\$25,000 FOR HUMANITY!

Home Service Fund

May 26-31

Give All You Can And Then Some!

- Show the Salvation Army that you appreciate their work "Over There."
- Show them that you are heart and soul in sympathy with the great work they are doing "Over Here."

IF you could just grasp an inkling of the good and happiness your money can bring, how glad you would feel to give! Be a good fellow—help the Lass who fed doughnuts to our Boys, for some day—maybe—one of these same lads who bled for you in France, may need her help again. Support this kind of work—get into the trenches of America with the Salvation Army—help them give the kind of help that is needed when the need is greatest.

"A Man May Be Down, But He's Never Out"

That's the Salvation Army Motto

It tells the story of the way the Salvation Army works. Their years' of work in America before the war equipped them for the splendid service rendered to the Allies on Europe's battle fields.

—Let us give the Salvation Army all necessary funds to continue their work locally. Funds raised during the week all go for Salvation Army work in this province. There are no high-salaried officers connected with the Salvation Army. Every dollar contributed does a whole dollar's worth of good. With your money a man's body and soul may be held together.

Can You Refuse to Help?
