**SUNDAY, MAY 8**

**MOTHER!** What a world of inspiration in that single word! Sunday is her blessed day. Don't let us forget it!

Willingly and most graciously she is to be remembered upon that occasion. A small tribute of affection—some little attention—that in itself is sufficient to let her know that the world still loves her. Remember, Mothers' day is Sunday. On this page are listed appropriate gifts she will enjoy—gifts that she'll truly appreciate.
