**BEGIN TICKET SALE FRIDAY FOR M. E. C.**  
Season tickets for the series of programs arranged for this fall and winter by the Musical Events club will go on sale next Friday afternoon at 2 o'clock at Kerr and Smalley's music store on West Washington street, according to an announcement made last night by Miss Cordelia Hulburd, president of the club.

**ARCADIA HALL SEATS ARE BEING NUMBERED**  
Numerous improvements will be made today at Arcadia hall that will prove beneficial to boxing fans of Phoenix who attend matches in that hall. These improvements, it was announced last evening, will be completed in plenty of time for the Friday night boxing card.

All seats in the hall are being numbered, thus doing away with trouble heretofore experienced by ticket purchasers. Every seat and row will be plainly numbered and there will be a corresponding seat check for that seat. Persons occupying seats without checks will be ejected and the rightful holder properly placed.

In this manner, fans can pick out the exact seat they prefer. Heretofore, a fan has only been able to secure a seat in a certain row. Each row contained so many seats and tickets for that number of seats were sold. First there, naturally, got the middle seats while the late comers had to be obliged to the end seats.

An electric round indicator, the work of a local electrical concern, is also being installed today. This round indicator will change as each round opens, indicating to fans the round in progress.

Phoenix Chapter No. 5, O. E. S., will hold its regular meeting this (Thursday) evening at 8 o'clock p. m. Visiting members are cordially invited.
