ALBUQUERQUE, - MARCH 9, 1808

infamous Edmunds law in New Mexico.

skirmish with Spain.

THE city election is drawing near, and to vote you must be registered in the ward in which you reside.

How many Bryanites are there who will take government bonds with the clause inserted that the principal and interest must be paid in silver? SPAIN will soon discover the temper of

the American people, and will then use the arts of diplomacy instead of bluster to bolster up her claims to Cuba.

INCLUDING the missions of all denom-

workers in mission work. ONE of the memorable figures of the civil war is once more brought into publie notice by a telegram from Los Ange-

that city. THE business failures in the United States in the last week of February were

THE bank clearings of seventy-nine cities during February footed up \$5,581,-455,193, against \$3,707,893,334 in February, 1897, an increase of fifty per cent. and of seventy-two per cent over the same month in 1804.

\$10 into the British treasury, thus leav- sirable business venture to engage in.

if congress disapproves of his course in preparing for war he will pay the bill himself.

THE Loud postal bill has received its quietus, and will not be likely to show man of Santa Fe, was stricken with a one other bathhouse proprietor, Col. Louis drove up to San Juan. From there he less its promoters combine with its pro- day and fell twice upon the stone floor and is now getting ready to improve and northern part of the territory. visions a radical reduction of the rates His nose is broken and as he is beautify his grounds and bathhouse.

REPORTS from the business centers show an unusually large shipment of by Kansas City capitalists. money to the west. This is looked upon as an evidence of increased business activity throughout the entire country, and gives prospect of a busy and successful season in all lines.

THE newspapers of this country and Spain will be largely responsible if war is declared between the two countries. Sensationalism permeates the daily press, and many of the big newspapers desire war simply for the sake of the exciting news it would create.

ONE of the most important gatherings in connection with the Omaha exposition will be the trans-Mississippi Educational convention June 28, 29 and 30. up the whole system, acts as a stimulant white following in general scope the to the liver and kidneys, is a blood purifier and nerve tonic. It cures constipations of the National Education as meetings of the National Education association, it will neek to supplement its sociation, it will neek to supplement its sociation.

THE total amount of all kinds of money in circulation on March I was \$1,726,-736,659, which represented an increase of over \$50,600,000 as compared with the corresponding date last year. The circuiation per capita is put by the treasury experts, on the basis of an estimated population of 73,990,000 on March 1, at

THE great irrigation works that are about to be constructed at Coolgardie, in western Australia, are without their equal at the present time in the world, and without known example in any former period. The magnitude and novelty
