CINCINNATI, 7; PHILADELPHIA, 0

PHILADELPHIA, July 12.—Cincinnati stepped into first place by beating Philadelphia, while New York was shut out by Pittsburg. Against King's fine pitching, only one local player reached second base. Roney held the visitors until three consecutive singles in the fifth caused his retirement. Smith, who succeeded him, made two wild throws, one of them allowing two runs to score. The score:

SECOND BOXING CARD BY P. A. C. WILL BE HELD FRIDAY, JULY 25

Friday, July 25, has been fixed as the day and date for holding the second boxing program under the auspices of the Phoenix Athletic club. Starting with that date, regular boxing programs, consisting of at least three events, will be held every two weeks. All events will be held Friday nights unless present plans are altered. Efforts are now being made to complete arrangements for the final and big event of the evening. It was originally planned to send Leo Houck, Seattle lightweight, against Al McManus, who has been putting up such good bouts in El Paso, Douglas and Tucson. Word from Matchmaker Wadhams last evening, however, was to the effect that McManus would be unable to appear, owing to pressing business in Los Angeles July 23. This would leave him but one day's rest after arriving in this city.

Wadhams, however, is negotiating with a well known San Francisco lightweight for appearance here July 25 against Houck. Final arrangements for the match will be made Monday. It is expected the winner of the bout here July 25 will be pitted against the winner of the Tommy Carter-Otto Wallace bout to be held in El Paso the same date. This match will be held before the Phoenix Athletic club Friday evening, August 8, according to present plans.

DANCER WILL STAR AT MUSICAL MEET

Lada, young American dancer, is the main attraction at the biennial session of the Federation of Musical clubs, being held at Petersburg, N. H., the former home of Edward MacDowell. She will present for the first time two Indian dances by Charles Skilton and also pantomime dances from Arthur Nevins' "Mother Goose Melodies." More than 800 clubs, totalling 300,000 members, will be represented.

EAST BEATS WEST IN SECTIONAL MATCHES

[Republican A. P. Leased Wire] CINCINNATI, July 12.—The east won the sectional tennis championships here today when William T. Tilden of Philadelphia won the singles match from William M. Johnston of California by a score of 6-4, 0-6, 6-4, 6-0. Tilden's winning of the match gave the easterners five wins out of eight matches played and made it impossible for the west to overcome them in the remaining unplayed match of doubles. R. Lindley Murray of Buffalo and Ichiro Kurazawa, of Japan, defeated Ralph Burdick and A. L. Green, Jr., both of Chicago, by scores of 7-9, 6-4; 6-4; 6-2.

TIGERS AND PEORIA CLASH AT EASTLAKE

The Phoenix Tigers and Peoria team will do battle at Eastlake park this afternoon in a game that is expected to furnish plenty of excitement and thrills. The game will be called at 3 o'clock. The Peoria team has been traveling along at a pretty fast pace in its last few games, having defeated the local Red Sox club three straight games. The Tigers likewise have been playing a good brand of ball and last Sunday forced the Cubs to extend themselves to win by a score of 6 to 5. Segovia and Delgado will do the heavy work for the Tigers, the former in the box. Segovia is rapidly rounding into a first class moundsman. He has a good curve ball, a fine change of pace and good control.

68°

That was the average mean temperature at Santa Barbara last week. Compare it with the weather you had to suffer through. (Then decide to come to Santa Barbara—and tarry not long in the coming.) The thermometer never sizzles its head off at Santa Barbara. It couldn't if it wanted to. For the mountains and the sea keep Santa Barbara's climate on an even keel the day 'round and the year through. Surrounded on three sides by mountain ranges, with Santa Barbara Channel on the south, and tempered by ocean breezes—Santa Barbara is absolutely protected from hot winds. A cool comfort-climate that is delightful and invigorating—that makes Santa Barbara the Mecca of those who would escape the stifling, sultry heat of summer and give themselves over to wholesome sport and healthful recreation. Ample accommodations to suit every purse and purpose. For detailed information as to rates, etc., address the Santa Barbara Chamber of Commerce, Santa Barbara, California.

Market News

NEW YORK, July 12.—Greater industrial and mercantile activity, a sharp advance in call loans to quotations approximating the year's highest rates, the more adverse movement of exchange against London and Paris and the president's delivery of the peace treaty to the senate, where the outstanding factors of another busy week in the stock market. Expansion of general trade and finished products was most clearly shown in enlarged bank clearings, the substantial gain in unfilled orders reported by the United States Steel corporation and the widespread demand for leading commodities, as indicated by the rise in metals, refined copper being quoted at 21 cents a pound. Weakness of sterling and franc, the

former receding to lowest levels in almost five years, was without effect upon market values, but among international bankers this movement emphasized the need for early completion of the plan to effect Europe's financial rehabilitation. The president's address to the senate was made the occasion of a bear attack, but prices rallied easily in the various issues which have been the special objects of speculative attention for the past four months. From the viewpoint of the investor the most disappointing feature was the further backwardness of high-grade rails and the affluence of the bond market to reflect more than a moderate mid-year inquiry. This was accounted for in part, however, by new corporate financing, which absorbed much of the floating supply of new capital. Latest official advices show a downward revision of estimates for some of the principal crops especially wheat, but the prospective yield, even allowing for additional deterioration, promises to exceed by fully 100,000,000 bushels the high record of four years ago. Starting at a moderate pace, today's brief session of the stock market soon became on renewed buying of speculative shares, especially tobacco and motor accessories. Later, the movement embraced equipment, shippings, steels and miscellaneous issues, also low priced rails, with Denver and Rio Grande preferred the chief feature at a gain of virtually five points. United States Steel was variable at the outset, but developed marked strength toward the close, gaining almost two points. Crucible steel made a sudden rise of six points. Coppers were not very responsive to the 21 cent price quoted for the refined metal, although Anaconda, Utah and American Smelting hardened with the general list in the sweeping uprush at the end. The more prominent features were American and Lorillard Tobaccos, United Cigars, Ajax, Kelly-Springfield and Keystone Tires, United States Rubber, Mexican and Pan-American

Petroleum, Gulf States Steel, Centra Foundry, Pennsylvania Seaboard steel and several food shares. Sales \$2,500. Trading in bonds lacked special feature but Liberty issues and underlying bonds of secondary transportation were steady to firm. Total sales \$4,375,000. Old United States bonds were unchanged on call during the week. COTTON NEW YORK, July 12.—Cotton closed very steady at a net advance of 15 to 20 points.
