

The New Powell "Irene" Valve

Iron Body - Brass Mounted

The new Powell "IRENE" valve embraces the newest and most practical ideas in iron valve construction. Where an iron body valve is preferred for mechanical reasons and efficiency, the Powell "IRENE" will be found to give perfect satisfaction. The "IRENE" is made with the same care and materials that enter into the manufacture of the celebrated Powell White Star valves.

Adopt the Powell "Irene" line of valves.

DOKEYS IMPERIAL SECRETARY IN TOWN

Members of El Yemamah Temple, Dramatic Order Knights of Khorassan, were given a complete surprise yesterday morning in the arrival of Imperial Secretary A. L. Frey of Columbus, Ohio. Secretary Frey had been in attendance at the supreme lodge meeting of the Knights of Pythias at Portland, and arranged his return trip to include visits to San Francisco, Los Angeles, San Diego, Phoenix and the Grand Canyon. Until a telegram was received on Sunday night announcing that he expected to arrive the following morning, it had not been known locally that he intended to visit this city.

In the short time intervening between the receipt of the telegram and the arrival of Secretary Frey, preparations were made to give him a reception typical of the Salt River valley Dokeys. When his train rolled in there were several machines on hand, with Elri S. Curtis, Howard B. Clifton, James H. Kinney, Raymond Kane, S. P. Hofer, R. L. Comfort, George W. Kane, Tom M. Smith and E. E. Marks as representatives of the Phoenix temple. Following breakfast a trip was made about the valley and luncheon was taken at the Arizona club. The luncheon was under the auspices of the Royal Princess of El Yemamah Temple. Secretary Frey spent the afternoon in familiarizing himself with the growth of the local temple and expressed himself as much pleased. He was especially impressed with the beauty and apparent prosperity of the Salt River valley. He said he believed this section of the country was destined to a brilliant future. He left last evening on the Santa Fe for the Grand Canyon.
