SPRING TIREDNESS

Is Caused By Unhealthy Action Of The Liver and Kidneys Assisted By Starved Blood and a Poor Circulation.

Paine's Celery Compound

NOURISHES THE LIFE STREAM AND STRENGTHENS EVERY ORGAN OF THE BODY.

The great virtues of Paine's Celery Compound are abundantly manifested in the spring. It is a medicine compounded specially to brace the nerves, to sustain heart action, to cleanse the blood and keep the stomach, liver and kidneys in vigorous health.

In the springtime the effects of the winter's work, the worries of business, household cares and the severe changes of temperature all conduce to weakened and inflamed nerves, in-

somnia, poverty of the blood, deranged digestion, liver and kidneys in bad condition; in thousands of cases rheumatism and neuralgia commence their horrible tortures. Paine's Celery Compound, used three or four times a day for the next few weeks, will furnish the proper and needed elements of life for the growth and repair of the whole body. It will quickly make new nerve fibre, nerve force, pure, rich blood, will bestow sound health and long years of life.

Mr. Elijah Bowman, of Caledonia, Mich., says:

"When I think of the misery and agony I endured formerly and being entirely cured by Paine's Celery Compound, I feel indeed thankful for the discovery of this wonderful medicine. I take a little of the medicine every spring. It brightens a person up and drives all the laziness out of the system, and makes one feel cheerful and bright."

PORTER MORROW ALL RIGHT.

Under Indictment by Grand Jury, But Makes Reasonable Explanation.

On information culled from the news columns of the Albuquerque Journal-Democrat. The Record last evening mentioned that Porter Morrow, southwestern representative of the Simmons Hardware company of St. Louis, had been arrested and placed in jail at Santa Fe, charged with embezzlement and fraud.

Concerning the unfortunate affair, a special telegram from Santa Fe to the Albuquerque Citizen of last evening says:

"Journal-Democrat wrong again, as usual. Morrow is not in jail. Have investigated and he is all right."

Last evening's Santa Fe New Mexi-

can set the whole matter right, as follows:

"Sheriff H. C. Kinsell on Saturday arrested Porter Morrow, who traveled for the Simmons Hardware company, on the charge of embezzlement. There are three counts against Morrow. He was indicted by the grand jury of Santa Fe county on charges preferred by the company. He was arrested at Belvidere, Ill., and brought to Santa Fe on Saturday. Mr. Morrow makes a very reasonable explanation of the charges against him which are based upon a mistake by a clerk of the hardware company in sending a trunk to Mr. Morrow."—Las Vegas Record.

READING ROOM CONCERT.

Was Greatly Enjoyed—Performance a Success.

A fine program, of many interesting numbers, was carried out at the Santa Fe reading rooms last night to the pleasure of an appreciative audience. The talent was the best of the city. The crowd was not large, probably on account of the inclemency of the weather. S. E. Busser, superintendent of the Santa Fe reading rooms, arrived from the west on a late train just in time to be present and enjoy the concert. He expressed himself well pleased with the performances.

HON. JOSEPH W. WALLACE.

An Early Pioneer of San Juan County Has Passed Away.

The death of Hon. Joseph W. Wallace, of Durango, last Saturday night, came as a shock to the people who knew the highly respected gentleman of La Plata county. His friends had realized the seriousness of the disease that had taken hold of Mr. Wallace, but all had hoped for the best and that his strong constitution would bring him through.

The immediate cause of death was pneumonia, although heart trouble was the first ailment.

Mr. Wallace was one of the very early pioneers of the San Juan, coming to La Plata and locating at Herculita in 1873.

Deceased was a prominent member of the Masonic order, Woodmen of the World and San Juan Pioneer association.

Police Jottings.

John Fitzgerald, a repeater, who was not satisfied with paying a fine yesterday morning, came back with the same affliction and was given a double dose of Judge Crawford's morning medicine for all ailments.

Joe McDole and Alfons Whiteline, who were thrown in night before last on suspicion, were given an opportunity to tell their troubles, which they did. They were out of money and work, and were trying to get to a railroad camp. They looked like they would work if given a chance, so the judge let them go if they would keep their feet out of Albuquerque mud. If they continued to travel at the pace they set out, they reached Belen on their thirty-mile trip pass long before dinner.

Patrick Kilbane, an Irish chicken thief, was sent over to the county jail for sixty days for working at a trade that was never made for an Irishman. Patrick found Albuquerque a bad place to try to feather his nest.

Experimental runs during the winter have led to the belief that a high-power machine can make a mile over the smooth beach in fifty seconds or less and everyone is looking forward to the establishment of new records before the meet concludes Saturday. If the meet is as successful as it promises the same course will probably be chosen for the trials to select the American team for the Gordon Bennett cup race in Ireland this summer.
