MILL CONSTRUCTING

F. E. Steffy, mill constructor for the Butte and Superior Copper, Anaconda Copper company, Boston and Montana Copper and Daly West Mining companies, has been engaged by the Arizona Butte Mining company to construct its big mill at Stockton Hill.

The company is grading out terraces and will soon have the ground in shape to receive the machinery, which should be on the road any day. H. N. OFFICERS CHOSEN BY ODD FELLOWS

Election of officers was held in all three departments yesterday in the grand lodge sessions of the I. O. O. F. and Rebekahs. The business before the convention has been disposed of more rapidly this year than in any meeting previously. A spirit of harmony seems to have pervaded the convention, this being amply demonstrated yesterday when practically all the officers were elected unanimously.

Geo. A. Mintz of Phoenix, was elected grand secretary for the 20th consecutive time. Following are the officers elected:

Grand Master—J. G. Bell of Phoenix.
Deputy Grand Master—J. D. Baker of Yuma.
Grand Warden—E. A. Watkins of Bisbee.
Grand Treasurer—L. V. Russell of Tucson.
Grand Secretary—George A. Mintz of Phoenix.

Grand Representative—L. E. Rice of Maricopa.
Grand Trustees—N. A. Morford of Phoenix, A. W. Smith of Tucson and Charles M. Mullen of Tempe.

A fight developed over the next meeting place. It was finally compromised by selecting Safford for 1917 and Prescott for 1918.

The Rebekahs elected the following officers:

President—Marlen Slack.
Vice President—Jennie Moore.
Warden—Emma Frankel.
Secretary—Nettie Scott.
Treasurer—Elizabeth Tappin.

Trustees—Nellie Morris, Millie Daily, Margaret Francis.
Marshal—Cora Suder.
Conductor—Emma Kirtland.
Chaplain—Allie Dickerman.
I. Guardian—Flora Richardson.
O. Guardian—Nettie Toukins.

This afternoon Canton Arizona No. 1, Patriarch Militant I. O. O. F., department of Arizona, will confer the chevron degree upon a class of candidates.

At this morning's session the newly elected grand lodge officers will be installed for the ensuing year. The Flagstaff delegation arrived yesterday morning to the number of twenty-three, and several more came in from Tempe and Buckeye.

Following are the delegates to the Rebekah assembly:

Phoenix, Effie Oliver, Teresa Zierler, Myrtle Mathews, Minnie Stevens, Jennie Kuhlwillin, Elizabeth Dobbs, Juliette Bailey, Bisbee, Lillian Chapman, Nettie Toukin, Lillian Blair; Tucson, Pearl Estabrook, Ida Tharpe, Clara Shelley, Mabel Martin, Millie Marmer, Clara Neumann; Mesa, Emma Birkey, Laura Connely, M. DWINDLING G. A. R. WILL CELEBRATE ON MEMORIAL DAY

Memorial Day Services May 30, to be Important in History of the J. W. Owen Post

Though the Grand Army of the Republic is rapidly decreasing in numbers, the celebration of Memorial Day in Phoenix will be one of the most important in the history of J. W. Owen Post. Nearly all the civic bodies will take part in it and many of the secret societies. An effort will be made to have all places of business closed during the celebration. Governor Hunt will proclaim the day a holiday and Mayor Corstain on his return will be asked to do so.

The G. A. R. was fifty years old on April 8 of this year. It was organized at Decatur, Ill., where this year there will be a celebration of the semi-centennial. It will be interesting to many Grand Army men of Phoenix to learn that a former resident of the valley, Robert Mann Woods was the first adjutant of the organization. Mr. Woods lived here twenty years ago but he is now a resident of Chicago. A letter has been lately received from him saying that he would be present at the Decatur celebration.

DEPUTY SHERIFFS NAB BOOTLEGGER

Deputy Sheriffs Jim Murphy and Geo. Brainerd, went on a still hunt along about midnight last evening and came back with a full bag, that is they managed to capture one alleged bootlegger with the goods right in his hand, or rather in the hands of the men to whom he was selling the booze.

G. R. Gonzales, the proprietor of a pool hall at Madison and Seventh streets, was the victim of the hunt. The officers had been suspecting Gonzales for some time, so last evening they went out back of his shack and took up a berth in the long grass. After a long wait, out came Gonzales with a companion. He dug up a quart of Cedarbrook whiskey, received two large round silver dollars for it, and then it happened. The officers nabbed him right in the act, and of course he pleaded guilty.

A large amount of local capital has been invested in the Arizona Butte, one of the largest stockholders being State Auditor J. C. Callaghan.

Williamson, charged with bootlegging, rolled him how he knew the bottles he found in Williamson's place contained beer.

"I knew it because the defendant told me so," answered Murphy. "What kind of business did Williamson conduct?" inquired Nelson. "A saloon," said the witness for the state.

Murphy testified that a search of the premises had led to the discovery of a quantity of bottles not necessary in conducting a barbecue stand.

Alejandra Arvizu said he had purchased four or five pint bottles of Meadewbrook from the negro at \$2.25 a pint.

The court held Williamson to answer to the superior court. His bail was fixed at \$500, which he furnished.
