## WORK OF CONGRESS.

### Senate Amendments to River and Harbor Bill Not Agreed to.

### Bill Appropriating \$20,000,000 for Spain's Indemnity Passed.

### Pope Leo Undergoes an Operation and is Improving.

### NEW REFORM PARTY ORGANIZED.

Washington, March 1.—In the house, Burton, chairman of the river and harbor committee, moved non-concurrence in the senate amendments to the river and harbor bill under suspension of the rules. Burton's motion prevailed without division.

There was considerable excitement in the house to-day growing out of the near approach to adjournment and the critical state of various measures. The conference report on the omnibus claims bill was agreed to after a lively debate in which the French spoliation claims were sharply attacked.

The river and harbor bill was sent to a conference and then the passage of the general deficiency appropriation bill was moved under a suspension of the rules.

The house conferees on the river and harbor bill (Burton, Reeves, Calkins) are opposed to the canal amendment. Burton said: "I am unalterably opposed to the amendment even if the entire bill is lost."

The house passed the general deficiency bill. Hull moved the passage of the senate army reorganization bill under a suspension of the rules.

IN THE SENATE.  
Washington, March 1.—The senate passed the bill appropriating \$20,000,000 for payment to Spain without a dissenting vote.

The senate passed a number of miscellaneous bills. Cullum delivered a speech on the work of the Hawaiian commission, and Allen, of California, his valiantly. The consideration of the naval appropriation bill was begun.

ALMY BILL PASSED.  
The senate army bill passed the house, 203 to 32.

Accept Senate Army Bill.  
Washington, March 1.—The house military committee agreed to accept the senate army bill without amendment.

FATAL COLLISION.  
Four people killed and one seriously injured in Nevada.

Ogden, Nev., March 1.—In a head-on collision between passenger train No. 1, east bound and a doubleheader, west bound, near White Plains, Nevada, four people were killed outright and seriously injured. The dead are: Kingmer F. J. Yearin, fireman; Hensholt, fireman; Dillion and another engineer whose name is not learned. The head brakeman of the freight was seriously injured.

San Francisco, March.—Advice received by the Southern Pacific in this city states that the "wreck" in Nevada was not caused by the collision of a freight and passenger train, but by the collision of passenger train No. 1 and a helper. The engineer of the helper overlooked his orders.

OPERATION PERFORMED.  
Pope Leo is in a fairly satisfactory condition to-day.

Rome, March 1.—Dr. Muzzini removed from the left thigh of the pope a cyst which caused the feverish symptoms yesterday. The operation was successful. Strict measures have been taken to exclude people from the Vatican. Some morning papers asserted that the pope is suffering from rheumatic fever, and pleurisy is feared.

The pope yesterday desired the cyst simply incised, but consented to its removal on the doctors insisting upon the point. Dr. Lapponi saw the pope at 1:30 p. m. and found him in a fairly satisfactory condition.

An official bulletin, issued at 5 o'clock, says: "The pope's pulse is excellent, and his general condition is very satisfactory."

NEW REFORM PARTY.  
Cincinnati, March 1.—A general conference began to-day for the organization of the union reform party to amalgamate the silver republicans, populist-social labor party and liberal party, and in fact, all minor parties except the prohibitionists. Seventeen states were represented.

The conference was called to order by Chairman H. S. Thompson, of the Ohio committee. The following temporary organization was reported and adopted: Chairman, A. G. Kiehnberger, Baltimore.

## ANOTHER MANIFESTO.

### Filipinos Say American Losses Are Larger Than Theirs.

### United States Protests Against General Rios' Dispatch to Spain.

### Dewey and His Instructions to Protect German Residents in Manila.

### INSURGENTS ARE VERY ACTIVE.

London, March 1.—The Filipino European junta received the following dispatch from Manila, dated February 28: "The insurrection has become real battles. We now hold Pasig, Paleros and Guadalupe. Our northern line is advanced to Foz. The American losses are far larger in proportion than ours. We hold 600 American prisoners, who will be taken into the interior. Not one of our people surrendered. Our government maintains its independence and will not yield. A Filipino telegram from Cebu asserts that the foreign residents asked the insurgents to withdraw in order to avoid bombardment. The Filipinos acceded, trusting that their action would be brought before the foreign consuls with a view to arranging an equitable settlement with the Americans."

Several Malafias died of wounds including a woman shot in the breast. There is much indignation at the act of the provincial government, keeping in exile the prisoners whose only offense is loyalty.

REBELS ARE ACTIVE.  
Throwing Up Earthworks in Front of the Malabon Church.

Manila, March 1.—The rebels are very active at Caloocan and Malabon. They evidently intend to mount batteries in front of the Malabon church, destroyed by the fire of the United States monitor Monadnock, February 27.

They can be seen throwing up earthworks for guns and armaments.

Instructions for Dewey.  
Washington, March 1.—To carry out the president's promise relative to the protection of German residents and property in the Philippines, cable dispatches have been sent to Admiral Dewey and General Otis, instructing them on that point.

LORD HERSHELL DEAD.  
One of the High Joint Commissioners Passes Away.

Washington, March 1.—Lord Hershell, one of the high joint commissioners of Great Britain, died this morning of heart failure. He fell on a slippery sidewalk and broke one of the pelvic bones several weeks ago. Hershell was lord chamberlain of Great Britain and was sent to the United States because of his eminent attainments to take a leading part in the negotiations designed to settle the differences between the United States and Canada.

AGAINST STATEMENT CABLED BY GENERAL RIOS FROM MANILA.  
Madrid, March 1.—Reforma hears that the Spanish government has received a dispatch from the United States protesting against the statement cabled from Manila by Gen. Rios, who formerly commanded the Spanish troops in the Philippines relative to the situation of affairs there.

Correspondence asserts that it received such serious news from Manila that it believes it is its duty not to publish it until confirmed.

A REPUBLICAN CAUSE.  
Lincoln, Neb., March 1.—There were no changes recorded in the ballot for March 1 to-day. The republicans agreed to caucus tonight, all but one signing the call and he indicated his intention to participate.

SALOONS ARE CLOSED.  
Attempt Made to Enforce Temperance Among Soldiers in Cuba.

Havana, March 1.—The American military authorities are attempting to make the American soldiers teetotalers, by stopping the sale of beer at the post exchange and closing the bars in Havana and Marianito for selling beer or wine to private or non-commissioned officers. Proprietors of such places are fined \$5,000 but are allowed to re-open after three days on giving bonds. Private soldiers, especially volunteers, think it a hardship that they may not buy beer when the officers of their regiments are unrestricted.

THE REBELS ROUNDED.  
Manila, March 1.—There was the usual desolatory firing yesterday evening and to-day but only one casualty resulted. Private Parks, Company K, California volunteers.

The Nebraska volunteers at the reservoir had a slight brush with a small body of the enemy this morning. The rebels scattered in the jungle after the first volley.

The United States transport Tacoma arrived here without the loss of a horse or a mule.

The Negro commissioners sailed for Negros to-day.

Sidney, N. S. W., March 1.—Advice from Apia, under date of February 17, says affairs there are still unsatisfactory. The provisional government, it appears, is interfering with native and British

## A CABINET CRISIS.

### Sagasta Hands in Resignation of Spanish Ministry.

### Chambers Adjourned Until New Ministry Can Be Formed.

### The Santa Fe Secures Control of California and Nevada Road.

### KIPING IS IMPROVING.

Madrid, March 1.—Senor Sagasta has handed in the resignation of the ministry to the queen regent.

The cabinet crisis is expected to last two or three days as it will be necessary for the queen regent to consult the president and other political leaders. Meanwhile the chambers will adjourn until a new ministry is formed.

THE TREATY NOT AFFECTED.  
Washington, March 1.—The resignation of the Sagasta cabinet, state department officials said to-day, does not necessarily involve the future of the peace treaty. They believe the succeeding cabinet can and will mean to forward the treaty to the point of ratification by the Spanish government.

TERMINAL AT OAKLAND.  
Santa Fe Secures Control of California & Nevada for Purpose.

San Francisco, March 1.—It is rumored that the Santa Fe has secured control of the California & Nevada road in order to establish a terminal at Oakland that will afford more easy means of access to San Francisco than could be secured if the transcontinental line ended at Point Richmond.

KIPING IMPROVING.  
New York, March 1.—A bulletin issued at 8 a. m. said Mr. Kipping's symptoms had improved, but he is still seriously ill and the fever continues.
