### STRANGER O. GETS INSIDE THE MONEY

**Barnett's Crack Gelding Second in 2:09 Pace at Colorado Springs.**

### WON THE FIRST TWO HEATS

Tuesday proved to be the best day of the present race meeting at Colorado Springs. Six thousand people saw a card of seven exciting races, of which the 2:09 pace was the feature. Six heats were necessary to decide this race, which was won by Jess C. a Denver mare. Stranger O., Joe Barnett's crack gelding, a favorite in the betting, took the first two heats handily, and in the third heat was scratched off the board, except for a few early birds, who managed to get in considerable money by putting down 10 to 2. Jess C. was offered at 8 to 1 and upwards, and surprised the talent by winning the race. Stranger O., coming in second. Amble W. took the fourth heat in an exciting finish, while Jess C. took the next two, winning the race.

### RYAN WINS WELTER-WEIGHT CHAMPIONSHIP

**VICTORIOUS BUDDY RYAN.**  
San Francisco, July 20.—Buddy Ryan, of Chicago, was awarded the welterweight championship in the twentieth round of a twenty-five round fight with George Peterson, of San Francisco last night. Peterson's seconds threw up the sponge after the loss.

**DEFEATED GEORGE PETERSON.**  
A man had been repeatedly knocked down in the last two rounds. In the nineteenth round Peterson was floored five times before he managed to reach his feet before the count was concluded.

### LITIGATION OVER RESTRICTING ORDER

Silver City, N. M., July 20.—G. L. Turner & Son, who do a merchandise business at Santa Rita, N. M., have brought suit against the Santa Rita Mining company and the Santa Rita Store company for \$50,000 damages. This suit, it is understood, was brought by the plaintiffs on account of an alleged order issued by the Santa Rita Mining company, ordering all their employees and servants not to trade with the plaintiffs under penalty of being discharged. This is quite an extraordinary suit and is attracting considerable attention among the residents of this section.

### "POPE" SCHRADER TO BUILD CHURCH AT EL PASO

"Pope" Schrader, of the Divine Catholic church, better known as the "divine healer," accompanied by a couple of his deacons, is in El Paso from the New Jerusalem, Socorro county, New Mexico. They announce that they intend to build a church of their faith in that city. The New Jerusalem is booming, according to A. R. Cordova, one of the deacons. Although established only three years, they claim a population of about 600. They will spend a week or ten days in El Paso.

### THE SEARCH FOR JOHN D'S DAD

The most wanted man in the United States today is John D. Rockefeller's dad. Nobody seems to know why he is wanted, but the general opinion is that the mystery of his disappearance must be cleared up. For this reason The Evening Citizen organized a journalistic expedition which traversed a large chunk of territory. Many patriachs were seen who bore a resemblance to the picture printed in McClure's Magazine. The expedition is compelled to report progress only, and the search is still on.

### SERIOUS ACCIDENT NEAR KELLY, N. M.

**J. H. JAMES BADLY INJURED IN A RUNAWAY.**

Special Correspondence.  
Kelly, N. M., July 18.—The many friends of J. H. James, your sometimes correspondent, will be grieved to hear of his misfortune on Sunday, the 16th instant. Mr. James, accompanied by L. R. Babcock, started for Rosedale. When about six miles from Kelly and going down a hill some slight accident occurred and the carriage pole dropped from the neck-yoke. There being no brake on the carriage it of course ran against the spirited horses and they at once ran away. Mr. Babcock, knowing he had to quit the rig, grabbed young Louis and took him with him, and although both were badly shaken up and bruised, neither sustained any serious injury. Mr. James was not so fortunate. After staying with the team for nearly half a mile and doing his best to control them, Joe made up his mind to jump. By this time the team was going like the wind and the shock was terrible. The left knee cap was dreadfully bruised, if not broken and misplaced, the right leg broken above the ankle, besides other cuts and bruises. Mr. James was brought back to Kelly with all possible haste. Dr. Blinn was summoned, the fractures

### reduced, and many willing hands did their best for "poor Joe." At this writing the results of his injuries cannot be foretold, but all that medical skill and the kindness of a host of friends can do will be done. Meanwhile we will hope for the best.

A. L. HEISTER.

Rev. French, presiding elder of the M. E. church, south, Roswell district, received a telegram from Rev. S. R. Twitty at Denver, stating that Mrs. Twitty is ill at that place and that he cannot come home for a few days. For that reason the quarterly meeting of the local M. E. church, south, is indefinitely postponed. The telegram gave no particulars of Mrs. Twitty's illness, and for that reason it is believed that her case is not serious.
