make a fine table, and a fine table makes life worth living. Be careful about everything, but especially be careful about your table. A first-class bill of fare gives you a mortgage on home contentment. The menu is so much a matter of groceries that poor groceries belong to the condemned list. Our stock of canned goods is simply immense. The attractiveness of your table is doubled once you use them. Every article we sell is at quality and market at a bottom price. Get your groceries of us and make your table what it should be.
